S. S. CONVENTION.—On Tuesday, Revs. E. E. Styles and Hugh Miller, representing the interests of the Sunday School and Social Service departments of the Methodist Church, met some of the local pastors and people in Vernon River Church. In the afternoon session an interesting discussion brought out many facts concerning the work in the Sunday Schools and helpful suggestions were given. At the evening session Rev. A. J. Gould, Chairman, introduced Rev. E. E. Styles, who spoke on "The Importance of the Sunday School." Rev. H. A. Brown then addressed the congregation and Rev. Hugh Miller portrayed the strenuous work being done by the Social Service and Evangelism Board in keeping social reforms especially in relation to the evils arising from intemperance.

PRESENTATION.—On the eve of his departure for Charlottetown to join the Heavy Siege Battery, Mr. Everett Lamont of St. Catharines was presented with a well-filled purse of money accompanied by the following address: Dear Everett. Will you confer on us a great pleasure by appropriating to your own use the accompanying gift. It is presented by your many friends in St. Catharines as a slight token of the esteem in which you are held by the people of your home community. Trusting that its acceptance will afford you as much pleasure as is given us in the presentation and hoping for your safe return when the war is over. Very Respectfully yours. Signed on behalf of people of St. Catharines, William D. Shaw, Neil V. Mackenzie, George MacEachern.

HOUSEHOLD TABLE.—Loaded with cake, pastry, candy, etc., for the stay at homes at St. James Hall, Friday next. 3593.

DOLLAR DAY.—The Charlottetown Stores are ready for the biggest day's business they have ever had. Never before were they so alluring as now, never before have they shown such a wide variety of attractive things, of the new ideas that contribute to the liveliness of life. You'll realize this more fully by visiting on Wednesday. The railway fare and return is a mere trifle. 3610ME.

KINDLY REMEMBERED.—Last week Sgt. Charles C. Stewart and Bombardier Milton Stewart of the Second Siege Battery were presented by the congregation of Central Christian Church, to which both those young men are members, with gifts in gold. The presentation was made at the residence of Mr. Frank Stewart by a number of young ladies of the congregation. The recipients replied in fitting terms.

RED CROSS MEETING.—Under the auspices of the New Perth Dairy Co., a most enthusiastic Red Cross meeting was held in the New Perth Hall on Thursday, Oct. 21st. The meeting which was largely attended was addressed by His Honor Chief Justice Sullivan and the Revs. J. C. Martin and Dr. McMillan of Cardigan. These speakers placed before the audience in a clear direct and forceful manner the great need for action on the part of the people of Prince Edward Island, emphasizing Nelson's undying statement: England expects every man to do his duty. The speeches were interspersed with music furnished by local talent. Before the meeting closed the sum of one hundred and thirty-two dollars was realized and a strong committee was appointed to canvass thoroughly the several school districts represented so that all might have an opportunity of contributing to this most worthy cause. After a vote of thanks had been tendered to the speakers of the evening, the meeting closed with the singing of the National Anthem. (Other papers please copy.)

HOME GUARDS.—In the event of the Second Siege Battery departure for overseas, and out of appreciation of the interest Capt. W. B. Prowse took in forming the Home Guards, it is the wish of officers and men to give them a send-off and be ready when that call comes. The Home Guards will turn out in-morrow night at 7.30 sharp, Drill Hall. Let every member that can possibly do so attend for an hour's drill.

HOW TO COOK ROMAN MEAL PORRIDGE.—Invariably use double boiler or set boiler in bath of boiling water. Have water boiling in both vessels, that in inner one fast to taste. Slowly stir in one cup of Roman Meal to each two cups water. Cover, set in outer vessel, and never stir again even while serving. For early breakfast cook at evening meal and warm in morning, using a little less Roman Meal. It's a dark nut-brown, granular, rich porridge. It nourishes better than meat, prevents indigestion and positively relieves constipation or "money-bark." Ask your doctor. All grocers, 10 cents and 25 cents.

"It will pay everybody to see the Blanket Bargain at Reddin's on Dollar Day, marked 3/75 for 4/25, but everybody cannot have them—only 10 pairs. Come early. 3590-10-25M21.

IN MEMORIAM

MR. JOHN MACVITTIE.

After an illness of four days of pneumonia, John MacVittie died at his brother Robert's home on Sunday 17th. The deceased was born in Dumfriesshire, Scotland, in 1835 and was therefore 81 years old. He immigrated to Westmoreland with his father the late James MacVittie when a boy and has resided ever since never travelling far from the old home-land till death called him away. He leaves to mourn one brother, Robert, and a lot of relatives and friends to mourn the loss of a kind brother and friend. John was loved and respected by all who knew him. No better testimony could be paid to the deceased than the large procession of teams which followed his remains to the family plot in the St. John Cemetery where he was laid to rest beside his father and mother, Rev. Mr. Deathe, Rector, conducted the service at the house and Church which was so solemn and impressive. The pall bearers were:—Chris Moore, Robert Moore, Avred MacVittie; William MacVittie, Chron MacVittie, James MacVittie.

HOW SHE COUNTED
My three year old daughter can only count up to five. One morning I sent her into the pantry to see how many potatoes were left for supper. After being absent a few minutes she returned and said: "Mumver, there are three after five potatoes left."

"You've heard of Burning the Candle at both ends."
Life today is constant effort. From seven to six it's usually work, then a hurried meal, off to a dance, a seat at the "movies" or other amusement, to bed at eleven or later and the same thing all over again tomorrow.
To offset this constant wear and tear on your nerves and body you need a tonic that will enrich the blood, restore your exhausted vitality, a real tissue and strength builder. VINOL is the best thing we can recommend to do this and it will do it quickly—
