He has exhibited before the crown heads of Europe and in cities where he has shown the electric railways have been compelled to run extra cars. The Coast Journal states that Professor Waldo's exhibitions were the best on the Pacific Coast. SOMETHING ABOUT FAITH CURES

What a great variety of faith cures there must be some have faith in so-called divine healers others in the medicines they use. Every person who has tested Dr. Chase's Kidney Liver Pills has faith in them, but faith or no faith they cure just the same, for they act directly and specifically on the kidneys, liver and bowels and make these organs healthy, active and vigorous. Judging from the enormous demand for these Pills there must be hosts of people that have faith in them.

The importance of having a perfect fitting, and at the same time a thoroughly comfortable corset, cannot be over estimated. It is a critical matter to make a corset right. W. B.
