LOCAL COUNCIL.—The Executive of the L.C.W. are requested to meet at P. W. Collie on Monday, the 13th inst., in order to consider a matter of importance at 3.30 p.m.

The provincial Grand Lodge of Orangemen will meet in the Orange Hall Charlottetown on Tuesday the 21st inst at the hour of 11.00 a.m. for the transaction of general business.

The executive of the L. C. W. return their sincere thanks to the ladies and gentlemen who so kindly, under such unpropitious circumstances, assisted by address or music, in rendering their meeting Friday night instructive and agreeable. They also heartily thank His Worship the mayor and other gentlemen who lent their presence on the occasion.

THERE was a large number of men of money at the sale of Merchants' Bank of P. E. Island stock which took place at Robert Beaird's auction mart on Saturday. The stock sold easily at 157, being the highest price ever realized by this institution, a good evidence of the great value found by the general public in investing here and the utmost confidence people have in the directors who are to be congratulated on their success.

## EDITOR'S MAIL

L.O.L. & S.O.E.

SIR.—I read the address of the County Master, L. O. L. in Saturday's paper and was by no means displeased with its true Protestant spirit, but I think he is mistaken when he makes the assertion, "The Orange Association is the only Protestant organization we have in our kingdom." I presume he means by "Kingdom," Canada as a part of the Kingdom. If so I would like to remind him and the Orangemen also that an equally strong Protestant organization is found in the Order of the Sons of England, and another lodge, with some of the grandest men of this city has been organized a week or so ago in this city.

Lodge Eton, and Lodge Prince Edward will take no back seat on true wholly-hearted Protestantism and patriotism, and these gentlemen are not leaving all the talking and arguing to the noble order of Orangemen.

### Easily Distinguished.

Out of the enormous number of women in Constantinople, not more than 5,000 can read and write. What a harvest this would be for the grocer bent on pushing substitutes. The customer excellent read and would often get counterfeit specialties but Salada Ceylon Tea on a packet shows up so boldly and clearly that even uneducated people get used to it.—"SALADA" TEA Coy.
