### Cornwall District W. I. Convention

The eleventh annual district convention of the Cornwall District Women's Institute was held at the River, Kingston, New Haven, Bonshaw, St. Catharines, Long Creek, New Dominion, Fairview and Ringwood, met on August 4th in Cornwall hall with a good attendance of members and visitors.

With the president, Mrs. Geddie MacLeod, presiding the afternoon session opened by singing the Ode and reading the Creed. An address of welcome was very cordially extended by Mrs. Hazen Howard and graciously responded to by Mrs. Hector Currie.

The president in her remarks spoke of the great value the district conventions were, in bringing us together not only to discuss ways and means of trying to better the conditions of country life and thus upholding our motto "For Home and Country" but also for the strong feeling of fellowship and sociability which exists when we meet. She also welcomed our new supervisor, Mrs. Mary McDonald who was meeting with us for the first time.

After the reading of last year's minutes, roll call and reports of the following committees were appointed: The Finance Committee, Mrs. MacMillan, Mrs. John MacMillan, Mrs. Chas. MacMillan, Mrs. Hector Currie, Resolution, Mrs. Wesley Bell, Mrs. Allison MacMillan and Mrs. Lemuel Drake.

A paper from Dr. Freeman on the program of the W. I. League work was read by Mrs. George Carson. The girls of Cornwall Sewing Club, presented a playlet entitled "Maid over Saddle" which was well done and enjoyed by all. An interesting display and demonstration on stenciling was given by Miss Donald showing how a very plain article may be brightened up and made more decorative by a little touch of color at a very small cost.

Mrs. Allison MacMillan in her usual pleasing manner gave a splendid talk on sanitation a subject which is very applicable in rural districts.

The feasibility of this district convention furnishing a room at the new home at the Sanatorium was suggested, but it was decided that each Institute take the matter up at their local meeting, and report.

The question box was opened and answered by Miss MacDonald. The following officers were appointed for the year: President, Mrs. MacPhail, Vice Pres., Mrs. Malcolm MacSwain, Secretary, Mrs. Geo MacMillan, Delegate to Annual Convention, Mrs. Wesley Bell, substitute, Mrs. Dan Darrach.

The resolution committee for this year, Mrs. W. Bell, Mrs. Jas Cavanagh and Mrs. M. McSwain brought in the following resolutions:—Whereas the integrity of a nation depends on the physical and mental standards of the coming generation, and whereas the importance of the teacher's work cannot be over estimated in the latter regard and whereas the Government of P. E. I. is anticipating the raising of the efficiency of the teachers, and whereas the Women's Institute co-operate with the P. E. I. teacher's Federation in their effort to obtain higher pay.

Why the expense of even a high school education is so far out of the reach of the average farmer's children, and whereas owing to frequent changes the bills of text books is a heavy one, be it resolved that representatives be sent to the Dept. of Education to be asked that the price of text books be made as low as possible. The resolutions were adopted.

After North River W. I. extended an invitation to the convention to meet with them in 1939 the afternoon session closed for lunch at the home of Mrs. R. Kind sympathy from many friends is extended to all in their sad and sudden bereavement.

A most enjoyable Ice Cream Social was held in Sea View Hall on Thursday evening under the auspices of the Skating Rink. ### Sea View and Vicinity

The farmers have at last completed their haymaking and although it proved to be a long season yet all report more than an average crop.

The hall in Sea View was well filled on Thursday evening with an orderly and appreciative audience to hear the famous radio artists the Doucette family, who gave a most interesting and enjoyable entertainment. Mr. Arthur Stewart capably presided and introduced the performers who all contributed in the order given below:

Entire cast: Old Time Numbers: Two Little Sweethearts, Gordon Doucette; Blue Velvet Band, Francis Doucette; old time numbers, instrumental music, She's My Curly Headed Baby, Mildred Doucette; bagpipe number: Swiss Moonlight Lullaby, Robert Doucette; My Cowboy's Mother, Mary Doucette; tap dance, Lloyd Gallant; trio, by Messrs. Doucette. Each number was heartily enjoyed and the loud and long applause told of the appreciation of the audience. The National Anthem brought this entertainment to a close. Those Artists were presented by invitation from the Skating Rink committee. A splendid sum was realized.

A large number attended the Field Day which was held in Long River on Thursday afternoon at the farm residence of Mr. William Johnson. It was a beautiful afternoon and all the many who were present greatly enjoyed the interesting and useful addresses given by the different representatives for the many features in farming, dairying, fox ranching and the care of poultry. Many helpful suggestions were emphasized, which should be a benefit to all interested. Tea tables were set on the spacious lawn adjoining and laden with all the good eats provided by the ladies of the Long River United Church. The tables were well patronized by guests from far and near and a neat sum was realized from the proceeds.

A most pleasant afternoon was spent at the beach at Sea View on Wednesday afternoon when the people of that place gathered for a community picnic. The day was ideal and many availed themselves of the pleasure of a dip in the ocean while the other people spent a social hour together enjoying the sea breezes. A bountiful tea was served by the ladies in charge, to which all did ample justice. After tea, sports were held on the beach and prizes were awarded to the winners in the different races and were presented by Mr. James R. Murphy. All then departed to their homes feeling they had certainly had a good time.

The people of this and surrounding communities were indeed sorry to learn of the sudden passing of George Champion at Malpeque, where he had been residing for some time. The late Mr. Champion was 54 years of age and had been in failing health and under the doctor's care for some time, but he was able to be about his ordinary duties as usual up to the morning of August 3rd when he suddenly passed away to that home from which no traveller returns. The funeral service was held from the Kelt Memorial Presbyterian Church on Thursday afternoon and was very largely attended. Friends from far and near were in attendance. Rev. Mr. Rhoad conducted the service and spoke many comforting words to the bereaved. In closing he reminded all of the brevity of life—we are here today and gone tomorrow. At the close of the service the remains were taken to the family cemetery in the family plot there. Kind sympathy from many friends is extended to all in their sad and sudden bereavement.

After the roll call and minutes by the secretary, Mrs. John MacNutt, the usual business discussion followed and satisfactory reports from the various committees were heard. An interesting program was enjoyed by all. At the close of the meeting dainty refreshments were served by the hostess assisted by Mrs. Frank McKay, and a social hour followed.

### Belfast And Vicinity

Haying is almost completed in these parts with crop not as heavy as last year. Grain on the whole looks very well. The heavy rain on Sunday flattened some of the heaviest but it is hoped that it will come back looking as well as before. Potatoes also suffered in the same way. The early gardens are producing particularly well this year.

Belfast was well represented at the Young Peoples' Rally at Wood Island last week. Mr. Reginald MacLean one of the Belfast Young

People presided at the different meetings.

Work is going on at Wood Islands in preparation for the Car Ferry. Mr. O. R. Brazeau, of Toronto, is in charge. Mrs. Brazeau and two sons are accompanying them.

The Belfast tea in church given recently was largely attended where many old friendships were renewed and new ones formed.

Dr. A. S. MacMillan, of Boston, Mass., is expected this week to join his family who are spending the summer at "Seal Call Camp" Pinette.

A large number from the Belfast district were successful in writing Entrance Exams at Prince of Wales College this year where they are planning to enter this fall.

The Institute Convention at Vernon was largely attended this year. Mrs. Wilfred Furness was President. Two very interesting numbers of the afternoon session was a paper on "Child Training" by Miss Beer, of the Protestant Orphanage and an address on "Poetry" by Miss Alfreda Melish of Boston, who with her sister is summering at Waterside Pownall.

A large number of tourists from U. S. A. and elsewhere are at present visiting friends in Belfast and vicinity and as usual are loud in their phrases of our "fair Isle."
