Now it is Biscuit and Berries—

Nothing so wholesome and nourishing as

Shredded Wheat Biscuit with Strawberries

a dish that clears the brain and brings all the sluggish powers into action after the "sleep" of Winter—a Summer joy to the palate—so easy to serve and so cheap. Two Biscuits with berries make a complete, nourishing meal.

BENGAS

What a Well Known Gentleman Thinks of It

Bonshaw, P. E. Island,

June 20th, 1921.

Mr. Chas. Chandler:

Dear Sir:—

I've been using "Bengas" since spring of 1920, and it has given me perfect satisfaction. I use it for two reasons, first, because it eliminates any knock the engine may have as the result of using poor gas and gives me a quiet, smooth running car; secondly, I get more miles to the gallon, often making as high as 25 miles. "Brisco Touring Car." I have not had to remove any carbon from the engine since first using it and the spark plugs keep clean. I live in hilly part of country and find it a splendid aid in hill climbing. I like a half and half mixture.

Yours very truly,

H. E. CROSBY.

JAUNTY SPORT SKIRTS

Sports costumes are so bewitching that they are being used for various occasions this season. Most popular are the striped and plaid woolen skirts. They are jaunty and trim, giving a youthful and sprightly effect. These are used successfully with blouses and sweaters, also with contrasting coats.

A June Rainbow of Silks Follows a Storm Among the Prices

All the clouds that preceded this June happening were by reason of our own lost profits and those of the makers who had to cut the prices. There was a gracious rainfall of reductions and there has been a wonderful windfall of happy ba gains in all the rich tissues of which Summer's Silken Frocks are to be made.
