THE DECREE GOES FORTH

After due consideration we have decided to make a change in our business—a change which we believe will be mutually beneficial to ourselves and customers. After January 31 we shall undertake to do a strictly cash business—that is, all parcels must be paid for on delivery. We have decided on this course because we believe it is the most satisfactory way of doing business and because we have an endless amount of trouble and work looking after so many small accounts. If we continue in the old way we shall be obliged to increase our office staff, this materially increasing our expenses, which added to the present increase in the price of coal and other supplies would necessitate an increase in our prices. This we wish to avoid. Our business is unlike most others from the fact that all weekly amounts due us are small, hence the necessity of receiving them all promptly. Many of our customers have already expressed their approval of the change and we hope they and many others may show it by their co-operation. We take this opportunity of thanking our many customers for past patronage, especially those who have always paid on delivery. We begin another year's business in the new century with the above change, and are convinced it is a move forward.

SUM'SIDE AND WEST

The Latest News From Prince County.

BURNS' concert this week—next Friday night.

MAYOR Campbell leaves to-day for Halifax on a business trip.

CITIZENS should remember the meeting in Market Hall to-night. Matters pertaining to the election of Water Commissioners will be discussed.

MR. W. B. BOWNESS, who returned home a few days ago from a trip to New Brunswick, was while there obliged to be vaccinated before leaving the country.

The Maritime Merchant, Halifax says: Fidele J. Bernard, tailor, has opened business at Tignish, P. E. I. Miss Malone, millinery, has opened business at Tignish, P. E. I.

The Waragraph entertainment in Market Hall, Friday evening was largely attended, despite the other attractions in the town, as was the matinee on Saturday afternoon. The entertainment on Saturday evening also brought a good audience, all of which were heartily enjoyed.

It was nearly five o'clock when the boys arrived home on Saturday morning from the Hockey Match at Charlottetown. The train was nearly four hours coming up and besides the long delay on the way the passengers complained of cold cars. There are probably just reasons for the trouble and when another special carries our sports to and from Charlottetown there will no doubt be more comfortable and satisfactory arrangements.

The dedication of the new Foresters' hall took place on Friday evening and was a very successful and enjoyable affair, notwithstanding the many counter attractions and disagreeable weather. C. R. Bro. A. L. Anderson presided. A very entertaining program was rendered which consisted of an address on Forestry by H. C. R. Dr. Toombs, Charlottetown, an address by Capt. Joseph Reid, M. L. A. and solos by Mr. F. H. Lund and Miss Pridham. Miss Lucy Glover played the accompaniments on the organ. Dr. Toombs performed the dedicating ceremony, after which coffee and cake were partaken of. The new hall has already been described in this column and it will be sufficient to add here that those who saw it for the first time on Friday evening viewed it with admiration and all speak of it as a comfortable and handsome Foresters' home.

ATTACK of Royal Canadians at Paardeberg.

The present is a time when war pictures are in greater demand than ever. The conduct of the British soldiers on the battlefield has won THE PLAUDITS of admiring nations. We have at great expense published four large, beautiful pictures, size 20x24, on heavy superior calendered paper. A picture that will commend itself and a THRILL to the heart of every TRUE Canadian is the one called ATTACK OF ROYAL CANADIANS AT PAARDEBERG. There are literally hundreds of figures on this picture the mountains or kopjes stretching out in the distance are swarming with men, while here and there a prostrate figure speak only too well of the Boer rifleman. It was on this battlefield the gallant Major Arnold met death unflinchingly. Indeed it is only too true that many of those gallant hearts that beat so high when the CHEERING THOUSANDS bade them GODSPEED as they sailed from Canada's shores now lie still forever in lonely graves on the other side of the world under African skies. TO EVERY CANADIAN HEART, to every CANADIAN HOME, the deeds of their brave soldier boys speak with an irresistible THRILL OF PATRIOTISM AND PRIDE. GORDON HIGHLANDERS AT THE BATTLE OF BELMONT, CHARGING THE BOER GUNS AT HANDELAAGTE, AND THE CHARGE OF GEN. PRENOR'S CAVALRY ON THE RETREATING GEN. CRONJE'S ARMY. These are all stirring pictures and cannot fail to commend themselves to any one who will examine them. They are RED HOT SELLERS! Agents coin money. Big profits! Earnings success. One Agent sold 68 in one day. Sample and terms 25 cts. (none free); four for 80 cts.; \$1.75 per doz.; 25 for \$3.25; 50 for \$6.00; 100 for \$11.00. Write to-day for a dozen and make money.
