S'SIDE AND PRINCE CO.

Dr. Robertson of Crapaud crossed by the Northumberland yesterday for a short visit to St. John, N. B.

Rev. A. J. McDougall of Brae is adding a new barn to his premises, and otherwise improving his surroundings.

Mr. Howard of Brae is building a new schooner which is rapidly nearing completion and will be launched in the course of a few weeks. Her measurement is about 60 tons, and will be employed in the coasting trade.

Among the shipments by the Northumberland Wednesday morning were 25 fat cattle shipped by Mr. C. Kane to Mr. J. E. McDonald, St. John.

WEDNESDAY, Empire Day, was duly observed in the Summerside schools. The rooms were gaily decorated by the children, with bunting, war scenes, pictures etc. and presented a very picturesque appearance. The day's work was confined principally to lessons on the Empire, its geography, history, trade and commerce. Rev. W. H. Smith addressed the pupils in several of the rooms during the forenoon. Rev. J. M. Withycombe and Rev. Father McGuigan and Mr. Neil McLeod gave addresses during the afternoon. A number of parents visited the school during the day.

QUEEN'S Birthday was quietly and unostentatiously celebrated in Summerside yesterday, the stores and hotels open as on ordinary occasions, the banks, postoffice and schools closed. A liberal display of bunting proved that although the ancient spiritus not dead, it was too busy to close up shop. The band played to a large and appreciative audience on the park in the evening.

(Continued From Saturday.)

From a very large range of the very latest patterns in colored tweeds, she made her selection. He fulfilled his part of the contract, and she declared his choice was just what she had been looking for. A week afterwards they met again at the same store—that of Mr. James C. Wright's, Summerside. "I wish I could get you to select for me always," said he. "If you wish it very much, I might meet you here once a year," she replied somewhat slyly. "But I want you to stay with me always," he persisted. "Won't you promise," he pleaded. "I will" she replied in a low sweet voice, and Mr. Wright was so pleased with the romantic ending of the incident that he presented the happy pair with a very valuable wedding present some days afterwards.

A CARD.

We, the undersigned do hereby agree to refund the money on a twenty-five cent bottle of Dr. Wills' English Pills, if, after using three-fourths of contents of bottle, they do not relieve Constipation and Headache. We also warrant that four bottles will permanently cure the most obstinate case of Constipation. Satisfaction or no pay when Wills' English Pills are used.

THE BOER ENVOYS.

Mr. Fischer Explains the Object of their Visit to America.

When Messrs. Fischer, Wolmarans and Wessels, the Boer peace envoys, reached New York on Tuesday last, they were eager to hear the latest news from the war. When told at the Hotel Manhattan of the reverses to their arms and the advances made by Lord Roberts, they merely shrugged their shoulders.

"Such news," said Mr. Fischer, "does not disconcert us in the least. We read these despatches between the lines; besides, what difference does one or a dozen reverses make to us? We never propose to stop fighting until we have gained what we are fighting for—our independence.

The delegates were reticent concerning their plans. "We cannot say anything which may hinder our cause," said Mr. Fischer. "We should like to have the

PERSONAL MENTION.

Mr. B. Rogers and Mrs. Rogers of Alberton, are in the city.

Rev. G. P. Raymond returned from Yarmouth yesterday evening.

Mr. Geo. Thompson, Montague, is making extensive repairs on his dwelling house. Mr. E. H. Norton and family intend removing from this province and locating in Oklahoma.

Mr. Frank Hartz and Mrs. Hartz are expected home from the Pacific Coast on Saturday evening.

The Victoria Colonist of Thursday last says: Frank R. Hartz and wife, from Charlottetown, P. E. I., registered at the Hotel Driard yesterday.

Mrs. H. H. Beer, Summerside, came to the city on Wednesday evening. While in the city she will be the guest of Mr. and Mrs. W. W. Clarke.

Mr. G. A. Freeze, representing the Maine Central and Boston and Maine Rail Roads, with headquarters at Moncton, spent yesterday in Souris and returns to the city this morning.

Jes. McLeod, one of the Amherst Boot and Shoe Co's popular travellers, who has been very ill with pneumonia for over a month, is around again, but will not go on the road for a week or so yet.

government arbitrate with England, and undoubtedly we shall go to Washington and try to have an audience with President McKinley. If we cannot induce the United States Government to do what we like, we shall try to arouse the people so that they will compel the government to recognize us in that way.

When asked as to the truth of the report that some of the Boer Cross men were fighting in the Boer army, Mr. Fischer said:

"Of this I know nothing, though some may have joined our forces when they knew the truth. Some attaches who have gone down there to see us fight, when they saw us fight and knew the reasons for the war, have said to us: "Give us guns, for we want to fight with you."

Mr. Fischer said the reception committee had received invitations for the delegates from the mayors of sixty towns and cities in the United States, and it is probable that they will visit many places before sailing again for the Continent.

AN ENGINEER'S STATEMENT

Ben Rafferty, of Winnipeg Division says Dodd's Kidney Pills are O.K.

Winnipeg, Man., May 21—Probably the most enthusiastic man in Manitoba in regard to Dodd's Kidney Pills is Ben Rafferty, of the C.P.R. He is one of the drivers on the big trans-continental road, and the jarring of the engine and long hours combined to bring on Kidney Disease from which Mr. Rafferty suffered for twenty years. He was cured by Dodd's Kidney Pills. His case is so well known throughout Canada that a Toronto gentleman wrote to Mr. Rafferty recently asking him if he could recommend Dodd's Kidney Pills. Mr. Rafferty wrote in reply:

Dear Sir—I received your letter of yesterday. I will recommend Dodd's Kidney Pills at any time to any person with pleasure. They are O.K.
Yours truly, B. Rafferty.

Poppinjay—What did your father say when he saw me kissing you in the hall last night? Was he very angry?

KIDNEY DISEASE AND BACKACHE

Mr. Patrick J. McLaughlan, Beauharnois Que., States: "I was troubled with kidney disease and dyspepsia for years, and have been that bad I could not sleep at night and suffered terrible agony. I tried all sorts of medicines but got no relief until I began using Dr. Chase's Kidney-Liver Pills. They made a new man of me and the old troubles seem to be driven out of my system." One pill a dose, 25 cents a box.

"Would you rather be born lucky or rich?"
Rich. Then—I wouldn't have to trust to luck."

THE GREEN SICKNESS

Girls who lack sufficient nerve force to develop into healthy womanhood become pale, weak, nervous and irritable. They have chlorosis or "green sickness" and can only be cured if the nerves are restored and revitalized and made rich by using Dr. Chase's Nerve Food, the great restorative in pill form. It makes pale, weak women and girls healthy, rosy and plump. Note increase in weight while taking it.

"Mrs. Von Dohbis, have you much hand painted china?"
"No; but I've a lot that has been hand smashed."

A BAD CASE OF ASTHMA

Mrs. George Budden, Putnamville, Ont., says: "I feel it my duty to recommend Dr. Chase's Syrup of Linseed and Turpentine, as I had the Asthma very bad; could get nothing to do me any good. A friend of mine persuaded me to try this remedy as he had tried it, and it proved successful. I tried it and it cured me. I am thankful to-day to say I am a well woman through the use of this remedy. I keep it in the house all the time, and would not be without it."

PUBLIC NOTICE!

Bridge Across the Hillsborough

Owing to objections to the proposed location, delay has been caused in the work on the new Bridge

TENDERS

Will be asked sometime for constructing this bridge. We do not propose making tender, our line of BRIDGE WORK is confined to Teeth. Modern Dental Science has devised means by which decayed teeth or roots may be utilized and new sound teeth placed on them; it isn't necessary to wear cumbersome plates that too often are unserviceable or ill fitting. Dental Science overcomes this by BRIDGES, by which the gap between two or more teeth or roots is bridged over by Artificial Teeth, making them just as good in every way as your own natural teeth would be.

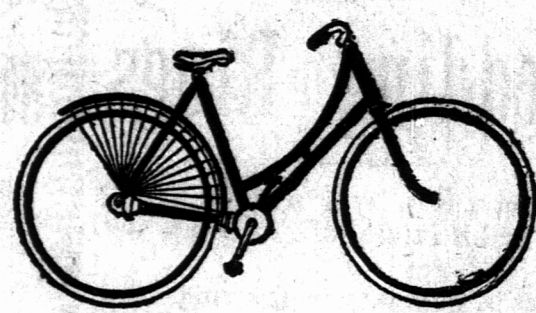

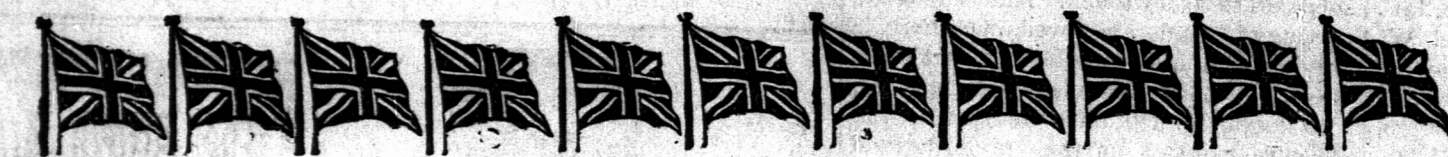

We would like to show you specimens of our Bridge Work, and illustrate to you the many advantages of it. We manufacture it ourselves and you don't have to loose any time in having it put in, and by making it ourselves, we are in a position to fully guarantee it in every way.

All work done in a painlessly pleasant way, and we are the acknowledged finest fitted Dental Establishment east of Boston, and equal to the best anywhere.

Call and see us. It is a pleasure to us to illustrate our Work and Methods.
