

CATARRH TRUTH

Told In a Simple Way

No Apparatus, Inhalers, Salves, Lotions, Harmful Drugs, Smoke or Electricity.

HEALS DAY AND NIGHT.

It is a new way. It is something absolutely different. No lotions, sprays or sticky smelling salves or creams. No atomizer or any apparatus of any kind. Nothing to smoke or inhale. No steaming or rubbing or injections. No electricity or vibration or massage. No powder; no plasters; no keeping in the house. Nothing of that kind at all. Something new and

different, something delightful and healthy, something instantly successful. You do not have to wait, and linger and pay out a lot of money. You can stop it over night—and I will gladly tell you how—FREE. I am not a doctor and this is not a so-called doctor's prescription—but I am cured and my friends are cured, and you can be cured. Your suffering will stop at once like magic.

I AM FREE—YOU CAN BE FREE.

My catarrh was filthy and loathsome. It made me ill. It dulled my mind. It undermined my health, and was weakening my will. The hawking, coughing, spitting made me obnoxious to all, and my foul breath and disgusted habits made even my loved ones avoid me secretly. My delight in life was dulled and my faculties impaired. I knew that in time it would bring me to an untimely grave, because every moment of the day and night it was slowly yet surely sapping my vitality.

But I found a cure, and I am ready to tell you about it FREE. Write me promptly.

RISK JUST ONE CENT.

Send no money. Just your name and address on a postal card. Say: "Dear Sam Katz: Please tell me how you cured your catarrh and how I can cure mine." That's all you need to say. I will understand and I will write to you with complete information. FREE at once. Do not delay. Send postal card or write me a letter today. Don't think of turning this page until you have asked for this wonderful treatment that can do for you what it has done for me.

A LOGICAL DYSPEPSIA TREATMENT

IMPORTANCE OF ELIMINATING ACIDITY AND FOOD FERMENTATION

During the past two or three years reports have frequently appeared in the Press concerning the remarkable value of bisurated magnesia as an antacid; and its ability to promote normal, healthy digestion by preventing food fermentation and neutralizing dangerous stomach acid has often been demonstrated. Until recently druggists could supply bisurated magnesia in powder form only, from one to two teaspoonfuls of which, taken in a little water after meals almost instantly stops all fermentation and neutralizes acid, suffers from stomach trouble will be glad to learn that, after a long series of experiments, a leading firm of manufacturing druggists has now succeeded in producing a 5 grain tablet which combines all the valuable antacid properties of the ordinary bisurated magnesia in a very convenient form. This new tablet of bisurated magnesia can now be obtained of druggists everywhere and many physicians are already prescribing them instead of the powder form.

CLEVER ATHLETE.—A Kingston exchange says, A Paoli, goalkeeper of the Queen's second hockey team and well known in other lines of sporting activity at the Kingston University, has been selected as Rhodes scholar for Prince Edward Island for 1915. Paoli has taken high rank as a scholar at Queen's, being also a member of the staff of the Queen's Journal. Paoli is a member of the Fifth Company, Canadian Engineers, and will probably leave for the front with it during the summer.

WEDDING BELLS.—The home of Mrs. Alfred Phillips, Arlington, Lot 14 was the scene of a quiet wedding on Tuesday last at eleven o'clock when his daughter Mildred E. was united in marriage to Mr. George T. Pickering of Summerside. The Rev. Thomas A. Wilson, Pastor of Tyne Valley Presbyterian Church, performed the ceremony in the presence of only the immediate relatives and friends of the bride. The couple were unattended. After the ceremony the bride and groom and invited guests partook of the wedding dinner and when this was over a few hours were happily spent at Queen's, which the young couple left for their new home. Miss Phillips was one of the most popular young ladies of Arlington and her many friends while regretting her departure from the community wish her every happiness in her new home. Mr. Pickering, who is a prosperous and progressive farmer is to be congratulated on having made such a good choice for his partner in life. Those who witnessed the marriage ceremony outside of the friends were Rev. J. S. and Mrs. McKay, Mr. and Mrs. James Millar and Mr. George Gordon. The Guardian joins in all good wishes to Mr. and Mrs. Pickering for a happy married life.—P.

MT. STEWART.—Private Everett Williams, Mt. Stewart, who was home from St. John on leave of absence for a few days, to see his parents. Mr. Williams is undergoing training as a driver on a supply wagon. Many friends in Mt. Stewart read with interest the excellent letter of a former teacher of this place, Mr. Peter Hughes, of Millville, now in Northern France, likely within sound of the enemy's guns. The young people of Mt. Stewart are taking advantage of the good skating on the river. Mr. C. McLeod is coaching the boys in hockey and likely will soon have a stalwart septette ready to take the field against some of the progressive neighbors. Mrs. J. McIntyre, of Mt. Stewart, who has been very ill for the past two weeks, is, we regret to learn, not much improved.—L.

SEED FAIRS.—The Seed Fair at Murray Harbour yesterday was a success in every particular. The number of exhibits was larger and better than ever before. The attendance crowded the spacious hall. Judging began at 11 o'clock and was concluded at one o'clock. The chief exhibitors were Messrs. Watson, Bell, W. H. Hugh, C. L. Senebaugh, Edgar Giddings and Daniel Bull. The educational meeting opened at 1.30 p.m. with the Vice-President, Mr. Edgar Giddings, in the chair. The first speaker was the Hon. Murdoch McKinnon, Commissioner of Agriculture, who congratulated the people on their exhibits and spoke at considerable length on the benefit of co-operation, and told of the improvements that were being made in the educational system. He also spoke of the assistance the Federal Government was giving to horse breeding. The next speaker was the Rev. J. C. Martin, of Carleton Place. He gave an excellent address on Patriotism and Production. He was followed by Rev. A. B. McNeill and Rev. A. W. McCutcheon. Other speakers were Prof. Ross, Messrs. A. L. Fraser, ex-M.P., Richard Creed, Hector Gillis and others. The Fair was a success in every way and augurs well for the Seed Fairs this year. The next one will be held at Souris on Friday, and the following week the Provincial Fair will be held in Summerside.

Facts for Health Seekers to Ponder Over

Nearly every disease can be traced to clogged or inactive stomachs, livers or intestines. Indigestion, biliousness, headaches, and insomnia all emanate from this cause. HAND INJURED.—Mr. John F. Arsenault, Urbain Ville, while loading wood the other day, received an injury to his left hand, which, though not very serious, causes him considerable annoyance.—M.

AN APPOINTMENT.—Mr. Cyrus Gallant, of the firm of S. E. Gallant, has been appointed secretary for the Egmont Bay and Mt. Carmel Dairymen's Association. Mr. Gallant, a former secretary of S. E. Gallant had always given perfect satisfaction, and it was only after some difficulty that he could prevail on the Directors to accept his resignation. Under the new secretary, no doubt, good satisfaction is anticipated.—M.

FRIDAY

AGRICULTURAL CONFERENCE.—An Agricultural Conference will be held at Kingston, P. E. I., on Saturday, February 27th, which will be addressed by Prof. Theodore Ross and Mr. Richard Creed. Everyone interested is invited to be present.

FUNERAL YESTERDAY.—The funeral of the late Mrs. John D. McMillan took place from her late residence Richmond street, yesterday afternoon to the Railway station, thence by train to Sherwood. Rev. G. C. Taylor, pastor of Zion Church, officiated. The attendance was large and there was an exceptionally large number of beautiful floral tributes. The pall-bearers were: Messrs. John McLaren, J. T. McKenzie, T. Coleman, W. B. Robertson, A. McKinnon, D. A. Bruce.

MARRIED AT BUTTE.—The marriage of Miss Catherine McDonald, daughter of the late Mr. Neil McDonald, Rosebery, P. E. I., to Mr. Hector McDonald, son of the late Mr. A. McDonald, Kinross, P. E. I., was solemnized at Butte City, Montana, by the Rev. E. J. Groeneveld. The ceremony was witnessed by only a few relatives and friends, who extended felicitations to the happy couple. Mr. and Mrs. McDonald have taken up their residence at 420 South Dakota street, Butte, where they will make their future home.

VALUABLE PURCHASE.—Last week, Mr. Harry Tweedy purchased from Mr. J. M. Gardhouse, Weston, Ont., a thoroughbred Shorthorn cow and calf. The cow is very large, roan color, and a splendid type of this most excellent breed of cattle. The calf, which is red, is a beauty; and Mr. Tweedy is to be congratulated on securing two such splendid animals.

CHARLOTTETOWN HOSPITAL

The following excellent showing made by the Charlottetown Hospital for the past year speaks for itself. Patients admitted 448, non-paying, 81. Medical attendance 190, surgical, 10. Attendance 258, cured, 236, improved 73, incurable 17, not treated 21, deaths, 11.

OATS STOLEN.—Prof. S. A. Rockford had the misfortune of losing a quantity of oats at the hands of some sneak thief who gained admission to his granary last week. It is rumored that a certain party is suspected, and everyone here is awaiting the outcome of it all. For it is the wish of all farmers in this section of the county that a just punishment be meted out to the guilty person.—Z.

RECENT DEATHS.—Pascal Perry, a well-known farmer of Pig Brook Settlement, died Wednesday after a short sickness, which did not show any danger until a few hours previous to his demise. At the time of his death his family and that of his son, John, living on a farm adjoining, were all under medical treatment for a form of mild fever, which has caused some apprehension in the neighbourhood as to its contagious effect, although the attending physicians have held all the while that such was not the case. His funeral will be held Friday.—Z.

ACKNOWLEDGMENT FROM FRANCE.—Mr. Henry Grattan Noonan placed his address in one of the bags of oats contributed by his father, Mr. Joseph Noonan, Albany, and the other day received a letter from "Private J. Matthews, 24th Brigade, 6th Division, France," praising the quality of the oats, expressing his thanks for the same and gratefully acknowledging the good wishes of the sender. He concludes his letter thus: "Well, the war is steadily going on, all in our favor, but we are hoping for it to finish soon."

RED POINT ITEMS.—Mr. McAkhill representing J. E. Morse & Co., Halifax, was east recently in the interest of his firm. His many eastern friends were pleased to have a visit from Mr. James Nolan, Chestport. Time has dealt kindly with him and his enthusiasm and enterprise are as unbounded as ever.—Messrs. Arthur Robertson and William Ford paid a short visit to Souris recently.—Mr. Edward Muttart, the son of the esteemed fellow citizen, Mr. Freeman Muttart, has left for training for overseas service. The best wishes of his old neighbors go out to him and to Harvie Stewart, now at Fredericton, N. B., preparing for the front.—Mrs. Walker has arrived at her old home at North Lake after a visit to her husband Walter Walker at Halifax, a volunteer for active service who is daily expecting a call to the front.—Mr. Elmer Fraser is preparing to build a barn on his farm at South Lake.—Messrs. Stanley and Percy Stewart are spending the winter with their mother, Mrs. Margaret Stewart, Red Point. Mr. Fred Stillman is the proud owner of a superior set of tools made by the well known McLean firm. Day in and day out the said firm are turning out work of all descriptions in wood, and iron in a most workmanship manner.

SALVATION ARMY.—On Sunday afternoon, February 28th, at Elliot's Hall, there will be a Salvation Army meeting. On Monday night, March 1st, at Afton Hall, West River, a special meeting introducing musical talent, etc., will be given, weather permitting.

ONE SICKNESS TO ANOTHER.—Mr. John N. Perry, son of Mr. Narcisse L. Perry, of Peterville, is again under medical attention at home for diabetes. This young man recently underwent an operation for appendicitis in the Prince County Hospital at Summerside.—Z.

FROM BOSTON comes the sad news, by telegram, of the death of Jerome Richard of this place on the 1st. From information gathered the deceased died from kidney trouble. He was a well-known steward in the leading clubs and hotels of Boston, and took sick while working for the St. Botolph Club there. His widow at the time of his death was living in Tignish and as she felt indisposed to undertake a trip to Boston to get the body, delegated her nephew, Frank Richard, to go and attend to the removal of his remains here to be buried sometime next week.—Z.

AWKWARD FLIGHT.—To be three hours actually lost in dense woods was the fate of Mr. and Mrs. C. F. Morrisey, of Tignish, on their way to Mimmishash Sunday afternoon. Having an appointment for dinner with Mr. Wm. Callaghan's family of that place, they left Tignish in time, if nothing would have marred their trip, to join the family at dinner Sunday noon, but when the Thompson Road was reached they decided to save about five miles by going round the King's Road and make a short cut through the woods, which in that part of the county are thick and cover thousands of acres. At first they started over a beaten track made by wood haulers, and when they had gone about a mile or two they found that they had taken other wood roads and then the trouble started. Throughout this dense forest farmers during the last month have hauled a great deal of wood, causing many slight tracks to be made, and to strike the right path to take one out of the

FRECKLES

February and March Bring Out Unpleasantly Spots. How to Remove Easy.

The woman with tender skin dreads February and March because they are likely to cover her face with ugly freckles. No matter how thick her veil the sun and winds have a strong tendency to make her freckle. Fortunately for her peace of mind, the recent discovery of a new prescription, othine—double strength, makes it possible for even those most susceptible to freckles to keep their skin clear and white. No matter how stubborn a case of freckles you have, the double strength othine should remove them. Get an ounce from your druggist and banish the freckles. Money back if it fails.

Use Less Shortening with BEAVER FLOUR

YOU don't need so much shortening for Pies, Doughnuts, Layer Cake and Fancy Pastry, when you use "Beaver" Flour. It's BLENDED.

YOU see, it's this way. Ontario wheat makes what is usually known as "pastry flour". It has the delicacy of flavor—the fine, even texture—the whiteness and lightness—that a flour must have, to make good Pie and Cake.

PURELY western wheat flours don't make good pastry—they are too "strong", too heavy. Even Bread, made of purely western wheat flour, is tough, full of holes, and uninviting in appearance and flavor.

"BEAVER" Flour is the ORIGINAL BLENDED FLOUR—in fact, it is the only SCIENTIFICALLY BLENDED flour on the market.

"BEAVER" Flour is always the same in strength and quality—you know just how much to use for all kinds of baking—and you may rely on it to give the best result EVERY TIME.

ASK your grocer—he knows all about "Beaver", the original blended flour.
