and found untold comfort in the healing, soothing, cleansing action of Gin Pills on the Kidneys and the Bladder—that is where the trouble lies. Read what Arnold McAskill, of Nova Scotia says:—"I decided to give Gin Pills a trial. Before I had used one box I began to feel much better, and by the time I had taken two boxes all the pain was gone. I have never had any trouble with my back since." Don't let Kidney or Bladder trouble get its grip on you. Watch for these symptoms—and pains in the joints, swelling of hands or ankles, urinary irregularities, and check the trouble with Gin Pills.

—A SAD JOURNEY.—Mr. Bruce Wright and little son, of Mission City B. C., arrived home on Tuesday evening with the remains of the late Mrs. Wright. The deceased was a lady of mild and genial disposition who was loved by all who came within the circle of her acquaintance, and her death at the early age of thirty-seven years is a severe blow to her relatives and friends. The funeral service which was conducted by Rev. Geo. Ayers Bedeque took place on Thursday afternoon at 2 p. m. from the home of her father, Mr. John R. Cameron, Albany, to the Kirk Cemetery, Cape Traverse. A large concourse of people assembled to pay the last tribute of respect to one who had been loved and respected by all. A great deal of sympathy is felt for the bereaved friends in the loss they have sustained.—N.

—SAFE IN ENGLAND.—Mr. John M. Ready of Nail Pond has received word from his son Gonzales of his safe arrival in England. This young man enlisted early in the war in an infantry corps and has been in several months in a hospital in Quebec suffering from rheumatism. He has since been transferred to the Heavy Artillery and crossed with the detachment which left Canada recently.—Y.

—LOBSTER SEASON.—The date for "setting the lines" has arrived but the ice holds fast and refuse to allow the "monsters of the deep" to be disturbed. Two new lobster packing establishments have been added to the list this year. Dr. J. A. Johnston is opening a large factory at Jude's Point at the head of Tignish Harbour, and the McDonald Brothers of Waterford are adding another to the numerous factories that dot the Waterford shores.—Y.

—"UNCLE RUBE" drew a fairly large and enthusiastic crowd to Tignish Hall Easter Monday night. The comedy was thoroughly enjoyed by all who go to such entertainments to laugh and not to weep. Between the acts solos were rendered by Miss George M'Intyre and Mr. John Buote. Both singers are deservedly popular and received hearty encores. Mr. Maxwell Murphy's readings were much appreciated. A snug sum was realized, half of which goes to the local branch of the St. Vincent de Paul's Society. Perhaps the most enjoyable number on the programme was the dance which took place at the close of the concert. The young people chased the glowing hours, with flying feet until midnight, and then went home, satisfied that they had gotten the worth of their money out of "Uncle Rube."—Y.

—\$100 REWARD \$100 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts on the blood, on the mucous surfaces of the system, thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. —FAREWELL PARTY.—A very pleasant evening was spent at the home of Mr. Thomas B. Bell, Cape Traverse, a few evenings ago, when the young people of that place called "impromptu" to say goodbye to Mr. and Mrs. Bell, who are leaving Cape Traverse to take up their new farm in Victoria, lately owned by Mr. George Clark. Miss George Lord was also an honored guest as it was on the eve of her departure to Brandon, Manitoba. Mr. and Mrs. Bell, and Miss Lord will be greatly missed in the community, as they are all prominent workers in any good cause.—N.

—HORSE NOTES.

The farmers in the vicinity of Kelly's Cross and Maplewood are congratulating Mr. James D. Flood for his enterprise in acquiring by purchase that valuable stock getter owned for the past few years by Mr. Leonard Schurman, Bedeque, viz., Domino, Mr. Flood, no doubt, having had Domino in charge for the past four years, knows what he has, and the farmers in the districts through which he passed in late years know his worth too, and will continue to avail themselves of his services. We wish Mr. Flood success in his new venture. Maplewood not only boasts of one of

## Your Land Needs Our Unmixed Fertilizers

Just as you need food to nourish your body, so that you can do your work properly, so does your land need plant foods, to produce a good crop this year, and rejuvenate the land that was depleted of fertility by cultivations of last year.

And to feed your lands properly—to give it the proper plant foods that are absolutely needed for a good crop this year—you need to apply our UNMIXED fertilizers.

These fertilizers show the scientific, no-waste, method of present day farming. You are absolutely of a better yield, you get crops of a better quality and the land, by their use is put in excellent shape for the next cultivation.

These fertilizers comprise Basic Slag, Nitrate of Soda and Super phosphate, which can be applied singly or in combinations to suit any soil or any crop. No waste, no guess-work. You apply the fertilizers yourself, mix them yourself to suit the crop or the field and leave nothing to guesswork. You are CERTAIN of a better and a bigger crop.

We have a number of different books on forming and fertilizers here that will be interesting to you. Write for them today—they are FREE.
