After a period of seven years the 8th Charlottetown (Trinity) Scout Troop again went to camp under canvas during the period June 28th—July 7th. This year's Troop Camp was held at the Provincial Scout Camp site, Camp Buchan, Point Prim. It was attended by 46 Scouts and leaders for the duration of the period, which group was joined by 15 Trinity Cubs and leaders for a period of four days. The camp was a grand success and many of the boys made marked progress in their Second Class work. Special congratulations are in order to P. L. Karl Reardon who successfully completed the required tests for a Second Class Badge. During the camp daily inspections were held and the only Patrol to win out on more than one occasion was the Owl Patrol under P. L. Lloyd Seaman. The Owl Patrol captured the Patrol Competition on two occasions and as a result will be suitably rewarded when the Troop meetings start up again in the Fall. Other Patrols to win the competition during the Camp were the Wolves under P. L. Karl Reardon, the Rams under P. L. John Phillips, the Foxes under P. L. Leith Thompson and the Bulldogs under P. L. Laird MacLennan. Cook for this year's camp was the old Troop stand-by, Horace Smith. Mr. Smith has been cooking for the 9th, now for the last twelve years and the boys at this year's camp were high in their praise for the quality of the food prepared by the genial cook. During the camp seven boys were officially welcomed into the world-wide brotherhood of Scouting when at an impressive campfire ceremony the following Scouts were invested: Roy White, Gordon Brown, Alar Campbell, Grant Ward, Jimmy Moore, Ivan Vessey, and Barry MacMillan. The boys of the 9th, are most appreciative for treats provided during the course of the camp by the following friends of the Troop: H. C. Atkinson, Elmer MacDonald, Major N. W. Lowther, W. R. LePage, W. R. Seaman and Johnny Squarebriggs. Following is a summary of the Field Day held the day before the Camp officially closed: 50 yds. Dash—8 years and under —1. Roger Craig. 2. Walter Cox 3. M. and other leaders are looking forward to a much better year in 1948-49 and it is hoped that when the first meeting is called in September all the old boys will be back with the Troop, bringing along as many of their friends as possible. There are countless millions of far-distant, self-luminous gaseous bodies called stars and each one is as thick as a sun.
