TROUBLE WITH CREW.—An effort is being made by E. Cruickshanks of Sydney, the owner of the ancient brigantine Marion C. to have the crew pay a share of the expense of having the steamer Bridgewater tow the little square rigger from Petit de Grat to Halifax last month says a Halifax exchange. It will be recalled the Marion G. on her arrival at Halifax, completed one of the most remarkable voyages on record as to speed. She was about two months running from Prince Edward Island to Madame Island, the captain and crew deeming it unsafe to venture out of sheltering harbors, as they considered the craft's sails were too old to stand the storms then raging along the coast. The owner of the Marion G., now claims the canvas was well able to withstand any strain and feels that as a result of their negligence, the men should take a share in paying the expense of towage to Halifax, but the hands take a different view of the matter. The brigantine is now at DeWolf's wharf.

WEDDING BELLS.—A quiet wedding was solemnized Wednesday afternoon, Jan. 29th, at the home of Rev. A. M. Thompson, Quincy, the officiating minister, of Walter Glover and Miss Evelyn Sarah Watling. The bride was exquisitely gowned in white brocaded satin, trimmed with lace and pearl trimmings cut en train. She wore a picture hat of white brocaded satin and white ostrich trimming and ostrich plumes and carried a bouquet of bridal roses. The groom's present to the bride was an elegant long fur coat. The groom is a well-known Quincy man, highly respected in the community. The bride was born in Charlottetown, P. E. I., but has for some years resided in Quincy and is known by a wide circle of friends. Mr. and Mrs. Glover left on the Fall River Line for New York, thence to Washington and Philadelphia. On their return they will take up their residence in Allston where a home, beautifully furnished, awaits them. The young couple departed for Boston in a taxicab amid the congratulations of friends and showers of confetti. Mrs. Glover was attired in a travelling costume of blue chiffon broadcloth and black velvet hat with black ostrich plumes.—J.

Mr. Dutcher's firm has been installing a hydro-electric plant at Scott Falls, the intake being a weir above the falls, where 1,000 horse-power will be developed for the city of Duncan. In conversation with the Times at the Empress hotel last evening Mr. Dutcher expressed the opinion that electrical energy may be developed there at an extremely low figure per horse-power. The Duncan authorities are expending $50,000 on the plant.—Victoria Times. (Mr. Dutcher is a brother of Miss Grace Dutcher of Charlottetown.)

FRENCH RIVER. — Greenwich School, No. 98, being closed the latter part of December on account of measles there was no public examination held. It was decided to have them in January, so they took place on Friday, the twenty-fourth, at one o'clock p.m. Twenty-four or five of the parents, sisters and brothers of the scholars meet in the school-room and the scholars were examined by their teacher and others. The examinations being over Stanley Bernard was called to the chair and the scholars entertained the visitors with recitations, dialogues, etc., which was well rendered. This part of the program being over, Vera McGregor read an address and L. Cole presented the teacher Miss Hanna Moore with a plush covered ladies' sewing companion. Although taken by surprise Miss Moore thanked the scholars for the kind words embodied in the address and for their thoughtfulness in giving her such a remembrance. The scholars were then treated to confectionery by their teacher after which all wended their way home well pleased with their teacher and the way the school was progressing.
