

TORTURED BY RHEUMATISM

"FRUIT-A-TIVES" Brought Quick and Permanent Relief

MR. P. H. MCHUGH
108 Church Street, Montreal.
December 10th, 1917.

"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists, took medicines, used lotions; but nothing did me good. Then I began to use 'Fruit-a-tives'; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, 'Fruit-a-tives' overcame my Rheumatism; and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and 'Fruit-a-tives' relieved me of these complaints; and gave me a good appetite; and in every way restored me to health".

ARRIVED SAFE IN ENGLAND.—Mr. Patrick Hammell, Freetown, has received a telegram from his son Pte. Wilfred Hammell 4204755 announcing his safe arrival in England and stating that he is quite well.

WEDDING BELLS.—A quiet wedding took place in St. John July 16 when Miss Alice Crossman of Southport, P. E. Island was united in marriage to Leslie H. Warner of St. John N. B. The ceremony was performed by Rev. R. P. McLean, St. Mary's church, St. John, N. B. Mr. and Mrs. Warner will reside in St. John. Pat. and Exam. please copy.

AN AUTO PARTY.—Mr. and Mrs. Edmund Robertson and daughter, Miss Mary Robertson, and Mr. Laurence Myles of Robinsonville, N. B., near the Matapedia Valley, motored to the Island last week, and are the guests of their cousin, Mr. C. S. Lane, Mount Mellick. This is their first visit to P. E. I. and they are very pleased with the parts they have seen.

AWARDED CERTIFICATES.—Three of the pupils of Miss Forbes have received certificates from the Pitman Institute in England, the examination being upon the principle of accuracy says the Halifax Herald. A senior certificate was awarded to Miss Melida G. Bowdridge of this city, and elementary certificates to Miss Winifred Sterns and Miss Amy Ernest of Souris, P. E. I. and Mahone Bay, respectively.

HANDSOME MEMORIAL WINDOW

—St. Paul's church of this city has been made more beautiful than ever by the addition of a handsome memorial window, being the gift of Mr. George D. DeBlais, in memory of his mother and father. The subject of the window is "The Light of the World" and it is finished in rich colors of gold, red and blue. Written on the base are the two last lines of that well known evening hymn of the Church of England: "Then when Thy voice shall bid our conflict cease, call us, O Lord, to Thine Eternal Peace." Then follows the inscription: To the Glory of God and in loving memory of Robert FitzGerald DeBlais, entered into rest May 31, 1903; and of his wife, Ethel Helen DesBrisay, entered into rest May 31, 1915. "Their children rise up, and call them Blessed." The very artistic work of this window reflects much credit upon the artists, the Tuzer Prism Co., of Toronto.

FRIDAY

RULE STRICTLY ENFORCED.—Over fifty cases of fines and closing-up orders as penalties for infractions of food regulations are set forth in the Canadian Food Bulletin just issued. All eating houses and boarding houses are again warned to secure sugar certificates as soon as possible.

WOUNDED AND MISSING.—Tuesday Mr. Garnet Campbell, of Cumberland, received a telegram dated Aug. 16th, stating that his nephew, No. 2060323, Pte. Ernest Angus White, infantry, was officially reported wounded and missing. Private White, who was adopted when only an infant by his uncle, was a promising young man who went over with the Reserve of the 105th, and his relatives are deeply anxious over his safety. It is hoped they will yet receive more reassuring news of his safety.

WOUNDED.—Mr. John McKay of High Bank received the following telegram: Sincerely regret to inform you that Pte. Willie J. McKay, No. 712808, infantry, officially reported admitted to 5 General Hospital, Rouen, France, August 9th, 1918, gunshot wound upper extremities. —Director of Records, Pte. McKay enlisted in the 105th, was drafted into the 14th Canadian Battalion crossed to France December 6th, 1916, was wounded at the battle of Lens, June 29th, 1917. After spending nine months in England he returned again to France, March, 1918.

Mr. Andrew M. Peters, of Oyster Bed Bridge, yesterday received the sad news that his son, Pte. Adrian R. Peters, infantry, was killed in action on August 8th. Pte. Peters enlisted with the 105th in February, 1916, and went to France in March. During the time he was in France he wrote home regularly every week. He was a young man of excellent character, not quite 20 years of age, a brave soldier, and a devoted son and brother. There are left to mourn besides his father and mother, six sisters and five brothers, who will have the sincere sympathy of a wide circle of friends.

KILLED IN ACTION.—The news of the death in action in France, of D. Lorpe Dewar was received by Summerside friends last week, and has caused the deepest sorrow here, where he was well known and highly respected. He was here for some time as a manager of the Dominion Dredging Co., and since then has visited Summerside each year. Sergt. Dewar whose home is in Ottawa, enlisted in a Highland regiment in St. Peter's, C. B., some time after he left Summerside. He was a splendid chap, well liked by all who knew him, and his death is deeply regretted by all. To the bereaved family is extended sincerest sympathy.

PRISONERS PARCELS.—Sir Robert Borden's testimony in a recent address. Sir Robert says: Everywhere I heard warmest appreciation of the splendid service by the Canadian Red Cross Society, by the Y. M. C. A. and other like associations. Among these the Maple Leaf clubs should not be forgotten. They supply sleeping accommodation for 1,100 men, as well as comfortable meals at very reasonable rates. The headquarters of the Canadian Red Cross Society at York Hotel, Berners street, are much larger and more commodious than when I last visited them. A most interesting and important branch of the work there carried on is concerned with the comfort and welfare of prisoners of war. The organization is wonderfully thorough and complete. Parcels of food clothing, and other necessities are despatched with absolute regularity, and precise methods are employed to make certain that they reach their destination. The devoted women who have consecrated their labors to this task have nobly earned the gratitude of the Canadian people.

WOUNDED.—Mr. John James, 28 Euston St., received a telegram yesterday stating that his son, Private Tom James, infantry, was admitted to hospital on August 15th, suffering from gunshot wound in neck.

WOUNDED.—Miss Lena Young, nurse at Falconwood Hospital, has received word that her brother 712633 Private Simon Arthur Young was officially reported admitted to the American Red Cross Hospital, France, on August 21st with gunshot wound in right leg, multiple.

KNOWN IN THIS PORT.—Captain Herbert Doyle, of Halifax, arrived at New York Monday, having navigated past all danger a steamer he took around from the Great Lakes. The steamer says the Halifax Herald was purchased by New York parties for \$800,000. It was said Tuesday but not verified that Captain Doyle would command the steamer which the Nova Scotia Steamships, Limited, intended putting on the route between Halifax and Boston with Yarmouth as a port of call both ways. Captain Doyle was formerly master of the Plant line steamer Halifax between here and Boston and later had charge of the Plant steamer Evangeline which like the Halifax, was sold for traffic overseas. Both ships have since fell victims to the Hun submarine.

WEDDING BELLS.—St. Dunstan's Cathedral was the scene of a pretty marriage at 8 o'clock yesterday morning, when Miss Carrie Coyle, daughter of Mr. and Mrs. William Coyle, Sydney Street, became the wife of Mr. J. Francis Coady of Newton Cross, son of Mr. and Mrs. James Coady. The bride who was tastefully attired in a Copenhagen blue suit, was attended by her sister Miss Evelyn Coyle who was gowned in navy blue silk. Mr. John Coady, brother of the groom, who lately returned from overseas, acted as groomsman. Rev. Maurice McDonald performed the ceremony in the presence of the immediate friends and relatives of the bride and groom. The wedding march was rendered by Miss Lucy Blanchard, while Mr. W. J. Brown contributed a delightful solo. The gifts received were numerous and beautiful testifying to the popularity of the newly wedded.

SAVE FOOD

In a time needing food economy many people are not getting all the nourishment they might from their food. It is not how much you eat, but much you assimilate, that does you good.

The addition of a small teaspoonful of Bovril to the diet as a peptogenic before meals leads to more thorough digestion and assimilation and thus saves food, for you need less.

Don't Bother with "Special Pastry Flour"

You can get the same flaky lightness in your Pie Crusts, Tarts and Cookies, with

BEAVER FLOUR

as you can with any pastry flour. Beaver Flour is milled of the famous Ontario fall wheat, strengthened with western spring wheat.

And more than that—Beaver Flour makes a loaf of bread that is a joy to eat—with fine, even texture and a delicious, "homey" nutlike flavor, unknown to those who still use the tough, tasteless, western spring wheat flour. Make the change today—order a barrel of Beaver Flour at your grocer's and have really delicious Bread and Pastry.
