Later in the afternoon Premier Lea spoke briefly to meetings of the National Council of Women and the Women's Institute of Canada.

E. D. MacPhee, President of the Maritime Provinces Association of Toronto, gave the main address before the Women's Institute of Canada and R. W. E. Burnaby, Maritime Trade Commissioner to Ontario, before the National Council.

Seated at the head table were the following: Sir Robert Falconer, Hon. B. W. LePage, L. A. McLeod, G. Frank Beer, A. J. MacNevin, P. D. Bowlen, A. E. LePage, W. W. MacPhee, R. W. E. Burnaby, H. T. Holman, J. S. Harrington.

PAUL KOLLINS TO GIVE RECITAL

Under the distinguished patronage of His Honor Lt. Governor and Mrs. Heartz, the brilliant character portrayer and reader, Paul Kollins, B.L.I., will give a special and elaborate farewell program in Heartz Memorial Hall, Tuesday evening, Sept. 16th, at 8.15 o'clock.

Literary gems of beauty will be interspersed with rare comedy allusions and tense dramatic renditions. Included in the program will be Norwood's celebrated poem, "Mary" with scenes from "Father and Son" and the powerful drama "White Tapers and Red Wine." 6692-1i

CONSERVATIVE

and there should be a by-election within six months or before Dec 1. In case of a general provincial election it would be well for the party to have its men in the field in every constituency in Queen's County before winter.

In accord with the latter suggestion a resolution was moved by Mr. Lorne Lund and seconded by Mr. James P. Trainor, to the effect that it is expedient that candidates be placed in the field this fall.

Dr. W. J. P. McMillan expressed his pleasure at seeing the harmony existing at the meeting. Messrs. McLure and Myers, before leaving for Ottawa, had requested him to convey their gratitude to the delegates at the meeting, Dr. McMillan stated. Although in power only a month the Bennett Government has already taken decisive action. Russian coal is excluded from the Canadian market, the tariff board, which was acting in defiance to the laws of Canada, has been dissolved. No more aliens are coming into the country to be a charge on provincial, dominion or municipal governments. The criticism aimed at the promises made by Premier Bennett are unworthy of consideration in the opinion of the speaker. Mr. Bennett never promised the Island a portfolio. He promised the Island representation in the cabinet, and representation we have. The Island minister will be able to attend the cabinet meetings, and will be able to look after local needs better than if he had the responsibility of a portfolio on his hands. The portfolio of fisheries went where it should go, to Nova Scotia, the province which has a large proportion of its money invested in the fishing industry. Dr. McMillan paid a tribute to Hon. J. D. Stewart for his part taken in the recent campaign, and in referring to the provincial government said that it is a matter of only a few months till "we will have the whole works" The Maritime rights will be settled by a Canadian Government led by Hon. R. B. Bennett and a provincial government led by Hon. J. D. Stewart.

The result of the election three years ago is costing Prince Edward Island $1,000,000, Dr. McMillan claimed. The Stewart Government never tried to take the inmates out of the jail or out of Falconwood Hospital to vote on election day, Dr. McMillan said, but can the present provincial government say the same, he asked.

2 Track Records Lowered By Cope

Famous Billy Cope, Owned And Driven By Lieut. Col. D. A. MacKinnon Features Saint John Races Tuesday—No Races Yesterday—Rain.

ST. JOHN, Sept. 3—Fast time and close finishes, with new records for the quarter and half mile portions of the racing distance were in evidence at the second day of the Cold brook Park race program yesterday. In the last heat of the 2.18 trot and pace, Billy Cope, flashy horse owned and driven by D. A. MacKinnon, of Charlottetown, P. E. I., stepped the first quarter in 30 seconds, which means that for the first time a two-minute clip was struck on the new track. The half was in 1.05, the fastest first half mile yet made at Coldbrook, while the same horse covered the last half of the second heat in the same time to come only half a second away from the mark set yesterday by Major Aubrey.

Billy had little difficulty in winning all three heats of his event, while Because proved to be easily the best in the 2.25 pace. After taking the first two heats and assuring himself of first money, Captain Kidd, owned by Glennie, of Oxford, and with Holmes at the reins, was forced to bow to Walkie, G. W. Gerow's horse from Fort Fairfield Me., by a nose in the final frame. Gerow had driven his horse in for sixth and fourth places in the first two sessions, each time getting off to a poor start in the big field. But when four horses were distanced in the second heat, he was well up to start the final and Holmes could not quite stave off the great rush down the home stretch.

There were big fields in two of the events, nine starting in the 2.26 trot and seven in the 2.25 pace, while the 2.18 trot and pace had but four to face the starter.

PAID VERY LITTLE

As a rule the pari-mutuel machines paid very little on the bets, although the first heat of the 2.23 trot provided good odds, while when Walkie won his heat the two dollar tickets paid nine dollars. The best obtained on a two dollar ticket was $13.60 for a place on Captain Kidd in the first heat of the trot. A straight ticket on the horse paid $11.60, while those who held Edith Aubrey for place were recompensed by nine dollars for each two dollar investment.

Captain Kidd, considered an outsider by the bettors, went into the lead at the start of the first heat in the trotting event and held an advantage of five lengths on Edith Aubrey at the finish. Only a nose behind the Aubrey horse was Petra Hall, a quarter of a length to the good on Ruth Rose.

Again in the second session Holmes had his charge out in front early, with Edith Aubrey, hanging on close behind for most of the race, but falling back two lengths on the stretch. Ruth Rose finished in third place, Bonnie Bingen, Dame Dillon, Maude Moke and May Cromwell were distanced.

Captain Kidd, Walkie and Edith Aubrey entered the turn in that order in the third frame and these positions were maintained until the final stretch was entered, although the leader was forced to stand off continued threats from the two behind him. As they rounded into the home-stretch Gerow forced his entry to the utmost and managed to get the call of the judges by a hair's breadth. The time was 2.17, the best of any heat in the class.

Because was headed only once in the three heats of the events for pacers, and that was at the start of the first heat, when Chancy Tipton was showing the way. Both Because and Single Todd passed the Saint John entry on the back stretch of the first half and these two continued to lead, with Because being five lengths to the good at the finish. The early leader fell back rapidly and was in last position as he went under the wire.

Because again proved superior in the second heat, taking the lead right at the start and increasing it to three lengths over Single Todd as they finished in this order in the next heat, with about the same margin separating them, while Fenwood Aubrey crept past Directum Abbie in a battle down the stretch with both drivers using their whips freely. By finishing third the Aubrey horse took third money in the class

With Billy Cope in fine form, McKinnon drove him well and in each heat held a comfortable margin. His times in the last two heats were better than the mark which stood as a track record up until Monday by one-half and one-quarter seconds respectively.

ALMOST FULL DISTANCE

Racing to the front at the start, Nowaday Mac led the field for almost the full distance in the first heat, standing off two thrusts by Billy Cope, but McKinnon got a great finish out of his entry, increasing to three lengths at the finish the lead which he took as the horses entered the final stretch.

In the second heat Billy Cope was to the front at the word "Go" and there he stayed, always about two lengths up on Nowaday Mac, By a great finish, Northern Knight replaced Viola Dana as the third place horse.

Nowaday Mac broke badly in the final heat and finished a poor fourth as Billy Cope again won, with Northern Knight second. McKinnon got away with a great burst of speed that carried him to the quarter post in remarkably fast time, but he eased up slightly at the finish as Northern Knight was several lengths to the rear with no chance of passing the Islander.

R. M. Webber, starter, handled the large fields in excellent fashion, there being very few scores in the majority of the heats, the first of the 2.18 trot and pace being the most difficult. In this two of the horses were not getting up properly and the field had to be called back eight times. John O'Neil, Saint John, J. H. DeWitt, Woodstock, and Lewis King, Saint John, were the judges. Dr Fred Johnson, Commissioner LeBaron Wilson, both of Saint John, and George A. Dibblee, Woodstock, were timers, and A. S. Connors, Saint John, secretary.

Barney Strathmore, driven by young Brown, son of Dr. F. N. Brown, of Centreville, N. B., had a spill in the third heat of the first event. Rounding the last turn, the horse collided with another sulky, and was thrown with his driver. The latter was carried from the track, but beyond being stunned temporarily, was otherwise unhurt.

He was able to walk to the judge's stand to report. The horse was uninjured.

Big Time At Union Hall

The committee in charge of the Labor Day Sports met at the Union Hall last evening to award the prizes for the different events. The prizes were well arranged on a large table in front of the president's desk

All competitors who had taken part in the different events gathered together in the Hall. Mr. Ray Pendleton appeared at 8.15 to look after the awarding of the prizes for the open events. It must be understood that Mr. Ray Pendleton was given charge by the L. P. U. Committee of promoting athletic events in this city and the Union wished on that day to promote amateur events. Therefore Mr. Pendleton was present to donate the prizes for the open events. He had all his cups and medals together with other medals, cups and prizes donated by the citizens of Charlottetown for Union events. Mr. Pendleton explained that it was a pleasure to him to be present on this occasion and to have the privilege of awarding those prizes and he expressed words of appreciation to the different boys as they came up to receive their prizes. He thought that they would with practice be eligible for Maritime championships. Special praise was given George Ayers for winning the all round medal and he thought there were still other boys in the province who could make good at Maritime championship meets. He complimented Stan Biggar for winning the shot put. He thought it was a fair throw for a man without much practice in that event. He made special comment on Timmy Ranaghan who is making a comeback in athletics and advised him to keep on training.

Hugh Campbell won the Halifax Herald Cup and also a cup donated by the L. P. U.

One of the open events, the bicycle contest, was one by Hornby. Mr. Pendleton thanked the Union for putting on those events.

Pole Vault.

Mr. Pendleton explained that the pole vault is a tiresome jump, and although our local boys had made a high record on this event, he believed with practice that the young boys of today could go still higher. Before retiring from the meeting he thanked the Union for the great interest taken in the open events.

The splendid cup was then presented to big Captain "Big" McNeill of the tug of war team. The cup was donated by Mr. Jimmie Power. After the presentation several members spoke of the splendid donation. The rest of the Union events were named in order and the winners were awarded their prizes.

The bricklayers and tradesmen of the C. N. R. Hotel were invited to remain in the hall. Cigars were passed, and songs and dances were in order. Messrs. Cameron and Smith expressed their appreciation. The latter gave an exhibition of step-dancing and the former sang a comic song.

It was decided by the L. P. U. to give the bricklayers a dance night within the next ten days. Mr. Al Ryan gave some splendid performances. Mr. D. Coughlin, secretary of the L. P. U., was present to record the proceedings. The president was also present, heartily welcoming all members of the gathering. The function finished before midnight with the singing of Auld Lang Syne, We All Are Jolly Good Fellows, and God Save the King.

Hon. J. D. Stewart may not be premier of the province, Dr. McMillan said, but he is the leader of the House. "I may annoy them, but he keeps them in order."

Premier Lea has recently said that the policy of road gravelling is "economically unsound," thereby acknowledging the very fact that the Conservatives have been trying to pound into his head, the speaker stated.

At the executive meeting the members of the second and third districts decided to hold a joint convention in Charlottetown on or about Oct. 14th., to nominate candidates for the provincial legislature.

THE COMMERCIAL DEPARTMENT
OF
NOTRE DAME ACADEMY

A private educational institution whose highest aim is the molding of character in her students to meet the demands of their future life—will re-open September 8th.

Parents will find here a complete progressive department which meets the highest modern Commercial requirements, preparing students, if they so desire, to pass the Civil Service Examinations. One outstanding feature on this year's curriculum is an intensive course in Secretarial work. Nowhere else on the Island may the advantages of such a Commercial Training be procured at so low a rate of tuition.

To avail themselves of the golden opportunities offered, students should be enrolled at an early a date as possible.

Rev. Mr. Lamont's Farewell Service In Toronto

The press of Toronto referring to the farewell service recently of Rev. D. M. Lamont, in the Bloor Street Reformed Presbyterian Church, says that "the unity extolled in the quaint words of the old metrical psalm, "Behold how good a thing it is, and how becoming well," was unison in the voices that sang them at the farewell service in the Covenanter's Church." From the words of Psalm 122, 6, "pray for the peace of Jerusalem, they shall prosper that love thee," the minister said that "the wrath of man was not an instrument of God; they had had wonderful peace and kindness together, he had Hebrides, where he continued his felt always there that the Lord was fulfilling his word." The reference to the service says: "They have no organ or choir in the Reformed Presbyterian Church in Toronto; nor have they any need of one." "Rev. Mr. Lamont goes from the Reformed Presbyterian Church in Toronto, to be minister of the Presbyterian Church in Dunegan, Glengarry County, Ontario, where they still have the Gaelic." "Born in Prince Edward Island of Hebridean parents Rev. Mr. Lamont has been familiar with the Gaelic speech from childhood." "After graduating from Glasgow University Theological School he remained for some time in the Gaelic studies." "Now he goes to Glengarry County, where he hopes to preach in the Gaelic once again." Mr. Lamont conducted a fortnightly Gaelic service during the two years of his pastorate in the Toronto Church.
