THE MARKETS

(Canadian Press)

OTTAWA, March 15.—(EGGS—Reports have been received which point to some difficulty in disposing of imported United States eggs. In some centres local production has increased before clearance of imports could be made at such points Prices on the imported eggs have been shaded to effect sales. The values of the regulations respecting the grading of eggs was demonstrated this morning on the Ottawa farmers market and 10 dozen of eggs were confiscated, many of them showing fully formed chicks and the balance being rots. These were eggs which had been taken from an incubator.

Toronto—unchanged. Montreal—Local receipts increasing. United States stocks clearing at shaded prices. Extras jobbing 37, firsts 34, seconds 32. Quebec firsts jobbing 33, to 35, seconds 30, farmers market extras 40.

Winnipeg—Dealers quoting delivered extras 32 to 34, firsts 30 to 32, seconds 24 to 28. St. John, N.B.—Local firsts jobbing 30, extras 34. Some surplus reported on hand. Market dull. A limited quantity of fowl offering at 40.

MONTREAL, March, 15.—While there were no firm bids in the local grain market from foreign buyers on Saturday, which was attributed to the demoralized condition of the Winnipeg market, a number of cables were received asking exporters to make offers of oats and barley in all positions. The demand from exporters and local buyers for cash grain on spot was practically nil, but the tone of the market for oats was stronger and prices recovered two cents per bushel of the decline noted on Friday. The local flour situation was unchanged. The enquiry from United Kingdom buyers for spring wheat grades at the decline recorded on Friday was much better than it has been for some time past, but little business was transacted owing to the prices bid in most cases being 2s to 2s 6d below millers' views. Th etrade in winter wheat grades was slow and prices steadq. The demand for millfeed showed no improvement at the late reduction in prices and the market in consequence was inactive. The market for rolled oats was steady. An active wholesale jobbing trade was done in eggs and the undertone was firm. The butter market was quiet and steady. The feature of cheese trade was the stronger feeling that prevailed and prices firmed up a trifle. This is attributed to the continued limited supplies of Canadian cheese coming forward from the interior. Fodder made up of 1 white and colored goods sold at 21 to 21½ per pound, and No. 2 grades at 20 to 20½ cents per pound with Quebec cheese selling readily at 23 to 24 cents per pound. Beans were steady at $2.70 per bushel.

$2,000 for the Prince of Wales College endowment fund, the interest to be used as a scholarship for the best student in the second year.

$3,000 for Zion Presbyterian Church for Home and Foreign Missions.

The will, which was dated October 24th, also bequeathed $2,000 to his wife, and $8,000 to various relatives. The residue of estate was to be invested and the income paid to his wife during her lifetime, on her death the residue going to the public institutions above mentioned; but as Mrs. Shaw died before him the public bequests will be now made available.

HEARD LONDON BY RADIO.—Mr. J. A. S. Bayer, while enjoying various concerts and other radio entertainments Saturday night, chanced to strike a wave which brought London, England, into the performance. Two musical numbers, trios, were distinctly heard, also the announcer say "Big Ben will now strike," and immediately the big bell struck 12 midnight as clearly as the Charlottetown clock a few yards away. He also heard one o'clock strike. This was all relayed by W. G. Y. Schnectady, N. Y. and broadcasted from there. This is probably the first time Big Ben in London has been heard in Charlottetown.

Appreciation

The following letter in connection with the recent fire at the Hotel Victoria again emphasizes the splendid qualities of the Charlottetown fire fighters:

H. C. Brown,

Dear Mr. Brown:

I cannot let this time pass without expressing to you my appreciation for the quiet and efficient work of the hotel staff during the fire last night, also to you Sir for your kind personal thought of myself and my daughter. You will find enclosed my cheque for $10 as a slight token of my appreciation for what those brave men did for our safety. I feel that we each and all cannot appreciate too highly the great work of those fine brave men.

Sincerely yours,

Christena C. Duff.

CORNWALL VS. BELMONTS

The Cornwalls showed their usual sporting spirit, when, rather than disappoint their opponents, they played the Belmonts with only three of their regular team. Their subs were so strong, however, that a close, interesting and fairly fast game resulted. The players were so uniformly good that it would be invidious to make special mention of any, except possibly the two goal-keepers, whose work was well above the average. There were no penalties and very few fouls, due to the sportsmanlike spirit of the players and the firm control of the referee, James Herrel, who gave satisfaction to all. The game was won by the Belmonts 5 to 4.

The team lined up as follows:

Cornwall	Belmonts
A. McEachern	W. Whitlock
P. Livingstone	R. Bell
B. Jewell (N. River)	J. Turner
W. Dixon	E. Corish
T. Chandler (C'town)	F. Blanchard
R. Huestis (C'town)	A. Martin
W. Aylward	E. Brehaut
