THE OLD WAY

Of Treating Dyspepsia and Indigestion by Dieting a Dangerous and Useless One.

We say the old way, but really it is a very common one at present time and many dyspeptics and physicians as well consider the first step to take in attempting to cure indigestion is to diet, either by selecting certain foods and rejecting others or to greatly diminish the quantity usually taken, in other words, the starvation plan is by many supposed to be the first essential.

The almost certain failure of the starvation cure for dyspepsia has been proven time and again, but still the moment dyspepsia makes its appearance a course of dieting is at once advised.

All this is radically wrong. It is foolish and unscientific to recommend dieting or starvation to a man suffering from dyspepsia, because indigestion itself starves every organ and every nerve and every fibre in the body.

What the dyspeptic wants is abundant nutrition, which means plenty of good wholesome, well cooked food and something to assist the weak stomach to digest it. This is exactly the purpose for which Stuart's Dyspepsia Tablets are adapted and this is the method by which they cure the worst cases of dyspepsia, in other words the patient eats plenty of wholesome food and Stuart's Dyspepsia Tablets digest it for him.

You druggist will tell you that Stuart's Dyspepsia Tablets is the purest and safest remedy for stomach troubles and every trial makes one more friend for this excellent preparation. Sold at 50c per box. For full sized package at all drug stores.

A little book on stomach diseases mailed free by addressing F. A. Stuart Co., Marshall, Mich.

MR. R. H. ORDE, GREYSTOCK, ONT., Says Laxa-Liver Pills cured himself and a friend of Constipation and Allied Troubles.

Everybody who has used Laxa-Liver Pills says they are the finest thing in the world of medicine.

Mr. R. H. Orde, of Greystock, Ont., is of this opinion and this is how he expresses himself: "Some time ago I got a sample packet of Laxa-Liver Pills, and after I had used them with great satisfaction I sent to Mr. Madill's drug store, in Peterboro, and bought two bottles, one of which I gave to a friend of mine. He assured me they did him a world of good. His trouble was constipation and fluttering of the heart."

"In my own case the trouble was very similar, i.e., constipation, fluttering and palpitation of the heart, and pains in my legs, like rheumatism, when I lay down at night. I have only taken the pills a short time, but every one of the unpleasant symptoms has disappeared. The pills did their work thoroughly, yet so mildly that a person would not think he was taking medicine at all. I am highly pleased with their effects, and recommend Laxa-Liver Pills to all who suffer as I did."

Price 25c. a bottle or 5 for \$1.00, at all druggists or sent by mail. T. MURBURN & Co., Toronto, Ont.
