That is the question?  
Any spectacle is no more

any coat to your body.  
The fit of the frame is as  
important as the fit of the

My Dear Friend Mr. Jordan—I  
cannot speak too loudly in praise  
of your Oil and Emulsion. I have  
taken the Emulsion and am now  
taking the Oil, both are most excel-  
lent preparations. The pure oil can  
be taken as easily as cold water.  
You should advertise it better and I  
am sure it would come out second to  
none.

Great anxiety was displayed here Tues-  
day night as to the probable result of the  
hockey match in the city. Some were  
afraid that the Crystals might not win.  
Anxiety was changed to delight however  
when the welcome news was received  
that the game, and with it the trophy, had  
been won by Summerside team.

**YOU ARE AILING.**  
Not quite sick—but robbed of ambition  
to work—and it hard to think clearly.  
Not ill enough to think of dying, but bad  
enough for life to be pretty dull. There is  
a remedy—Ferrozone—that quickly lifts  
that half dead feeling. Gracious, but  
Ferrozone makes you feel good; it sharp-  
ens the dulled appetite, makes it keen as  
a razor.  
BLOOD? Ferrozone makes lots of it, the  
rich nourishing kind that vitalizes the  
whole body. You'll be wonderfully quick-  
ened, immensely strengthened, feel heart-  
y and vigorous after using Ferrozone.  
Buoyant health, surplus vigor and reserve  
energy all come from this great restor-  
ative. Fifty cents buys a box of fifty  
tablets at all dealers.

**ADVERTISING IS BROAD.**  
Advertising in itself means publicity  
and publicity is a very broad and com-  
prehensive term. It does not mean  
simply a word whispered to a favored  
few. It is, rather, synonymous with a  
general, broadcast declaration, and the  
broader the scope of the announcement,  
the better the advertising. No occupied  
space that directs attention along given  
and desired lines can be reasonably re-  
garded as wasted; nor can any funds ex-  
pended to this end be adjudged extra-  
vagant.—American Medical Journal  
1st.

**DR. CHASE'S OINTMENT.**  
The following figures are taken from  
the Dominion Government report for  
1905.  
The profits earned for the previous year  
per \$1000.00 of Insurance in force by the  
different Life Insurance Co's here  
mentioned are:—Canada Life \$5.75  
Confederation \$3.00. Federal \$3.30.  
Great West \$3.45. Imperial \$2.20. Manu-  
facturers \$1.33. Mutual of Canada \$0.27.  
North American \$1.55. Sun \$4.63. Lon-  
don & LANCASHIRE \$10.80. The profits  
accumulated per \$1000 on the business in  
force by the same Co's are:—  
Canada Life \$13.52. Confederation \$18.08.  
Federal \$3.48. Great West \$14.10. Imperial  
\$7.34. Manufacturers \$12.17. Mutual of  
Canada \$10.07. North American \$14.15.  
Sun \$13.70. LONDON & LANCASHIRE  
\$33.62.

The reason this reliable English Co.  
can show such a difference in profits  
compared to the Canadian Co's, is quite  
apparent to any person who knows.  
Anticipating the action of the Dominion  
Government and the reductions that  
would occur in interest rates,  
the management of this Co.  
set aside a large sum in 1902 and  
later again in 1907 thereby providing  
for the decreasing rate of interest and  
placing the reserves of the Co. upon a  
basis equal to that adopted by other Co's.  
years after.

The Vice-President of a leading  
Canadian Co. at their annual meeting  
held in Feb. 1900 said:—"I am free to say  
that if ten, fifteen or twenty years ago the  
Directors could have foreseen what re-  
markable reductions would occur in in-  
terest rates they would undoubtedly have  
applied a portion of the profits at each  
quintennial period towards strengthen-  
ing the Co's Reserves."  
This certainly reflects credit on the  
management of the LONDON & LAN-  
CASHIRE LIFE.

Lewis H. Beer, Charlottetown, is the  
representative for this staunch Co. in  
this Province and will be pleased to quote  
rates at any time.
