The Quality Is There
As it slips onto your foot, and fits snugly without rubbing, pinching or tightening anywhere, you breathe "The quality is there!"
As you rub your fingers around its deep under-edges, reach out for the laces and lace it over your arch, again you breathe "The quality is there!"
As you stand up and survey your foot encased in a handsome shoe of finest quality leather, uniformly stitched, once more you breathe "The quality is there!"
After weeks of wear, as you survey your shoes, still in shape, still comfortable upon your feet, still retaining their appearance—again you again you breathe "The quality is there!"

SUMMERSIDE HOCKEY

The Pioneers scored their first win of the Summerside Hockey League series on Tuesday night when they defeated the Red Sox by 5 to 2. The game was practically won in the first period, when the Pioneers scored three goals to their opponents two. They were able to blanket the Sox for the remaining periods and add two to their tally in the second. There was no scoring in the last period. The game was marked by good individual play, the Sox apparently depending altogether on this style. On the other hand, the Pioneers played better as a team, than they have at any game this season and the majority of their goals were won by well-practiced team work. Few penalties were handed out by Referee H. M. Baker and the fans present, though not so numerous as they might be, certainly got the worth of their money.

The lineup was:

Pioneers	Goal	Red Sox
E. Corney	Defence	C. Crockett
L. Rogers	H. Clarke	J. Wright
H. Clarke	Centre	G. Morrison
E. Ferguson	Wings	F. Padgugan
D. Cahill	Subs	H. Gashford

After the senior match there was a closely contested game between the Summerside High School team and the Tuxis Boys, resulting in a win for the High School Sextet by the close score of 2-1. Arthur Morris handled the game very satisfactorily.

The line-up was:

Dr. Jenkins Addresses Rotary Club On Cure Of Cancer

Dr. S.R. Jenkins, addressing the Rotary Club yesterday afternoon at the Davies Hotel on the subject of cancer, emphasized the fact that this dread disease can be cured if recognized early enough.

Upon this conviction the American people have formed a society for the control of cancer and this society, the speaker said, is composed not only of medical men but some of the most prominent people in the United States, the idea of the society being to educate the public up to the point of calling in the aid of the physician at a stage much earlier than the ordinary physician sees the so-called cancer.

The most prominent surgeons in the United States and elsewhere state that cancer is curable if seen early enough. Dr. Jenkins wished to interest the Rotary Club, as a body of prominent citizens in this matter of the control of the disease, and urged the bringing of the matter before the public through the formation of a society for this purpose among the profession and laity. This may be done, by means of lectures and the distribution of educational literature. In this way the speaker believed that public interest would be aroused as it was a few years ago when the tuberculosis problem was taken up.

There were present at the luncheon, which was presided over by Rotarian Jamieson, the new American Consul, Mr. G. J. Crosby, who arrived in the city Tuesday night and who is taking over the duties of Consul Livingston. Other guests included Mr. Jardine, Manager of the Royal Bank and Mr. Chesman of St. John's Nfld.

The visit of the stork to the home of Rotarian Prof. Fletcher was honored with the usual solemnities. Rotary presentation was made by Rotarian Dr. Allen and duly responded to by Mr. Fletcher Mr. J. E. O'Donnell was received as a new member.

The Ladies' Night committee reported that the "big time" will come off at the Victoria Hotel on Thursday next.

MRS. EDDY'S INCOME

OTTAWA, Feb. 15.—Decision was reserved by the Ontario Railway and Municipal Board in the appeal over the income assessment of the late Mrs. E. B. Eddy, which was heard at the City Hall today. The chief point at issue was whether Mrs. Eddy had acquired residence in Ottawa. The city had assessed the estate for \$1,119,000 income for 1921, and the late Judge Gunn had reduced this amount to \$75,000, and the city carried the appeal to the Railway Board. Mr. Pactor produced evidence to show that the late Mrs. Eddy had resided the greater part of five years in Ottawa, had a pew in an Ottawa church and accounts in banks in this city. These facts, he contended, showed Ottawa to be the place of residence, although some time prior to her death Mrs. Eddy had returned to the homestead on the Aylmer road.

GOOD PROSPECT.—The Wall Street Journal says the business outlook for Canada in 1922 is over 100 per cent better than it was in 1921.

FAMOUS GAMBLER DEAD

NEW YORK, Feb. 11.—News reached New York today of the death of Harry J. Owens, a notorious old time gambler, considered one of the most expert card manipulators of his time. He fell down stairs at a hotel in the Cuban capital and died soon afterwards.

Gambler's heirs said Owens' equal never lived. He mainly operated on the great trans-Atlantic liners until the steamship companies barred him from sailing. In 1906 he was re-arrested to have won \$209,500 from William Thaw, of Pittsburgh although both denied the story.

When he arrived on the Majesty from England, in 1905, the

PRIMROSE SCHOOL.

The semi-annual examination of Primrose School took place in the school room on Tuesday, Jan. 31st. There was a fair attendance of parents and friends. The pupils were examined in the various subjects by Mr. Wm. W. Cantelo, of Cardigan, and showed marked success from the eldest to the youngest, giving their parents the convincing impression that their children receive careful and painstaking attention from their teacher, Mr. John Gordon. To those much credit is due for the high standard which he has brought to the school. Mr. Gordon is to be congratulated on his success as a teacher, his work being marked with efficiency and the many taxpayers regret his departure. After the examination a short programme was rendered, consisting of songs and recitations. Among the recitations was that of "The Great River Valley," which was sung by four girls. A few remarks were made by Mrs. J. P. Acorn, after which home made candy was served, and the entertainment was brought to a close by the singing of the National Anthem.
