TO THE ELECTORS OF WARD FOUR

At the persistent request of a number of people in Ward 4 I have consented at the eleventh hour to allow myself to be put to nomination as candidate for this Ward and now solicit the support of the electors of Ward Four.

My time being at present occupied with military and other duties, it will be impossible for me to make a personal canvass of the electors and I hereby take this opportunity of asking them to vote for me as an independent candidate.

If elected, I shall do all I can to see that revenue and expenditure meet, that the City obtains the best possible returns for moneys expended and that war economy, consistent with necessity only, be practised in all departments.

Yours respectfully, A. ROSS. 2533-2-7M6L

WARD 2

Ladies and Gentlemen:—Having been nominated as a candidate for councillor for Ward Two I take this opportunity of asking you to give me your support at the forthcoming election.

Should you decide to elect me in this Ward I shall endeavor to fulfill my duties in this important position to the best of my ability.

Yours respectfully, PICTON C. BROWN. 2542.

TO THE ELECTORS OF WARD THREE

Ladies and Gentlemen: At the request of the electors of Ward 3, I am again a candidate for Councillor for this Ward.

During the four years that I have had the honour of being your councillor I have endeavored to do my best for the ward and for the city at large.

As Chairman of the Fire Board, have taken a special interest in the Fire Brigade and the fire apparatus and I feel that my long experience has been of considerable benefit to the Department.

In these trying times I favour the strictest economy consistent with efficiency. At the same time I heartily approve of giving the working man adequate wage and encouraging industries of general benefit to the city.

I therefore, respectfully ask you to give me a continuance of your support and confidence and I will try to the utmost of my ability to merit the same by standing for a clean, progressive and economical civic administration.

Respectfully yours, ROBERT RATTRAY 2537-2-7M6L

CARD To the Electors of Ward Four

Ladies and Gentlemen: In compliance with the request of a large number of citizens we have decided to accept nomination for Councillors at the forthcoming civic election.

Realizing the necessity of economy at this particular juncture in the history of the City and of the world we shall make it our policy, if elected, to restrict expenditures to the lowest possible limit consistent with the vital necessities of the City and shall advocate only such improvements as the welfare of the City, present and future, may suggest.

Owing to the short time at our disposal we shall not be able to visit all the electors and take this means of soliciting your votes and your influence. Should you do us the honor of electing us we promise to use all the influence we shall possess as Councillors to advance the interests of the City by every means in our power.

Respectfully yours, J. D. TAYLOR, B. R. HOLMAN. 6L

To the Electors of Ward Four

In response to many requests from citizens of this Ward, and to the nomination made at the recent civic meeting, we will be candidates in the forthcoming city election.

Among matters which will receive our best attention are the following:—Adoption of such preliminary steps as will insure a municipal lighting plant, Medical and Dental inspection of public schools, inspection of milk and meat supplied for local consumption, modern system of refuse and garbage disposal.

Finances: For the credit of the city the absolute necessity of making revenue and expenditure meet; systematizing tax collection so that amounts due each year may be received.

Permanent Works: During the present critical period it is inadvisable to proceed with any further outlay along this line.

Streets: Some improved methods of repair and cleaning of streets should deserve consideration.

In Short: All matters tending to an efficient administration of civic government will have our fullest support. Thanking you for your support, we are,

J. A. WEBSTER, L. J. YEO, M. D. 2453-2-1M1F.

CARD Ladies and Gentlemen:

Having been requested by a large number of citizens to offer as a candidate at the coming Civic Election for Councillor for Ward Five I take this opportunity of soliciting your support, and in fluence, and if elected will do my best, to see that the streets are kept in better condition, that our firemen receive better remuneration for their services, that a reduction in water rates will be made and that the working man shall receive wages in proportion to the high cost of living, and shall endeavour to work for the best interests of the City in general.

Yours respectfully, GEORGE WHEATLY. 2456.

TO WHOM IT MAY CONCERN Ladies and Gentlemen.

At the forthcoming election, which is to take place on the 13th inst., I offer you my services contesting the district of Ward Five as Councillor.
