A dance was held on May 29th, the proceeds amounted to thirty-four dollars. It was decided that the Institute pay for toxoid for diphtheria inoculation for all children in the district of school age. A new teacher's desk has been placed in school by Institute and are also planning on having interior of school painted during the holidays. Next meeting to be held at the home of Mrs. V. H. Dockendorff, roll call to be answered with "My Birthday and Stone." Meeting closed by singing Institute Ode.

### LETTER OF SYMPATHY

To Bro. James Hall; Dear Bro: We the members of Derry L. O. L. wish to express our sympathy to you in the loss of your dear brother. We know that your heart is filled with grief at the parting. There is little we can say to comfort you in this your hour of sorrow, but what joy it is to you to know that you can meet again where there is more parting and where sorrow is unknown. We can do nothing more than direct you to Him, who doth all things well, and who has promised never to forsake any who put their trust in Him.

A few short years of evil past,  
We reach the happy shore,  
Where death divided friends at last,  
Shall meet to part no more.  
Signed in behalf of  
Derry L. O. L. No. 1169

### ABOUT GARDEN TOOLS

Spring means out of door work in the garden. This can be made a delightful pastime or it can revert to drudgery; it all depends upon the kind of garden tools you select. We advise you to get your garden hose from our new stock so as to guard against trouble in that line. Also get your tools from us because they are the dependable kind.

Peters Road Presbyterian Church on Sunday last.

The grain crops and grass lands are now on a fair start to vigorous growth, which would be greatly accelerated by more of those bountiful showers which bless field and grove.

Potato-planting is well advanced and the areas under cultivation are as great if not more so than in previous years. The possibilities afforded by the use of commercial fertilizers are not ignored by the majority of farmers when greater production is made possible, and fields which had deteriorated from excessive cultivation, and lack of plant food now show a luxuriance of growth which would out-do the richness of our western prairie lands or throw into derision the fantastic growths of a well cultivated Chinese tea garden.

The ornamental section of the Peters Road Cemetery was recently improved by the sowing of flower seeds and plants, and some ornamental trees. The tulip-bulbs which were planted are now in bloom. Mr. Neil Vanderstine, manager is very energetic in his duties, and plans to make the cemetery a place of beauty
