THE ARANMORE'S CARGO—The inward cargo by the S. S. Aranmore from Pictou yesterday included 2 cars tin plate, 1 car empty bags, 1 car oil cake, 2 cars flour, 2 cars sugar, 1 car gasoline engines, 1 car molasses, 1 car wagons, 1 car of marble, 3 autos consigned to Summerside, 1 auto for a local man, and another car brought over by a young lady.

A SPIRITUAL AFFAIR—If the shade of Omar the Tent Maker, were to hover around the railway yard, near the drain, it might think that some thoughtful friend had been lingering in the vicinity. A small crowd gathered around the above-mentioned spot yesterday afternoon and with sighs that were almost groans watched Prosecutor Jenkins and Constable Thomas Davey destroy two kegs of most odiferous beer which they had captured in a raid on a house in Cape Traverse.

PRINCE EDWARD FAIR WEEK—Gladys Clark & Co., in a repertoire of New York's most successful plays opening play "The Law of the Land." George Broadhurst permits no man, however heavily he has dined, to doze at one of his plays. "The Law of the Land" is guaranteed to keep your lord awake and interested. It is a man's play, for so are all plays that have manly men in them. But it is a woman's play, for it asks and answers a question that will move and interest every woman in the land. "The Law of the Land" is a law that chiefly concerns woman. 132-9-19M11.

UNIQUE MUSICAL TREAT—A rare musical treat was served out to the large audience that assembled in the Hertz Memorial Hall last night when the new Edison phonograph, the latest and best music machine so far invented was heard by many for the first time. The charm of this instrument is its perfect imitation of the human voice, all suspicion of mechanism being entirely eliminated. The programme was varied giving the serious, the grave and the comic and demonstrating in a remarkable manner the scope and excellence of the machine. Among the numbers given were "a cradle song" sung by Anna Case; "Humoresque"—a violin solo by Albert Spalding; "I'll take you home again Kathleen," solo by Walter Van Erunt and chorus; "Dixie Medley," "My Ain Country," "Uncle Jack buys an Automobile," screechingly funny, "The Marsellaise," "Oh Where is My Wandering Boy Tonight," and many others equally good and all heartily appreciated. The proceeds were in aid of the Y.M.C.A.

FOR BURNS AND SCALDS—Dr. Thomas' Electric Oil will take the fire out of a burn or scald more rapidly than any other preparation. It should be at hand in every kitchen so that it may be available at any time. There is no preparation required. Just apply the oil to the burn or scald and the pain will abate and in a short time cease altogether.

In the Thrilling Drama of Modern Society

"Unconquered"

How the husband becomes infatuated with another woman and tricks the wife into a compromising situation, secures a divorce and the care of their child, and how the child is finally won back by the mother's offering to sacrifice her own life to a half crazed negro, is presented in a most graphic and unusual manner.

Autumn is The Proper Time to Paint Your Home

In the Fall surfaces are thoroughly dry; the Paint penetrates deeper into the wood, therefore gets a firmer hold on it. Paint cannot be as successfully applied in damp, cloudy weather, as in warm sunny weather; therefore it is an excellent time for painting. A house needs its protecting coat of paint more in the winter months than at any other time. A house in need of painting should never be allowed to go over the winter without this protection.

THE QUALITY AND DURABILITY OF "CROWN AND ANCHOR" IS PROVEN BY YEARS OF SUCCESSFUL MANUFACTURE

Customers of many years standing have demonstrated these facts to their entire satisfaction. You can buy cheaper Paint, but you cannot buy better Paint than "Crown & Anchor." Ask the opinion of those who have used it, and they will tell you that it has a wonderful reputation for spreading farther, wearing longer—and holding its color unchanged.
