"About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. Having seen 'Fruit-a-tives' advertised, I decided to try them. Their action was mild, and the result all that could be expected. My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old-time vitality. Today, I am as well as ever."

McGilvary, Glenfanning from his son Alexander J. states that the latter is now engaged in checking freight for the Canadian Pacific Railway. Among other freight carried by those steamers are thousands of tons of provisions for the soldiers at the front. Mr. McGilvary junior who learned his trade as cheesemaker on the island in the early days of the cheese industry has been engaged with the Maritime Dairying Company for the past ten years, but is now engaged in the cheese industry on his own account having last spring purchased one of the Company's best factories situated at Millstream, New Brunswick at a cost of (\$1400) fourteen hundred dollars.—E.

Private Campbell looks fine and expects to be able to get back to the firing line in the early spring. Mr. Angus McCormac is busily engaged hauling lumber for a new Poultry House.—Mr. McCormac is well pleased with the work done by the Cardigan E. G.
