AUTEUIL, France, July 23.—(A.P.)—England routed America's Davis Cup tennis forces today in another smashing display of singles power that sent the Britons into the challenge round against France and left the American champion, Ellsworth Vines, face down in the red dust of Roland Garros Stadium, a victim of nervous exhaustion.

Henry Wilfred (Bunny) Austin, slightly-built English ace, had definitely clinched the series with a hard-earned triumph over Wilmer Allison, 6-2, 7-9, 6-3, 6-4 but Vines' collapse in the fifth set of his match with Fred Perry furnished a dramatic windup for the biggest crowd that ever saw the interzone finals at Auteuil.

U. S. Star Collapses

Troubled by an injured ankle, Vines had waged a game fight against Perry for four sets in a match that could have no bearing on the series result, but was trailing 6-7 in the final set. As he prepared to serve set point with the score 15-40 against him in the 14th game, the tall Pasadena star suddenly fainted, fell prone to the court, his long arms stretched out full length in the dust. Officials carried him to the clubhouse where he was revived in a few minutes.

Perry was awarded the victory, 1-6, 6-0, 4-6, 7-5, 7-8 default, thus giving England the series, four matches to one, and qualifying the Britons to battle France in the challenge round here Friday, Saturday and Sunday.

This came to a dismal end America's high hopes of regaining the Davis Cup France has held continuously since 1927. Out of the five-match series the Americans saved only the doubles where George Lott and John Van Ryn trounced Perry and George Patrick Hughes Saturday in straight sets, 8-6, 6-4, 6-1.

STARS PRACTICE

Practice for the Stars, City League ball team, is called for 6.15 this evening in view of the Falcon-Star tilt tomorrow night.

THE DAVIS CUP

Ellsworth Vines, highly rated United States tennis star, yesterday met defeat at the hands of "Bunny" Austin when the English team won their way through to the challenge round. The great "Bunny" rose to the heights to turn back for the second time in the series the languid Yankee. Vines was the American big ace in singles. His guns were spiked effectively by the crafty Englishman who played one of his superb games. Vines box office value in a pro way will dwindle now. He won't be spurning those fifty thousand dollar offers with a carefree nod, when he opens his next mail. Vines has lost considerable of his prestige on this t.N.V. Old Bill Tilden was right again. The Americans didn't have such a cakewalk as expected. They might have profited by his offer to practice with them. The British team now meets the French aspirants in the Davis Cup final.

25 YEAR OLD YOUTH WINS KING'S PRIZE

Nottingham University Student Takes Highest Honors - Canadian Third.

BISLEY CAMP, England, July 23.—(C. P. Cable)—To youthful cadet-officer Woods of Nottingham University's O. T. C., a 25-year-old chemistry student, Saturday came the highest honor for marksmanship the Empire has to offer—His Majesty's the King's Prize.

Woods scored a total of 287 out of a possible 300 points in the gruelling 70th renewal of the greatest event at the big Imperial meeting of the National Rifle Association to win the prize of \$1,250 and the N. R. A. gold cross and badge.

Canadian Team

The Canadian team broke into the prize lists thanks to the consistently excellent marksmanship of Sgt.-Maj. N. J. McLeod of Toronto and Lt.-Col. O. W. Gibson of Hamilton. On the whole however, the Canadian team wound up the fortnight's meeting with little to show for their efforts.

Third Position

McLeod won third place in the King's Prize with 282 points and Lieut. D. O. White of Sackville, N. B., came fifth, McLeod getting \$125 and White \$75. Capt. J. T. Steele of Guelph, who started Saturday's final stage at 900 and 100 yards with the same score as the winner, Woods—he fell back to 278 when he scored 69 and 67 at the respective distances while Woods was getting 72 and 73.

All-Comers Aggregate

But there was consolation Saturday for the Canadian marksmen who had been defeated in the Mackinnon Cup Shoot and had lost the much-prized Kolapore Cup to the Mother Country. For McLeod was announced winner of the All-Comers' aggregate and second place winner in the Grand Aggregate, Bisley's two greatest tests of consistent excellence over a variety of distances.

WINS HANDICAP CHAMPIONSHIP

CHICAGO, July 23.—(A.P.)—Equipoise, great five-year-old son of Pennant Swinging, today had proved his right not only to the 1933 handicap championship, but to take rank with the greatest thoroughbreds of all time, by carrying a crushing impost of 135 pounds Saturday and galloping to victory in the \$10,000 added Arlington handicap.

Equipoise won by a length and a half, defeating Watch Him, the entry of Mrs. John D. Hertz, of Chicago. Five lengths back, a thoroughbred beaten third, was Norman W. Church's Gallant Sir, Plucky Play, Gallant Sir's running mate, was fourth in the field of seven.

M'T'L C. N. R. SOCCER TEAM TRIMS NAVY

Winners Will Go To Toronto To Meet the Ontario Series Champs.

(Canadian Press) MONTREAL, July 23.—In an effort to even the series and force a third game, the Royal Canadian Navy Football Club were defeated Saturday in Montreal 10-0 by the local Canadian National Railway soccer team. The sailors, handicapped by the loss of their two regular fullbacks, Ruberly with a fractured shoulder and Tate with an injured leg, and finding the hard, sun-baked pitch very different from their own fields, fought desperately but could not match the skill and ability of the Montalears. As a result of their victory, the latter club will go to Toronto to meet the winners of the Ontario series, either MacIntyre Mines or the Toronto Scottish, for the Eastern Canada championships.

At the first of the game the Nova Scotians pushed the play into their rival's territory but were not successful in scoring. After their first burst, however, they were forced back by the superior passing of the Canadian Nationals, who scored six times in the first period. Samson starred for the railway men while Gilhen's fine play in the Navy's goals prevented several scores.

The second half was slowed by the heat and both teams appeared tired. The Canadian Nationals scored four times and were again prevented from piling up more by Gilhen's fine work. About half way through this period, Jim Love, locals' star had to leave the field because of a compound fracture of his large toe. The accident will prevent him from playing in the rest of the finals.

Here Are The Classes Boys! Something to Suit Everyone Who Has a Stepper!

Ten classes with over \$4,000 in purses, prizes and premiums for three days racing, Tuesday, Wednesday and Thursday, August 22nd, 23rd and 24th, are on the program for the Provincial Exhibition at Charlottetown on the above dates.

These classes are modeled very much on the lines of last year's which were so successful and drew such a large entry list. It will be by far the greatest amount of money offered by any track for harness racing in the Maritimes and is sure to bring together a classy array of speedsters.

The object of the racing of course is to provide good sport for the public and to do this it is necessary to have the horses as evenly matched as possible so that the events will not be of a runaway nature as then the public lose interest. Knowing the available material that will likely race at Charlottetown we are confident in the assertion that the classes as shown below will provide the maximum of competition and yet give the horsemen a good square deal.

It will be noticed that the pacing classes allow trotters to start, but the trotters are not given any time allowance. The reason is that the trotters likely to compete with the pacers have enough class without giving them any handicap easily handle any of the trotters in her class, has caused her to be barred from one of the classes to which she is at present eligible. This will really not work any injustice on Addie's owners as they can enter her in both the 2.15 Trot and either the 2.19 Trot and Pace or the 2.16 Trot and Pace. It is not very often that the Provincial Exhibition has found it necessary to bar any horse and it is a distinct compliment. It was done some years ago in the case of The Yank.

In addition to the regular classes a colt race for two year olds has been added, as there seems to be a great deal of interest taken in them and a number, are in training.

Ten Dollars will be given to the caretaker of the horse trotting the fastest heat and Ten Dollars to the caretaker of the horse pacing the fastest heat.

Five Dollars will be given to the caretaker of each horse winning a race in the trotting and pacing classes during the meet.

Fifty Dollars will be given to the owner of the horse that beats track record of 2.07% in a race except as provided for below. Fifty Dollars to the owner of the horse that beats the track trotting record of 2.04% in a race, except as provided for below. In case two horses beat the above records then the awards go to the fastest horse. If two horses tie for the awards the money will be divided equally.

Entries close August 5th with J. W. BOULTER, Secretary, Charlottetown, P. E. I.

GENERAL CONDITIONS (All Races Mile Heats)

The Charlottetown Race Track was entirely resurfaced the fall of 1929. It is now one of the fastest, best laid out and best cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen by wiring at our expense notifying us of their arrival will be met at train and their baggage transferred to the ground without cost to them, also taken away without cost to them. Every effort will be made to make the Horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on the three heat plan; 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall race a fourth heat to determine the winner of the event.

All purses divided 50, 25, 15 and 10. Entry fee 5%. Five per cent. of the money raced for each heat will be deducted from the first and second horses 3% will be deducted from the third horse and 2% from the fourth horse.

Six horses to enter, four to start. Right reserved to change program, reject any entry, bar any driver, and to declare race off on account of bad weather, or failing to obtain a satisfactory number of entries or starters to transfer horses to another class to which they are eligible.

Entries close August 5th. Earnings made this date do not count against horse.
