

Your Rheumatism

The twists and aches of rheumatic sufferers usually yield to the rich oil-food treatment in

when everything else fails. Besides helping to purify and enrich the blood Scott's strengthens the functions to throw off injurious acids and is especially beneficial during changing seasons. Many doctors themselves take Scott's. You Try It.

The Real "War Bread"

must contain the entire wheat grain—not the white flour center—but every particle of gluten and mineral salts—also the outer bran coat that is so useful in keeping the bowels healthy and active. Shredded Wheat Biscuit is the real "war bread" because it is 100 per cent. whole wheat prepared in a digestible form. Contains no yeast, baking powder, seasoning, or chemicals of any kind. Food conservation begins with Shredded Wheat Biscuit for breakfast and ends with Shredded Wheat Biscuit for supper. Delicious with sliced bananas, berries, or other fruits. Made in Canada.

If You Want

Evidence

That Hemorrhoids, or Piles Can be Completely Cured Read These Letters—Both Are Sworn Statements.

TORONTO, Ont., Dec. 4.—Next to personal experience the sworn statements of reliable people is the strongest evidence obtainable. If you have any doubt that Dr. Chase's Ointment will positively and completely cure piles, these letters should convince you.

Mr. Samuel Parker, fruit grower, Grimsby, Ont., has made the following declaration before Mr. W. W. Kidd, Notary Public of the same place: "I do solemnly declare that I was troubled with bleeding piles and was advised to go to the hospital to have an operation performed. My wife said 'No, get a box of Dr. Chase's Ointment.' I did so and have used it according to directions while living in Manitoba and obtained a complete cure, for I have never been troubled with piles since. I am now seventy years of age and want to recommend Dr. Chase's Ointment to all sufferers from piles. My wife has used it for itching skin and obtained complete cure."

Mr. Donald M. Campbell, Campbell's Mountain, N. S., writes: "I have used Dr. Chase's Ointment with great success for hemorrhoids or piles of fifteen years' standing. After trying all kinds of so-called pile cures three boxes of Dr. Chase's Ointment gave me a complete cure. I have also used Dr. Chase's Kidney-Liver Pills, and there are no others so good. You may use this letter, if you wish, for the benefit of others who may suffer as I did."

Sworn before me, Murdoch Gordon Campbell, J. P., in the County and for Inverness County. If you would like to try Dr. Chase's Ointment at our expense, send a two-cent stamp to pay postage and we shall mail you a sample box free. Full size box 60 cents, at all dealers, or Edmondson, Bates & Co., Limited, Toronto.

FRIGIPEDITS

(By E. H. Nicole) They tell me I should fall in line. As many other boys have done; They say "in khaki, you'd look fine. And fit enough to chase a Hun." But pity me in my sad plight, The reason why I cannot fight (As all my friends have often told) Is that my feet are—oh, so cold!

They say to me "the country's law" Will surely mean your early call To help to win this dreadful war And settle "kultur" once for all. Now why should I be pestered thus Who brought about this awful fuss How can I join the khaki fold "When my poor feet are—oh, so cold?"

"You're qualified to serve," they say, You know it is the country's need, You should not lose a single day, Necessity demands all speed." But there are many men like me Who suffer without sympathy, Who could not fight for untold gold With feet like mine—so very cold.

Now fancy me a soldier man! The boys can do without my aid; They've done all right since war began— But pray don't think that I'm afraid. When thus my fate I now bewail, And tell again the woeful tale, In answer to these questions bold, About my feet that are so cold.

I have not been examined yet By doctors now awaiting me Nor done a thing like some I've met In answer to the law's decree. Were I to join I might get killed Ere my ambitions are fulfilled. So I can't go where now the fight is With these cold feet, this "Frigipeditis!"

British astronomers declare that the earth is gradually slowing down in the time of its revolution around its axis. That the rate is gradual is shown by their calculation that it now takes exactly three seconds longer for the world to turn on its axis than it took a hundred years ago. A writer in "St. Nicholas" comments: "At the rate Shakespeare had nearly three seconds less in his twenty-four hours than has a modern dramatist, William the Conqueror was handicapped by a half minute in keeping up with his descendants. Julius Caesar was a whole minute to the bad."—The Outlook.
