FOR THE KIDNEYS

Relieve Constipation while Healing the Kidneys

Gin Pills have an almost world-wide reputation as a kidney medicine—their healing, cleansing, soothing effect has earned unstinted praise from thousands.

But their virtues do not end with the relief of kidney and bladder troubles. Gin Pills are excellent for the relief of constipation. We have hundreds of testimonials from people telling us they have found that in taking Gin Pills for kidney and bladder trouble, the Gin Pills also acted as a gentle cathartic and bowel stimulant.

This is only logical, as in building up a medicine to restore the kidneys to perfect health, the bowels must receive attention as the other organs of excretion.

If you are constipated, you will find the real relief you desire in the use of Gin Pills, which will also regulate your kidneys even though you have so far failed to notice alarming symptoms of trouble in these organs.

Your dealers sell Gin Pills at 50 cents a box, or 6 boxes for \$2.50.

It is a scientific preparation which, mixed with skim-milk, takes the place of milk and supplies to the calf every food element that it needs. By its use the farmer is enabled to raise his calves and sell his cream or butter, and its cost is a trifle compared to the value of the whole milk that the calf would otherwise need.

They can't slip with the bull-dog grip

Many farmers are surprised to find Maritime fencing, even when it has been up for a number of years, remarkably free from loose or broken uprights and interals. Examination shows, however, that the Maritime "bull-dog" lock holds the joints so rigidly that they cannot give or pull out of shape; and because we use nothing but large, strong, "live" wire—No. 9, heavily galvanized—they are able to stand the daily stress of wear and tear without breaking.

Maritime fence is always slightly, always straight, and always efficient. It's bull-strong and hog-tight, because it is made to withstand far greater strains than any it is likely to endure. It gives you all that you can expect in a wire fence at a reasonable price.

Before you buy or even select your fencing, learn first what the Maritime has to offer in the way of REAL fence service. A postal brings our illustrated catalogue with full particulars.
