Time on Schedule

HERE is the famous Waltham Crescent Street. A watch that has run countless trains on schedule upon the railroads of the world.

You may not be a railroad man, but the Waltham Crescent Street will give you railroad time when you want it—and give it to you all the time. There is not a more dependable watch made. It comes with or without the winding indicator. A Waltham device to remind you when the watch needs winding.

To business and professional men who demand and need accurate and unvarying service, a Waltham Crescent Street will give a lifetime of satisfaction for the reasonable sum it costs.

Ask your jeweler to show you this "Railroad" watch. He knows Waltham Watches.

Write for a valuable booklet that is a liberal "Watch" education. Sent free upon request. The Waltham Watch Co., Limited Montreal, Canada

A SHOWER ENJOYED—A very interesting and memorable event took place, Saturday evening, 21st inst., in the new home of Mr. and Mrs. John Dainson. Central Bedouque, when an unusual large number of friends, (young and old) from the five surrounding districts "simply" showered Miss Vera Campbell of Chelton, with a miscellaneous quantity of valuable and useful gifts including twenty-four pieces of Limoges China and various other articles too numerous to mention. The first part of the evening was pleasantly spent in games and music after which refreshments were served in the usual Bedouque fashion, then the gifts were daintily displayed to the "bride to be," Mrs. (Rev.) N. A. Whiteman and Mrs. Melville Johnson sat with Miss Campbell while Mrs. Everett Phillips and Mrs. Walter Leard unwrapped the parcels and read the accompanying verses. Miss Campbell, fittingly replied, thanking the donors in an appreciative manner, followed by the assembly heartily singing "For she's a jolly good fellow." The joyous group, then, each in turn after wishing Miss Campbell every success and happiness in her new journey of life which shall begin on the evening of the 25th closed by all heartily singing "Auld Lang Syne."

IN MEMORIAM
MRS JOHN POWER
The death took place in Emerald on the 10th Oct., inst., of Mrs. Helen Power, relict of the late John Power, of South Freetown, in the 89th year of her age. The deceased enjoyed good health during her life until a few weeks previous to her demise. She was the last surviving member of a large family of the late Captain Thomas Lawless of New London who was well known in shipping circles more than half a century ago. Mrs. Power was of a kindly, charitable disposition, and highly respected in the community in which she resided during her long and useful life. She was a consistent member of the Catholic Church, and received the last rites from the hands of her kind pastor, Rev. Father McQuaid, who frequently visited her during her illness. The funeral on Saturday the 14th inst., was largely attended, a High Mass of Requiem being celebrated by the pastor, and interment in the adjoining cemetery. The following members of her family survive her: Thomas and Ambrose, in Emerald, Janice in New Hampshire and Mrs. Charles Clero, Kensington.

A FINE RESIDENCE—The fine new dwelling in course of construction during the summer by Mr. J. W. Fyfe, Emerald, is almost completed, and Mr. Fyfe and family intend moving into it early next week. The workmanship is creditable to the foreman, Mr. B. Murphy, and his staff of assistants.

STUDEBAKER PICTURE—At the Strand Theatre last evening a very interesting seven reel Studenbaker film was shown, depicting the manufacture of the Light Six Studenbaker car. The picture was really better than a trip through the factory and it has been recognized by the United States Department of Commerce as one of the best industrial films ever screened. At the present time the Department of Commerce is showing it in the schools throughout the United States and in many foreign countries. The picture was shown last night through the courtesy of Messrs. A. Horne & Co., local agents for the Company.
