

MODERN PRISON IS MORE LIKE SCHOOL.

A despatch from Bismarck, N. D., says: "Through the appreciation of the magnitude of the work that is carried on by means of penal labor in North Dakota can hardly be realized till one pays a visit to the State Penitentiary."

Hellstrom, the head of the institution for the last four years, has been successful in bringing about a large number of improvements in the work of the prison, and new methods of enforcing discipline, new standards of prison life, and new "advantages," if they may be termed such, are offered prisoners to help themselves.

only his criminal tendencies but hisus shows that, and shows it conclusively. It shows, for instance, that every man, woman and child on the Missouri side spends \$6.65 a year for laundry. While St. Louis gets along on an annual expenditure of \$297 per capita and St. Joseph residents cut their expenses for clean linen down to \$2.83 a year each.

"Kansas City with its 248,331 inhabitants has 32 laundries, and the total laundry bill for a year is \$1,677,000. St. Louis' 687,029 persons support 40 steam laundries, which take in an aggregate of \$2,101,000 a year, and St. Joseph has only six button-breaking establishments for its population of which is \$218,900 a year from the public.

"Why is it? Is Kansas City dirtier or are Kansas Citians cleaner?" a laundryman was asked. "Kansas Citians are cleaner," was the natural answer, for why should his customers complain? "Kansas Citians are cleaner and now please don't quote me—their laundries are better. White collars and shirts with cuffs attached are more common than in other towns, and the people here are more particular about having them properly laundered."

"In this town very few men try to wear a collar more than a day. Alas very few go without collars. In St. Louis, for instance, soft shirts with collars attached are far more common. They cut down laundry receipts, for they can go right in with the family wash. But the home folks can't do the stiff collars or shirts with stiff cuffs attached. The edges curl up or they get creases in them, or they look yellow or something goes wrong almost every time."

"Now, there are those who try to provide mirth by speaking of saw-edged collars and buttonless shirts. Do you know that we launder a collar 12 times here, and are more conservative of buttons than any other laundries in America?"

"The listener had to admit that those facts were new to him. "Yes, sir. That is straight, and that has something to do with making Kansas City the best laundry town for its size in America. The people here have become cranks on clean collars because they've got them."

CITY OF THE CLEANEST COLLARS AND SHIRTS

No wonder your laundry bill is large. You are living in the city of the cleanest collars and shirts. The census shows that, and shows it conclusively. Family Cured of Eczema By Cuticura Remedies

"The Cuticura treatment has absolutely cured me and my family of eczema which I, my wife and two-year-old child had for eight months. It started with small pimples on the head of my child which gradually broke out in sores, and it was not long before I and my wife got the same. Our heads were one mass of sores, we could not sleep and the itching was terrible. We suffered for eight months. We tried different kinds of ointments and medicine but it did us no good and soon it began to break out on our bodies until a friend who had the same trouble told me about Cuticura of which I used two sets of Cuticura Soap, Cuticura Ointment and Cuticura Resolvent, and I was surprised. After the first few days our heads began to heal and in two months we were absolutely cured of this terrible eczema."

(Signed) EUGENE POTHOFF, 581 Ralph St., Brooklyn, N.Y.

No stronger evidence than this could be given of the success and economy of the Cuticura Remedies in the treatment of the torturing, disgusting humors of the skin and scalp of infants, children and adults. Sold throughout the world. Send for Free 32-page Cuticura book on treatment of skin and scalp diseases.

Could Not Rest at Night. Back Was So Weak.

Weak, lame and aching backs are the primary cause of kidney trouble. When the back aches or becomes weak it is a warning from the kidneys that everything is not right with them. Heed the warning: cure the weak, lame, aching back and dispense of any chances of further trouble.

If you don't do this, serious complications are very apt to arise and the first thing you know you will be troubled with Dropsy, Diabetes or Bright's Disease, the three most deadly forms of Kidney Trouble.

On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of the trouble and strengthen the kidneys, thereby strengthening the back.

Mrs. John Puigh, Parkdale, Man., writes: "I have used Doan's Kidney Pills and find nothing to beat them. So weak I could not rest at night, my back was so weak. I tried everything, but could not get anything to do me any good until I was told by a friend to use Doan's Kidney Pills. I tried them and I am not the same weak woman I was before. I am very thankful to have found so speedy a cure."

Doan's Kidney Pills are 50 cents per box or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto Ont.

When George III. Was Crowned. DYSPEPSIA Can Be Cured.

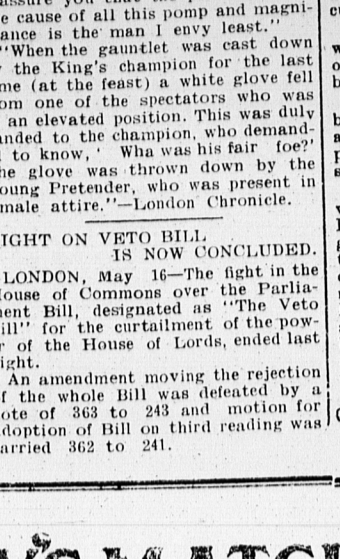

Among all the people coming to the coronation there will be none of such romantic interest as a spectator at the crowning of George III. To quote a writer in the Gentleman's Magazine for 1764, "The Young Pretender himself was in Westminster Hall during the coronation, and in town two or three days before and after it, under the name of Mr. Brown. A gentleman told me so, who saw him there and whom I should expect to see here."

"The long train of distressing symptoms, which render life a burden to the victim of dyspepsia, may be promptly cured by the use of Burdock Blood Bitters. B.B.B. regulates the secretion of the saliva and gastric juice to facilitate digestion, purifies the blood, and tones up the entire system."

Mrs. Herman Dickens, Benton, N.B., writes: "I have used Burdock Blood Bitters and find that few medicines can give such relief in dyspepsia and stomach troubles. I was troubled for a number of years with dyspepsia, and could get no relief until I tried Burdock Blood Bitters. I took three bottles and became cured, and I can now eat anything without it hurting me. I will highly recommend it to all who are troubled with stomach trouble."

NULIFE (Red Blood Tablets)

The Greatest Spring Tonic and Body Builder Ever Offered Humanity

Nulife (Red Blood Tablets) has proved the greatest medical success of a life time. Its work in the system is simply the direct natural laws properly applied. The science of chemistry has labored for more than a century to reach such a standard—this standard is NULIFE the perfect blood builder.

When NULIFE (Red Blood Tablets) are taken the blood absorbs the strengthening, life-giving qualities and the blood in turn, feeds, stimulates and nourishes the nerves and cells. It thickens the blood, gives it a richer hue, the cheek that ruddy glow of health, and even to the step that elastic, buoyant, bounding stride.

This is the very season when Nulife is at its best, when the system is open for attacks and when sickness is harder to combat. Take a package of Nulife with you—in your home—on the trip and take them regularly. The price is just what you want to pay.

MORE REASONS WHY McLAUGHLIN VEHICLES Cost more and are worth more

Sixth. Our Bodies are so constructed that they do not require Corner Irons to hold them together—all panels are Glued and Clamped on, and secured by good old fashioned Wood Screws, and properly inserted Plugs—the best and most reliable method known to the trade.

Seventh. On all our Standard Buggies we use a Heavy Frame Solid Foot Dash.

Eighth. Our Springs are amply long to secure easy riding, the Leaves being carefully graded English Cast Steel is used in their construction, causing them not only to ride easy and carry a heavy load, but to hold their shape indefinitely.

Ninth. All our Buggy Bodies get SIXTEEN Coats of Paint, and six and eight on our Cears and Wheels. We still adhere to the old reliable red lead system which was at once the most expensive and most durable known to the trade.

Tenth.—Worse Second Growth Hobbies in all Shams, Reneges, Spring Bars, and Heel Blocks, and the material used throughout is the choicest procurable, and is carefully selected and inspected in all courses of manufacture.
