"I have pleasure in stating that I have been cured of severe Dyspepsia and Chronic Constipation by using 'Fruit-a-lives.' I was a terrible sufferer from severe Constipation for many years, and I tried every remedy I heard of, and also was treated by physicians without any permanent benefits.

Then I tried 'Fruit-a-lives,' and this fruit medicine has completely cured both the Constipation and indigestion. I cannot praise 'Fruit-a-lives' enough!"

made by the late Governor Howland when he secured an appropriation from the provincial government to build a breakwater at a place which could then be easily waded and which is now the entrance to an excellent harbor.

## ST. LOUIS

This is another of the interesting points in West Prince. It boasts, and has the documents to prove it, the banner butter factory in the province, having the largest output and receiving its raw material from the greatest distance, cream being carried thither by rail all the way from Miscouche. This is the factory of which Rev. Dr. Gauthier is the head and is also one of the fruits of the Palmer Road Farmer's Institute of which Dr. Gauthier is the father and a large part of the family, Palmer Road Parish, by the way, boasts of having made more progress in agricultural development in the past ten years than any other section of its size in the province and, when questioned, produces as proof the county and provincial prize lists, and the awards in the fields of standing grain competition. This, as collateral evidence along with what is observed in a drive through the parish is accepted as proof of the claim. The period concerning which this boast is made is coincident with the incumbency of Rev. Dr. Gauthier, and the wonderful progress made is very properly attributed to his excellent leadership and example, his own farm being one of the model farms of the province.

Much more could be easily said of Prince County which, in agriculture, fox farming and fishing has for several years carried the provincial banner. There are other sections which have contributed very largely to the winning of this banner but which neither time nor space will permit mention of at this writing, but which it is hoped may be referred to in future issues.

THE BLACK FOX INDUSTRY.—The Brooklyn, Mass., Chronicle of Sept. 6th publishes an excellent article on "P. E. Island's New Fur Industry," by Mr. John Calder Gordon. The article gives a fascinating account of the beginnings of the industry, the experiments, the discouraging failures, and finally, the phenomenal success. In the course of the article the writer quotes the following from an interview with Prof. J. Walter Jones: "I am exceedingly optimistic," said Mr. Jones, "regarding the future of fox farming as well as fur farming in general. It is the enthusiasm of the silver fox breeders that has inspired the numerous experiments in breeding other fur-bearing animals, the majority of which will some day be bred for fur production. Our meat supply was once obtained in the wild but is now almost wholly a domestic production, and will not far be a domestic product also?"

MORE SUCCESSSES.—More winnings.—The Island Exhibitors at the Halifax Exhibition. This year so far, have been highly successful. All these winnings will be exhibited at the Fredericton Exhibition and leave for Fredericton on Sept. 11th.

So, Wellington, B.C.—"For a year during the Change of Life I was all run down. I was really too weak to walk and was very despondent and thought I was going to die, but after taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier my health and strength returned. I am very thankful to you and praise your medicine. I have advised several women who suffered as I did to try your remedies. You may publish this if you wish."—Mrs. DAVID R. MORRIS, South Wellington, Vancouver Island, B.C.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for woman's ills such as inflammation, ulceration, tumors, irregularities, periodic pains and nervous prostration, and we believe it is unequalled for women during the period of change of life.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

COAL ARRIVAL.—A tug is unloading a cargo of Inverness coal for Mr. Feehan, Mt. Stewart, and the citizens are beginning to lay in the winter supply.—L.

COURT OF APPEAL AND EQUITY.—An adjourned session of the Court of Appeal and Equity met in Charlottetown at 11 o'clock yesterday on the case of Duffy vs. Marjorie. There was only one case on the docket. The case was heard by the Court of Appeal and Equity. The Court referred the case back to the vice-Chancellor and he ratified the agreement made between the two parties.

WEDDING BELLS.—The marriage took place at the Pro-Cathedral Monday morning at 7.30 o'clock of Miss Hannah Brennick to Mr. Fred Callaghan, both of Iona. The bride was attended by Miss Annie McInnis, while Mr. Bernard McTague ably supported the groom. After the ceremony the happy couple drove to the Arlington House where a wedding breakfast was served. In the evening a number of their friends gathered at the Arlington House where a very pleasant evening was spent.

NEW RESIDENCES.—Some beautiful new residences are at present being erected in Charlottetown. A nice three-storey dwelling is under course of construction on Richmond Street, between Weymouth and Cumberland Streets, for Mr. Ross McEwen, of the Train Despatcher's staff of the P. E. I. R. Mr. Barrett, St. Peters, is the contractor. Another splendid cottage is being erected on Hillsborough Street, between King and Dorchester Streets, next to the residence of Mr. S. A. McDonald. The building which will be three storeys is being built for Mr. E. McLaren, brakeman of the P. E. I. R. by Mr. John Power, contractor, Charlottetown.

POLE VAULTING.—One Canadian record was broken and close and exciting conditions were the order of the day at the Track and Field Championships Meet of the Amateur Athletic Union, held at Vancouver on Saturday. William Halpenney of Montreal, formerly of Charlottetown, won the pole vault easily, with ten feet, his nearest opponent going 9 ft. 4 in. Halpenney was second in the hop, step and jump, second in the running high jump, and third in the running broad jump. The Vancouver athletes led with 72 points, Edmonton next with 28 and the others in order named were: Winnipeg, Montreal, Toronto, Westminster, Victoria and Calgary. R. Shepherd of Edmonton broke the Canadian amateur record for the standing high jump, clearing the bar at 4 ft. 10 in. The 100 yard dash was won in 10 3-5 by J. M. Leggart of Vancouver. The five mile run was won by Chandler of Vancouver in 26:37 2-5, the quarter mile by Tresider of Toronto.

A BIT OF HISTORY.—On the morning of the 7th, there passed away an old and respected citizen at Elmira, Lot 67, in the person of Mr. Thomas Collins, leaving two sons, William and Michael on the home-stead, and one daughter, Mrs. Allan McMillan, East Point. Born in Elmira 86 years ago, he saw many changes. In some of the middle years of the last century, when the land question, and rent paying was an important and personal matter to many of the sturdy pioneers of this country, and rent was demanded by unfeeling landlords and detested agents, from an unwilling people. Daniel Collins then of Elmira was arrested for rent in his bed at daylight, by Sheriff McCallum and Angus McDonald (Tulloch). Collins resisted, and in the scuffle that followed, McDonald was stabbed in the arm by a bayonet in the hands of Collins. The sheriff however succeeded in the arrest, and started for Charlottetown with his prisoner. When the affair became known a posse was formed, headed by the late Michael Campion, then a member of the Legislature Council, and the subject of this notice Thomas Harris was an important member of the party, and for a good many years the only survivor. At Naufrage they overtook the sheriff and rescued the prisoner. From a legal standpoint, the offence was a serious one for both Collins and the posse, but so strong was public opinion in favor of both, and so strong the public sentiment against the landlord system that it was virtually impossible to execute any legal measures against them. Collins left the Island and spent the rest of his days in Wisconsin while after a few futile attempts all proceedings against the posse was dropped, and Thomas Harris lived the life of a peaceful farmer, and an industrious and law-abiding citizen.

Over a hundred delegates from all over the Maritime Provinces are attending the thirty-seventh annual meeting of the Woman's Foreign and Home Missionary Society of the Canadian Presbyterian Church (Eastern Section), which was opened in Zion Church, Charlottetown, yesterday morning. The chair was taken by Mrs. A. W. Thompson, of Pictou, the President, and there was a fairly full attendance of the office-bearers.

The proceedings commenced with devotions, which included the Doxology, an invocation, hymns, bible reading and a prayer by Mrs. Currie, of Windsor; followed by a prayer service.

Proceeding to business, the meeting appointed the following as Nominating Committee: Mrs. Roome, of the Halifax Presbyterian (president), Mrs. Fraser, Sydney; Mrs. McLean, Inverness; Mrs. Purdy, Moncton; Mrs. Dawson, Ethenburg and Yarmouth; Mrs. McKay, Truro; Mrs. Morrison, Charlottetown; Mrs. Ste-

wart, Pictou; Mrs. Bruce, Miramichi and Mrs. Fitzpatrick, Wallace. This was followed by the appointment of the Committee on Credentials.

The various reports for the year were then received. Short reports recording the work done in the respective presbyteries were presented.

REPORTS.  
Miss Bessie Wallis, the Recording Secretary, presented the report of the Board of Management which met during the past year at different places instead of at Halifax as in previous years. The first meeting was at Halifax, the next at Moncton, the third at Antigonish and the last at Truro, in connection with each of which a public missionary meeting was held. The report paid a tribute to the excellent work done by the
