A VERY sudden death took place at Royals, Friday evening about five o'clock in the demise of John P. Bell in the 54th year of his age. The deceased had been in failing health for some time but was thought to be improving. While outside the door he fell to the ground and though medical assistance was hastily summoned he was far beyond the aid of earthly help. There are left to mourn a wife and five children, Frank, Russell, Gerlie, Susie, Alice and Pearl, to all of whom The Guardian extends its sincere sympathy.

A WELL known C.R. fireman who was at Point du Chene the other day seeing a lady friend away on the Northumberland, followed his usual custom in regard to trains and lingered on the boat until she began to move. Then hastily saying farewell he started to go ashore, but discovered that he was being rapidly carried away from his native shore. There was nothing for it but to make the best of the situation and take a trip to P. E. Island. He returned next day, but was a little tardy in fulfilling the errand on which he had been sent when he left his home in Moncton the day previous.—Moncton Times.

Cured Painful Irregularities.

Strong Testimony From a Lady Resident of Clarksburg, Proving That Ferrozone Surpasses All Other Remedies for Diseases Peculiar to Women.

If the thousands of the women who silently suffer from functional derangements were to tell their sad story, it would make a book of countless pages. The health of many women is constantly imperilled through failure of certain organs to work according to nature's requirements. Where this condition occurs there is no safer remedy to employ than Ferrozone which has a specific action in female troubles. Not only does it act directly on the organs, ensuring regularity and freedom from pain, but by forming rich red blood fortifies the system against weakening strains.

Every young girl and woman will find a true friend in Ferrozone. It is a special remedy for their troubles that offers the leading influence of ill health by restoring order and regularity. Ferrozone possesses a volume of merit absent in the ordinary medicine and its superiority is proclaimed by thousands of women it has restored to vigorous health. From Mrs. F. G. Caldwell comes the following endorsement written from her home in Clarksburg. "I went through a most trying experience with what is commonly known as 'female trouble.' It isn't necessary to state my symptoms but I suffered a great deal. My health was well nigh ruined, and I got into such a condition that I could not sleep. I was dreadfully nervous, weak and pale. Different prescriptions were recommended and I tried them, but Ferrozone was the first that I could even sleep. I was formerly ailing, and with a full heart I recommend this good medicine to all other women. No greater blessing ever came to suffering woman than Ferrozone. It deserves a trial because it is the best medicine, tonic and restorer money can buy. Beware of imitations. Don't allow a druggist to palm off anything else for Ferrozone which costs 50 cents per box or six boxes for \$2.50, at druggists, or by mail from The Ferrozone Co., Kingston, Ont.
