FALL OF LABOR IMMINENT IS PREDICTION

Asquith's Motion Re Russian Pact Hits Laborites Hard

(Special to Guardian)
LONDON, Oct. 2.—Herbert Asquith's notice of a motion to reject the Russian treaty came like a thunderbolt from a clear sky to the Labor chiefs. If they were confident of one thing it was that Asquith did not want an election. Though they knew Lloyd George was more combative they interpreted Asquith's recent letter as a demand that the treaty should be rejected but amended by stating the amount and conditions of the loan.

Instead of gratefully seizing the olive branch as Labor expected him to do Asquith has issued a most direct challenge to the government. The Liberal motion will take the form of an address to the King which is the necessary procedure for the rejection of a treaty with a foreign power.

GEORGE H. LOCKE
Well known Canadian author and chief librarian of the Toronto Public Library, in an address before the New York Labor Association, denounced modern fiction tending towards the licentious as the "new fiction of revolt."

LIBERAL DEBATER FAILS TO KEEP WORD

(Special to The Guardian)
CHATHAM, Oct. 2.—The much advertised joint debate between J. G. Robichaud, M. P., for Gloucester, and A. J. Doucet, M. P., for Kent to have taken place tonight at Neguac failed to materialize for the reason that Mr. Doucet was double crossed by the Liberals.

Mr. Robichaud, who had challenged Mr. Doucet to a joint debate and who had selected Neguac and to-night for the event, had advertised the meeting extensively with the result that the church hall at Neguac was filled to overflowing. Mr. Doucet was there by appointment and according to the agreement and the understanding that there would be only two speakers, Mr. Robichaud and himself, the challenger and the challenged. Mr. Robichaud, however, arrived with the following: Hon. Ernest LaPointe, Minister of Justice, Ottawa; Hon. A. B. Copp, Secretary of State; Premier Veniot; Mr. Snowball, the Liberal candidate; P. P. Melanson, M. P., P. for Kent; and L. P. A. Robichaud, of Richibucto.

RECORD CROWDS ATTEND EXHIBITION YESTERDAY

Excellent Weather For Third Day Of Fair.—Visiting Judges Make Favorable Comments On Agricultural Exhibits.

The heavy influx of Exhibition visitors reached a peak yesterday, hotels being quite full and the crowded streets giving the city a very animated appearance. During the morning and afternoon between eight and nine thousand persons attended the Provincial Fair. Four thousand people tax-grand stand and bleachers at the beginning of the afternoon racing program. Pleasant weather prevailed throughout the day adding to the general enjoyment.

In the evening another record crowd attended the special performance at which hair raising acts interspersed with snatches of humor thrilled the spectators. The music was provided by the League of the Cross Band. Another evening performance will be given tonight.

The Dairy Cattle
The judging of all breeds of dairy cattle was completed yesterday. Mr. J. Sally, of Lachine Rapids, P. Q., who judged the Holsteins said that they were not numerically strong, and the herds of such well known breeders as Walter M. Lea of Victoria, P. E. I. and Dickie Lea of Truro, were not shown this year. The quality on the whole is very pleasing. It is uniformly good. There are no tail enders. The dry cow classes are especially strong. The exhibits, however, should be a little better fitted, and better handled in the show ring.

PRINCE NOW ON WAY TO PACIFIC COAST
(Continued on Page 3)
HIGH RIVER, Alta., Oct. 2.—"So long for the present—this has been a very jolly day, and I have enjoyed meeting you all." With one hand deep in breeches pocket and the other gaily waving a long cigarette holder, Edward, Prince of Wales, bade a cheery goodbye to 2,000 Albertans who visited his ranch on Wednesday to attend the sale of pure bred live stock and the annual picnic of the Alberta Shrothorn Breeders' Association.

5TH ASSEMBLY OF L. OF N. IS CONCLUDED

(Special to Guardian)
GENEVA, Oct. 2.—The fifth assembly of the League of Nations today solemnly concluded its work of peace by unanimous adoption of a resolution urging that all governments ratify the protocol of arbitration and security providing for specific settlement of international disputes. A total of fifty seven states represented in the assembly subscribed to the resolution which was divided into two parts.

The first recommended to the earnest attention of all members of the League acceptance of the protocol which provides, in addition to the clause covering arbitration and security for the preparation for an international conference on reduction of armaments.

The second part asks that all countries accede at the earliest possible moment to compulsory arbitration of the world court of justice.

EMBARGO PLACED ON GRAIN
(Special to the Guardian)
DULUTH, Minn., Oct. 2.—An embargo on all shipments of grain to the head of the lakes from all points in the northwest was recommended yesterday by the railroads reaching here in a resolution adopted by the joint terminal grain committee of the Northwest Regional Advisory Board, and assented to by the railroads. The embargo is to overcome congestion at Duluth.

TO-DAY'S RACE PROGRAM AT THE EXHIBITION TRACK

Free For All Trot and Pace with Bud Hal, Longest, Dan Patchen, Dan Hedgewood and Keemah Aubrey.

In addition there will be an excellent vaudeville program staged between the heats.

With starter Thompson officiating spectators can be assured that barring the races being terribly split up, they will be completed before six o'clock.

Eileen Aubrey and Mary Sue.

SIR WM. PRICE MEETS SUDDEN DEATH

(Canadian Press)
QUEBEC, Oct. 2.—Sir William Price, president of Price Brothers Company and a prominent resident of this city was killed this morning in an accident at Kenogami, according to reports reaching this city.

Sir William and two engineers named Munro and Medermott, the report says, were inspecting work being carried on out at Kenogami when a land slide occurred. Sir William is said to have been buried under the debris while the engineers escaped with their lives. Officials from the local office of the company left for Kenogami immediately upon receipt of the news of the accident. Further details are lacking at the moment.

Sir William was one of the most influential business men in Canada. He was associated principally with the pulp and paper industry and owned very large mills in Northern Quebec. Just at the time of his death he was engaged with the United States industry in completing a large scheme for developing water power for his pulp plants. Sir William Price resided in Quebec. He was ranked as a multimillionaire in financial circles.

GREEK ENVOY TO UNITED STATES IS MISSING

(Special to Guardian)
NEW YORK, Oct. 2.—Major Spyocis Vitalis, prominent officer in the Greek army, who came to this country several months ago on a mission for the minister of war of Greece, was missing from the Munson Line steamship Panamerica when last vessel arrived today from South America, where Major Vitalis had gone from New York last June.

Why the major, young, handsome and a member of one of the oldest and most distinguished families in Athens, should commit suicide was a puzzle to the Greek consular general and others of the consulate here, when word reached them of the disappearance of the major from the Panamerica last Friday. Surely, in their opinion, he must have fallen overboard. The ship's officers mark him as "missing" on the manifest.

WOMAN PARACHUTE JUMPER IS KILLED

(Special to Guardian)
AUCH, France, Oct. 2.—Mme. Liliane Darcy, a parachute jumper, was killed while giving an exhibition here recently. The jump was the feature of a fete arranged in honor of Captain Georges Pelletier d'Oisy, who recently completed a Paris-to-Tokyo flight in 45 days.

Mme. Darcy went up in a plane with one of France's aviators, M. Frouval. When the machine had reached a good height over the Ardennes she jumped, but the parachute failed to open until she was a few feet from the ground. She received terrible injuries from which she died in a few minutes.

NEW CONTAGIOUS DISEASE APPEARS

(Special to the Guardian)
CHRISTIANIA, Norway, Oct. 2.—A new mysterious and extremely contagious disease has appeared at Namdalen, Northern Norway, where there are now over fifty cases. The affected person gets violent pains in the limbs and black eruptions all over the body. Up to date nobody has died. One of the patients has been treated at the municipal hospital at Christiania, where a doctor and several nurses caught the disease. The highest medical authorities say that the disease is hitherto unknown and quite inexplicable, but not dangerous.

KING HUSSEIN MAKES APPEAL TO GT. BRITAIN

(Special to The Guardian)
LONDON, October 2.—The British government has received an appeal from King Hussein at Mecca in which the King stresses the imminent danger to the Holy City because of the nearness of the opposing forces of Wahabis. In view of the relationship with Great Britain and the Hashemite family voluntarily helped the allies against the Turks during the war, the King expresses the hope that England will be able to prevent the Wahabis from taking the Holy City.

King Hussein points out that the presence of six airplanes at Jeddah, to which city many of the inhabitants of Mecca have gone, would have a deterrent effect on the advancing tribesmen.

THRILLING MYSTERY PLAY AT PRINCE EDWARD

Seats at the Prince Edward were "sold right out" yesterday evening and hundreds had to be turned away from the theatre when the Mae Edwards Players presented "The Unseen Hand" a baffling mystery drama in three acts.

The plot of "The Unseen Hand" and its solution kept the audience guessing until just before the final curtain when with an unusual and original twist the role of villain was transferred from Dr. Chu (Arthur Herbert), an hypnotic and opium eating Oriental who, up to the very last minute, seemed the logical author of the numerous axe murders committed by an unknown maniac, that were terrorizing the whole neighborhood and baffling the police, to the real murderer Capt. Newcomb (Fred Dand) an officer of the latter organization.

Miss Mae Edwards was much admired as Wanda Lee, a woman detective who risks her life in many efforts to discover the "master mind" behind the diabolical axe murders. She is assisted by her lover, Phillip Keller (Carleton J. Pinckney) who, becomes himself a suspect when Dr. Chu's lady assistant (Miss Leslie Thomas) accuses a man named Phil (in reality Newcombe, her secret husband) as the man killer. After many dramatic and thrilling situations the plot works out to a plausible end, in which the lovers are happily united and the guilty one is finally enmeshed in the coils of justice.

The minor parts were ably played by Miss Peggy Adams, Chas. Downes and Jack Parr.

Another good vaudeville bill was given last night, the features being the songs and dialogues of the Durand team and the ventriloquist act of Jack Farr all of which occasioned hearty applause.

"The Unseen Hand" is to be repeated this afternoon. Tonight there will be presented "Her Sacrifice" a play depicting the life of an actress in the movie colony of Hollywood.

REDUCED PRICE OF GASOLINE

(Special to Guardian)
ST. JOHN, N. B., Oct. 2.—A reduction of two cents a gallon in the wholesale price of gasoline was announced here this morning by both the Imperial and Canadian Oil Companies. It was expected that a similar cut in the retail prices will follow. This is the third cut that has been made in gasoline prices here since July 1 the total drop being five cents a gallon.

WEDS OLD SWEETHEART AFTER 54 YEARS

(Special to the Guardian)
LONDON, Oct. 2.—A romantic marriage between sweethearts of more than half a century ago had just taken place at Sittingbourne, Kent.

Fifty-four years ago George Frid, a young bricklayer, left Rainham, Kent, for Canada, settling at Hamilton, Ontario. He had a sweetheart at home, but her friends objected to her going to Canada, so they parted, and correspondence eventually ceased.

Mr. Frid married in Canada, became a brick manufacturer, and prospered. His wife died, and this summer he revisited his old home.

The old sweethearts met. During the lady, Miss Ann Hubbard, had been true to her first love, and the romance ended happily, when Mr. Frid, who is over 70, was married to her at Sittingbourne Congregational Church.

The happy couple are spending their honeymoon on the Kent coast, and at the end of this month Mrs. Frid is going out to her new home in Canada.

THREE KILLED IN QUEBEC ACCIDENT

(Special to Guardian)
CAMBELLTON, Ont., Oct. 2.—Reports reached here last night to the effect that a fatal automobile accident occurred at Chandler on the Gaspe coast Monday night, William Maloney, A. J. Gaudet and a Mrs. St. Croix, all of Barachois, Quebec, were almost instantly killed when a car in which they were driving pitched headlong over a bridge.

The cause of the accident is not definitely known, but it is believed to have been due to the steering gear going wrong, causing the car to lurch to the side of the bridge and smash through the railing to the rocks below.

NOTED BANKER PASSED AWAY

(Canadian Press)
HALIFAX, N. S., Oct. 2.—F. St. Clair Harris, aged 45, supervisor of the Royal Bank of Canada for the Maritime Provinces and Newfoundland, died at his home here early this afternoon.

Mr. Harris had been in delicate health for the past three years and had been subject to several operations, the last one having been performed in Montreal a few months ago.

The deceased was one of a group of notable bankers given the distinction by the Maritime Bank of Halifax, subsequently merged with the Royal, twenty-five years ago and after a brilliant career in enlarged institutions came here from Vancouver as supervisor succeeding A. D. MacRae, retired. He was the son of the late Edwin Harris of Aylesford, N. S., and is survived by his wife, formerly Gertrude Whitman of Annapolis and five children.

TO MAKE FIRST TRADE PACT SINCE WAR

German Delegates Arrive in Paris to Commence Negotiations
(United Press)
PARIS, Oct. 2.—Travelling closer and closer along the path of peace, France and Germany are now entering upon the second step for the restoration of normal political and economic relations.

Headed by Dr. Trendelenburg secretary of the German Ministry

(Continued on Page 3)

Summerside Baptist Church To Dedicate New Sunday School

The Baptists of Summerside and vicinity are rejoicing over the completion of their new hall and Sunday School building, which is to be dedicated on Sunday when the speaker of the day will be Colonel Rev. J. H. McDonald, D. D., C. B. E., of Acadia University.

After years of waiting and four months of construction work the Summerside Baptist church is ready to occupy and use of the new Sunday School buildings in the Province, a building completing a plant always considered attractive but of which many friends for years had been saying "one thing thou lack."

At the north end of the church edifice the architectural effect is pleasing; Mr. George Baker, the designer of so many of our public buildings, having worked out a plan that would harmonize with the main building and yet convey the "school" rather than "church" idea, a bungalow roof manly adding in this respect. The interior finish is in the natural wood and the hall has a seating capacity of over two hundred. Adjacent to the main auditorium are class rooms both up and down stairs. The building is especially well lighted, there being plenty of windows of "skylight" glass and the electric lights all translucent. A basement laid off for dining room and kitchen is not yet complete but serves as a challenge to this aggressive congregation.

Folding chairs made by the Globe Company of Waterloo Ontario will add to the comfort of audiences.

The work has been done by local people and too much credit cannot be given to the Pastor Rev. A. K. Herman, the building committee and Major Schurman, who has devoted his summer months to the superintending of the construction.

The building is to be dedicated to God at the eleven o'clock Sunday morning service Oct. 5th, to be held in the Hall and addressed and read by Colonel McDonald, one of the ablest preachers of the Gospel in Canada. The music will be under the direction of the choir leader, Mr. J. Pogson and the choir will be assisted by Mr. Harry Porter and Mr. Ben Acorn, Charlottetown friends, both morning and evening. Dr. McDonald will preach again at the evening. The Sunday School will formally take up its new quarters in a Rally Day service following the morning worship.

The opening program is to continue into the week with Dr. McDonald will speak at a concert on Monday evening and the church will hold a social on Tuesday. Friends everywhere are invited to participate in these opening events.
