

ANNUAL MEETING

(Continued from Page 1)

Aged and Infirm Committee

Mrs. W. O. Davey reported for the aged and infirm that her committee had interested themselves in making life more happy for inmates of the infirmary and Sacred Heart Home.

She spoke of the visits made to these institutions, and of donations of little luxuries, books and religious articles having been made.

Educational Committee

Mrs. W. J. McIntyre, Convener of Educational Committee, reported the usual prizes given the schools and University, and said it was her hope that next year we would have Study Clubs formed in this Sub-division.

Sec. Secretary's Report

Mrs. M. M. Murphy, Sec. Secy. and Convener of magazines, gave a very interesting report. She has spent much time on trying to enlarge the circulation of our magazines, which is the only Catholic Women's Magazine in Canada.

Press Committee

The Press Committee's report, in the absence of Mrs. E. F. McPhee, Convener, was read by the Secretary. In it the local press was thanked for kindness and courtesies at all times. Reports of meetings have been prepared and sent to both these papers, and occasionally to our magazine. Catholic news items had been gleaned and reprinted by our papers here. The President's report, giving a summary of the year's work, was presented by Mrs. F. J. Casey and is attached to this account.

The election of officers then took place resulting as follows: President—Mrs. F. J. Casey, (Acclamation).

1st Vice-president—Mrs. W. O. Davey (acclamation).

2nd Vice-president—Mrs. J. B. Fleming.

3rd Vice-president—Mrs. Geo. McGulgan, (acclamation).

Cor. Secy.—Mrs. J. P. McCloskey.

Rec. Secy.—Mrs. F. Murray.

Treasurer—Mrs. M. M. Murphy.

Councillors—Miss Mae King and Mrs. R. J. McDonald, Miss Sweeney, Miss F. Dorsey, Mrs. J. O'Neill, Mrs. John King.

Sick Visiting Committee

The Sick Visiting Committee reported through Mrs. R. J. McDonald that flowers had been sent to members who were ill and visits made to them.

The necessity of reporting cases of illness among members was stressed, for only in that way can it become known to the Committee.

Entertainment Committee

Mrs. F. Murray, Con. of Entertainment, reported that programs had been arranged for meeting and for a lecture by Fr. G. J. McLellan, D.D., of Summerside.

Upon resuming the chair, the President thanked the members for their past kindnesses and asked for the same loyal support in the coming year from officers and members as in the past.

Mrs. W. J. McIntyre spoke of the work that had been done this year, and hoped it would continue.

It was decided to send a delegate to the National Convention to be held in June.

Mrs. Casey was elected to represent the Sub-Division, with Mrs. W. O. Davey alternate.

All business being completed, the meeting was on motion adjourned.

PRESIDENT'S REPORT

To the Chaplin, Officers and Members: With relentless passing of time another year has entered into Eternity, and it is my duty and privilege to lay before you a report of the work accomplished during that year, which, I think, you will all agree has been the banner year of our Organization.

Your splendid co-operation in every undertaking and your untiring placing of all problems in God's Hands, has reaped reward, and you can look back on a year of labour and of sacrifice, yes but also of splendid achievements.

Never once have you failed to do your part, officers and members alike, and I am very proud to have been your President, and very happy if I have aided even in a small way in your success.

The first event of the year was the coming of our Bishop, His Most Reverend Excellency J. A. O'Sullivan, who has proven a good friend to our Sub-Division. Upon his arrival a bouquet of roses was sent as a greeting from the C. W. L.

While his residence was being put in order, we helped in a small way in the re-furnishing of his suite.

He graciously attended our June meeting, when a warm welcome and

assurances of our loyalty and devotion were extended to him.

On June 27th, the National Convention was opened in Charlottetown with Headquarters at the Canadian National Hotel. This was indeed an outstanding Convention, since twenty-three out of twenty-seven Dioceses were represented. In all, about four hundred Delegates and visitors attended, and it has gone down in the annals of the League, as being the greatest gathering of the Organization up to this time. Already we have forgotten the strenuous hours of preparation, and remember only that it was a magnificent success from every point of view. We feel that beyond the benefit to our Organization that as an advertisement to this Province, it will prove invaluable. Prince Edward Island has become a reality to those who attended, and the fame of its beauty, and of the hospitality of its people will reach far and wide and will be productive of much good.

To Mrs. W. J. McIntyre has fallen the honour of being unanimously elected National President of this noble body of women, numbering nearly fifty thousand. From the membership of our humble Sub-Division, the highest office in the Organization has been filled, and we are very proud of the fact. Mrs. McIntyre has taken an active part in the work of the League since it was first organized.

The funds to carry on the Convention was raised by means of a Convention Booklet, to which the merchants and professional men generously subscribed; from the proceeds of an autograph Quilt (which I may say will be drawn for at our Bridge on April 18th.), from Card Parties, Private Subscriptions and Cash Donations from each Sub-Division in the Diocese. After our share of the expenses, which was about six hundred dollars, had been paid, there still remained a balance of two hundred and fifty dollars to our credit.

We again extend our sincere thanks to all who assisted us in this great undertaking, and we hope that they will reap reward in abundance for their generosity.

Shortly after the Convention, at a joint meeting of the Senior and Junior Sub-Divisions, Mrs. McIntyre was presented a Life Membership by the former body, and a beautiful gift by the latter, both gifts being accompanied by suitable addresses. His Excellency, Rev. J. A. O'Sullivan made both presentations, and added his congratulations and good wishes to those contained in the address.

We started the year with a debt of over three hundred dollars, and I am glad to present to you tonight practically a clear sheet, which is very gratifying. \$200.00 rent and \$100.00 on the piano has been paid.

One hundred and twenty-seven dollars was sent to Archbishop McGulgan for relief work in Regina, and ten dollars to the Ukrainian College and Yorktown, Sask. All Diocesan and National Taxes and obligations have been paid. These include donations to the Sisters of Service, to the National Scholarship and Budget. One hundred dollars for a Life Membership, which sum of course you understand is paid into our National Treasury to carry on National work. Two hundred and eighty-five dollars was handed to the Sisters at the Sacred Heart Home, as a result of an Envelope Collection. We regret to say this sum was much smaller than usually given to this Institution.

For we were unable to obtain a hall wherein to serve meals at Exhibition time, the proceeds of which were given to this cause.

Prizes of Gold Coins were given to St. Dunstan's University, Queen and Rochford Square Schools and Notre Dame Academy.

These are just a few outstanding items for your Treasurer's Report will give you a detailed account of the receipts and expenditures. \$2554.77 have been raised and with the exception of \$2655 has been expended during the year. Funds to carry on our regular work were raised from membership fees, cake sales, card parties at private homes, and one at the C. N. R. Hotel, jointly conducted with the Juniors. A chicken supper held in January was very successful, and from it a considerable sum was realized.

In August a committee from this Sub-Division undertook to obtain signatures of our Catholic people on a petition for the reduction and limitation of Armaments, to be laid before the League of Nations at Geneva. A like petition had been taken up from members of the Catholic Women's League throughout Canada sometime before, and has since been presented by the International President, Madam Steenberghe Emringhe representing twenty-five million Catholic women, in thirty-three countries. A striking thing about this Petition was that it was the first one to contain the name of God, who is the Father of all Peace. On February 2nd, the opening of the Peace Conference in Geneva, our Members

attended Holy Communion for its success, for we know only by placing these problems in God's Hands, will their deliberations be of any avail.

In August a committee assisted in serving meals at the League of the Cross picnic. In view of the immense amount of work of the preceding months, we were unable to take charge of this outing, but did what we could to make it a success.

In August, eight of our Members attended the Diocesan Convention at Summerside.

During October and November, our thoughts were centered on the needs in the West. Appeals were sent out to each Parish Priest for food and clothing to be sent to the distressed areas. The response was generous, and there have been thirteen cars of vegetables sent from country districts, as follows: Hope River, Borden, North Wiltshire, Missouche, Alberton, St. Louis, Souris, Tracadie, Bedford, Cardigan, Fort Augustus and Vernon River, 2 from Charlottetown and surrounding country; over one and one-half tons of clothing and bedding was gathered, packed and shipped to the Federated Charities of Regina. The following cash was also sent: Bloomfield \$32.50, St. Andrews \$32.00, Kinkora \$50.00, Corran Ban \$10. and Lot 65, \$20.00, Charlottetown sent \$127.00 of which \$100.00 was made from a lottery on a cake donated by Mrs. Wm. Flynn. This makes a total of \$291.00 in cash sent from this Province. A box of used Vestments was received from Mr. Chalson of Rustico which was forwarded to the Catholic Church Extension Society, and gratefully acknowledged by them.

When Falconwood Hospital was destroyed by fire in December, we opened our room in the Provincial Bank Building and prepared seventy five beds for patients, whom the authorities intended bringing in. When we were asked to turn over our Hall for their use we gladly did so, although we had expended considerable sum decorating and furnishing it to make it suitable for our work. We were given the use of a room in the League of the Cross Hall until other arrangements were made. Then the Knights of Columbus very considerably placed their Council Chamber at our disposal for our meetings and for the use of those Societies fostered by us. We are very grateful to them for their generosity, which enabled us to carry on our work without interruption.

The St. Zita Club is one of which we are justly proud. It functions under the care of the League, and has a membership of about fifty. These young girls come from the homes in the country to work in the city and find companionship and friendship in this Society. Last month Dr. J. D. McGulgan gave them a very interesting lecture on Contagious diseases, and beginning next Thursday evening, Miss Mona Wilson of the Red Cross will give a series of lectures and demonstrations on home nursing and care of children.

The Collegiate Club, which is also sponsored by the League, is composed of students from Prince of Wales and the business colleges, also a few day scholars from St. Dunstan's University. These young people meet every Saturday evening, and while away their time with games, music and refreshments. Letters have been received from parents of some of these young people thanking us for the interest we are taking in their children, and assuring us that it gives them, as parents, a sense of security to know that their boys and girls are being looked after when they come to College. Our association with them has been a great pleasure and from our observation we can say that it speaks well for the future of P. E. I. that such young men and women will be its future citizens.

Much as we have accomplished, we are still not satisfied for we see on every side so much that should be attended to, and that could be if more of our women would interest themselves in this work.

There is very often a temptation to fold one's hands and let some one else go on with the good work. When this assails us, let us remember the words which His Excellency, our Bishop proposed for our consideration: The words of St. Paul "In doing good, do not grow weary, for in time you shall reap not falling." There is encouragement in these words to cling to your ideals, for ideals tempered by the light of faith and reason should be the guiding principle in life.

Before closing this, the Eleventh Annual Report of this Sub-Division, I wish to express my heartfelt thanks to His Most Rev. Excellency, J. A. O'Sullivan and to our Chaplain, Rev. Mgr. McDonald, under whose direction our work has been carried on; to the Officers and Members for their forbearance, co-operation and helpful suggestions in the year just past.

You have done well, and let me urge you tonight to resolve to do

the Newsome Block, also three dozen bath towels, three dozen face cloths, two dozen pipes and a caddy of tobacco. Bundles of good reading material are sent there from time to time, and during the year several treats have been arranged.

The Sacred Heart Home is not forgotten and a hamper was sent there also.

We intended having our usual Christmas tree for poor children, but as arrangements had already been made by the Social Service Department to do this, we handed over to them what we already had on hand. It is my opinion that it was much better conducted by them since the nurse in charge has a better knowledge of conditions than we could possibly have.

We thank the Third Order of St. Francis, the Knights of Columbus and Mr. Donald Nicholson for substantial donations, and those retail and wholesale merchants who gave so generously to help make Christmas a time for rejoicing for so many. We wish also to thank R. T. Holman Limited for a beautifully decorated Christmas tree, donated by them.

In December a committee from this Sub-Division assisted in making the Thanksgiving collection called for by the Prime Minister, Hon. R. B. Bennett. The object of this fund is to aid the poor and the unemployed and our team collected one-seventh of the amount subscribed in Charlottetown.

Representatives also met committees from different Benevolent societies in the Caledonia Hall with regard to petitioning the Government when building the new Prince of Wales College to consider the needs of this city for a hall wherein to hold entertainments. Later on these representatives met with the Premier and Minister of Education and placed this matter before them.

This Sub-Division has also representation on the Executive Board of the Childrens Aid Society.

We are sorry to say that none of the students who were eligible last year to try for our National Scholarship did so. This was a great disappointment to us for we feel sure that girls of this Province with their natural ability and facilities for education could win this if they cared to apply for same. It amounts to two thousand dollars—five hundred dollars a year for four years in any accredited Catholic college. Surely it is worth trying for and it is our earnest wish that an effort be made this year by some of our girls to win this Scholarship.

On April 26th, the Feast of our Lady of Good Counsel, our Patron, a High Mass was offered for our living members, and in November a Requiem Mass was sung for the deceased members.

Letters of sympathy were sent to those in grief and Masses said for departed souls. Flowers were sent to members who were ill and visits made by the Sick Visiting Committee.

We have to thank Rev. G. J. McLellan, D. D., of Summerside for his splendid lecture on his trip to the Holy Land.

During the year we held ten regular, ten executive, six special and two joint meetings, all of which I was privileged to preside. This, of course, does not include the innumerable Committee meetings held during May and June. At a number of our regular meetings, delightful musical programmes, which had been arranged by our Entertainment Committee, were very much enjoyed.

I have mentioned in this report only the outstanding work, but if I could lay before you all that has been done seemingly small things in themselves but of such benefit to those for whom they have been done, you would realize to a still greater extent the wonderful benefit of this Organization.

Much as we have accomplished, we are still not satisfied for we see on every side so much that should be attended to, and that could be if more of our women would interest themselves in this work.

There is very often a temptation to fold one's hands and let some one else go on with the good work. Before closing this, the Eleventh Annual Report of this Sub-Division, I wish to express my heartfelt thanks to His Most Rev. Excellency, J. A. O'Sullivan and to our Chaplain, Rev. Mgr. McDonald, under whose direction our work has been carried on; to the Officers and Members for their forbearance, co-operation and helpful suggestions in the year just past.

PRESBYTERY OF P. E. ISLAND

The Presbytery of Prince Edward Island met in special session in Zion Church Hall, Charlottetown, on Tuesday, April 6th, and was opened in due form by our moderator, Rev. Fred Williamson. Those present were: Rev. Fred Williamson, Moderator, Rev. R. Hensley Staver, clerk; Rev. Chas. J. St. Clair Jeans, Rev. W. E. Davies, Rev. Allister Murray, Rev. R. Moorehead Legate, Rev. G. Carlyle Webster and Rev. D. L. Griffiths and Messrs. Samuel McPherson and A. E. Morrison, representative Elders. Others present not members of the court were Rev. M. E. Genge, D. D. and John Anderson, Daniel McSwain and Sterling McLeod, representative laymen.

The principal business for which the Presbytery had been called was the dealing with a call from Finch and Chrysler, Ontario, addressed to Rev. W. E. Davies, Cardigan. The call which was signed by 241 communicants and 55 adherents and was accompanied by a guarantee of \$1,800.00 salary together with the use of manse and glebe and four weeks holidays, was presented to the court by the clerk, Rev. R. Hensley Staver. Mr. Staver was asked by the Presbytery of Gengary to act as the commissioner from that Presbytery and to prosecute the call before the Presbytery of Prince Edward Island. This Mr. Staver proceeded to do and showed reasons why Mr. Davies should accept the call to Finch.

The congregation of Finch and Chrysler is a very important one with a large number of young people to be taken care of and the members and adherents were convinced that Mr. Davies was the man they needed to do the work there. Rev. D. L. Griffiths also spoke of the importance of the field and showed what splendid possibilities Mr. Davies would have in a field like this.

The commissioners from Cardigan and Lorne Valley then spoke of the splendid work done by Mr. Davies since coming among them and told of how sorry they all would be to lose him. Still should he feel that he must accept the call to the larger sphere of service, they would acquiesce in his decision and wish him God speed. Rev. A. R. Gibson, Rev. Allister Murray, Rev. Chas. J. St. Clair Jeans, Rev. R. Moorehead Legate, Rev. Fred Williamson, Rev. R. Hensley Staver then spoke of how much all would miss Mr. Davies in the Presbytery.

It was then moved by Rev. R. Hensley Staver and seconded by Rev. R. Moorehead Legate that the call be sustained as a regular gospel call and that it be now placed in the hands of Mr. Davies.

In a short, concise address Mr. Davies showed how that ever since having come to Cardigan, Lorne Valley and Dundas he tried to do his best for the people of that congregation but that now when this call to a larger field had come unsought, he felt that he should accept this call and had decided to do so at once.

Mr. Davies then asked to be relieved of the charge of this congregation after Sunday, April 10th. The request was unanimously granted.

Rev. A. R. Gibson, Montague, was appointed interim moderator of the session. It was then moved by Rev. Chas. J. St. Clair Jeans and seconded by Rev. R. Gibson and carried unanimously that translation be granted to Rev. Mr. Davies after April 10th and that the clerk of the Presbytery of Prince Edward Island convey to the Presbytery of Gengary the high appreciation of the services rendered by Mr. Davies while laboring in the congregation of Cardigan, Lorne Valley and Dundas. Rev. G. Carlyle Webster was appointed interim moderator of the session of Kensington and Freetown in place to Rev. Mr. Davies, resigned.

even more in the year before you. Live up to the principles of the motto of our League "For God and for Country," for it is a motto which embraces all phases of duty, both Religious and Civic.

You belong to a National Organization—cultivate, therefore, a National outlook, and direct your efforts for the good and welfare of all humanity.

There is a fate that makes us brothers, None goes his way alone; All that we send into the lives of others, Comes back into our own.

Respectfully Submitted, GERTRUDE M. CASEY, President, Charlottetown Sub-Division, Catholic Women's League.

The clerk called the attention of the court to the fact that at the last regular meeting of Presbytery a matter of courtesy had been overlooked in the rush of one of the busiest days in the history of the Presbytery.

The Presbytery had overlooked extending the sympathy of the court to Mrs. (Rev.) D. McVicar who some weeks before the last regular meeting of Presbytery had been called upon to mourn the loss of her beloved husband who had once been a highly esteemed member of this court and who also less than two years ago had been moderator of the Maritime Synod.

It was then moved by Rev. Fred Williamson and seconded by Rev. A. R. Gibson and carried unanimously that the clerk be instructed to write a letter to Mrs. McVicar extending to her the deep sympathy of the court in this, the time of her great sorrow.

Rev. M. E. Genge, D. D., was re-appointed to the pastoral charge of Marshfield, Mt. Stewart and Highfield for a period of two months. The Presbytery of Prince Edward Island is making application to the General Assembly of the Presbyterian Church in Canada for permission to receive Rev. M. E. Genge, D. D., as a minister of the Presbyterian Church in Canada.

The Presbytery is also making application to General Assembly, Board of Education, asking the said Board to prescribe a course of study for Mr. V. E. Orsborn, New London, looking toward his ordination in the not far distant future.

The Presbytery of Prince Edward Island is overturning the Venerable General Assembly of the Presbyterian Church in Canada and is asking the said assembly to recognize the Church of Scotland hymnary as the official hymnary of the Presbyterian Church in Canada.

The committee on the Ministers' Retreat and also the committee appointed to arrange to see about the holding of summer school both met in the afternoon and both reported progress.

The Presbytery adjourned to meet at the call of the moderator and clerk of which public intimation was given and the meeting was closed with the benediction by the moderator, Rev. Fred Williamson.

Massie, Mrs. Fortescue and their co-defendants, E. J. Lord and Albert O. Jones, came from William Huihui, Hawaiian. Under questioning by Clarence Darrow, defense counsel, he admitted he had said the four "ought to be shot."

The day also brought forth the indication the defense would plead the killing of Joseph Kahahawai, accused of attacking Mrs. Omalia Massie, was an honor slaying. Mrs. Massie is the wife of the Lieutenant and daughter of Mrs. Fortescue, United States society matron.

The jury panel was filled during the morning, but only a few of the 24 preemptory challenges allotted each side had been used when court adjourned and a final jury was not in prospect.

Before Huihui's admission, Darrow had vigorously contested the attempt of Barry Ulrich, deputy prosecutor, to impress on prospective jurors that they not consider whether the slaying of Kahahawai last January 8 was right or wrong. Kahahawai was once tried for attacking Mrs. Massie last September, but the jury disagreed and he was awaiting another trial when killed.

Ulrich asked Shadford Waterhouse, prospective juror, if he would find the defendants guilty whether or not he believed they "had a right to do what they did."

"That isn't the law," Darrow interrupted.

Judge George S. Davis ruled he would settle the question later.

Mrs. Fortescue remained reserved today.

Massie, however, relaxed somewhat from the strain he was under yesterday at the opening of the trial.

The prosecution and defense will continue with their preemptory challenges tomorrow.

Committed For Trial

MONCTON, N. B., April 5.—(By the Canadian Press)—Lyn Marshall, young Montreal magazine salesman, was committed for trial this afternoon on a charge of operating a motor vehicle while intoxicated. A car he was driving last Saturday struck and seriously injured John Anderson, employee in a local railway shop.

Kenneth McKay, Montreal, a companion of Marshall, pleaded not guilty to a charge of drunkenness, and will appear in court tomorrow. Marshall Brunt, Halifax, another occupant of the car, was not held.

THOSE WHO RESIGNED

Members of the Newfoundland executive council, reported to have sent their resignations to Governor House tonight through Sir William Coaker, member without portfolio, are:

Sir Richard A. Squires, Premier and Minister of Justice. Hon. J. Bindon, acting minister of Finance and Customs. Hon. Arthur Barnes, Secretary of State.

Hon. W. W. Halfyard, Minister of Posts and Telegraphs. Hon. S. W. F. Coaker, Hon. Dr. Alexander Campbell, Hon. F. G. Bradley, Sir Tasker Cook, Ministers without portfolio.

Hon. J. Bindon, representing St. Mary's, was appointed acting Minister of Finance on Michael Cashin's resignation. Besides Mr. Cashin, Hon. P. J. Lewis, and Hon. H. M. Mosdell, chairman of the Health Board, had recently severed their connection with the government, through dissatisfaction with tariff provisions of the budget.

COLORFUL CAREER ST. JOHN'S, Nfld., April 5. (By the Canadian Press)—The career of Sir Richard Squires, twice Premier of Newfoundland, has been a colorful one, though no previous period has been quite so active as the last two months, in which he had been the centre of two violent riots—first on February 11, when a mob broke down the executive council door to demand an increase in the unemployment dole, and when Sir Richard was struck in the face, and again today when he escaped from the colonial building through the good offices of men who opposed him politically.

Sir Richard, then 39 years old, became Premier of Newfoundland in 1919, and was returned in 1923, but in that year he resigned following the Hollis-Walker inquiry into charges of administrative irregularities, but in the fall of that year was sent to St. John's as Premier with a majority of 20 members in the house.

His political activities began in 1909, when he was elected for Trinity, representing that constituency until 1913. From 1914 to 1917 he sat in the "upper house" or legislative council. He was Minister of Justice and Attorney General in 1914 and later Colonial Secretary.

Lady Helena Squires, his wife, is also a member of the assembly, having been returned for the district of Lewisporte in a by-election in 1930.

Sir Richard has visited many foreign countries in the interests of Newfoundland trade, and more than once has appeared in Ottawa, when rumors connected his presence with projected sale of Labrador. He has generally insisted, however, that Labrador is not for sale.

Last fall, with Sir Percy Thompson and J. H. Fenson of the British Treasury, whom he had entrusted with the task of rehabilitating Newfoundland's finances, he secured a \$2,000,000 loan from a syndicate of four Canadian banks to meet bond interest.

SALARY CUT At McGILL (Canadian Press) MONTREAL, Que., April 5.—ductions on a sliding scale, ran from 11 to 3 per cent, in the salaries of the professorial, administrative and maintenance staffs of McGill University will be put into force June 1, for as short a period possible, it was announced following a meeting here.

The higher salaries will receive the largest percentage cut. It also announced that student fees will probably be raised in the future.

Salary reductions, which will affect everyone from the principal janitors and groundsmen, were expected to result in a saving of \$85,000 during the coming year.

Woman in the Case A mother-in-law was in the habit of visiting her daughter just enough to make her daughter's husband wish he had married an orphan. One day she arrived and found her daughter in tears.

"What has happened?" she quired. "Has George deserted you? Has he run away?" "Y-yes!" sobbed the wife. "Then there is a woman in case; who is she?" "Y-you!" "Good heavens!" cried the woman. "And to think that I never encouraged him!"

Pay Day For Chi. Teachers (Special to the Guardian) CHICAGO, Ill., April 5.—Chicago's school teachers were getting their first pay today for work they've done in 1932. A payroll of nearly \$2,500,000, the second in cash within the last two weeks, was made possible by the approval bond experts gave the city's agreement to buy some 1931 school board tax anticipation warrants.
