They Hit Spot.

The Seat of Women's Troubles.

When you get all run-down, feel tired and out of sorts, it is pretty hard to tell just what part of your peculiar organism is going wrong, isn't it? That is why you can take so much medicine and still have it do you so little good.

It doesn't hit the right spot, that is, it doesn't reach the organ or organs that are going wrong.

But supposing you could get a remedy that contains ingredients for every organ of your system, and especially those peculiar to your sex, you wouldn't need, then, to know just what is the matter with you, or just what organ is causing the trouble, would you?

Certainly not, because no matter which organ or organs it might be, they would be reached by some one of the many ingredients of the medicine, and would be restored to a normal condition. And then you would be well again.

And do you know there IS one just such remedy? It is

Dr. Hugo's Health Tablets for Women.

Dr. Hugo's remedy contains something for every organ of the female system; something for the stomach to help indigestion—for the bowels to cure constipation—for the nervous system to tone up the nerves—for the liver and kidneys to make them active in carrying off impurities—something for the uterine system to stop all drains, allay inflammation and make women regular.

If there is anything wrong with you—if you don't feel as well as you used to—these tablets will give you the old time life and vigor.

Don't wait till something serious develops. Take them now.

WE KNOW WE ARE RIGHT

When we say that Solution of Ozone (the coupon kind) will positively cure all germ diseases if taken in connection with the tonic laxative, Celery King. We know we are right because we have received thousands of testimonials from grateful people who have suffered for years and found no relief until they began using these two wonderful preparations. If you are troubled by any germ disease such as Rheumatism, Kidney trouble, Eczema, Malaria, or any kind of Summer Complaint, you should not delay in buying a bottle of Ozone (the coupon kind). Take it with the Celery King—which does not cost you anything—and your disease will soon leave you.

The novelties we have just opened in mounted side combs and back combs are most attractive. We the Directors of the P. E. Island Agricultural Mutual Fire Insurance Company, have much pleasure in presenting to our Policy holders the Twentieth Annual Statement. Although our losses during the year have been heavy amounting to $5,360.74 yet our increase in business has been correspondingly large. So that we are able to report a surplus on our years transactions of $412.75. The year just closed has witnessed the largest volume of business in our History, having taken 1217 new policies and renewals representing about one million dollars Insurance. It will be interesting for you to know that out of 75 Mutual Insurance Companies doing business in Canada, the P. E. I. Agricultural Mutual stands fourth on the list. This is a position that every Policy Holder should be proud of and with the co-operation of all friends of our Company we trust in the near future to occupy a still higher position.

A Woman's Kidneys

What Doctors Notice and What They Don't.

Disease in the kidneys is one of the last ailments for which a doctor looks when treating women. This is a great mistake.

Women are very prone to kidney trouble and in fact many physicians attribute a woman's langour and ill health to a derangement of the genital organs, when it's simply plain kidney disease, and nothing else.

Many so supposed female complaints are either kidney or bladder disease.

Sick kidneys of course make associate organs sick also.

The result is back pains, bearing down sensations, utter weariness and headache.

But Dr. Hamilton's Pills go right to the spot.

They put life into the kidney that make a worn out woman feel like new.

Indirectly the blood and nervous centres are assisted by Dr Hamilton's Pills, and the result is a proper performance of the function and a painless fulfilment of nature's command.

Thus it is that a woman can gain much happiness and abundant good health by the regular use of Dr. Hamilton's Pills.

From her home near Portland, Ont., Mrs. A. B. Coburn writes:

"For two years past I have been sickly and weak. My color was dull and sallow, and I felt exhausted and weary, as if all my strength were being eaten up with some hidden trouble. I heard of Dr. Hamilton's Pills and decided to use them. The change in a few days was surprising. They regulated my kidneys and bowels and cured all my suffering; to-day I am perfectly well.

You can rely on Dr. Hamilton's Pills with implicit confidence; their effect is wonderful. Sold by all dealers. Price 25c. per box, five boxes for $1.00, or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
