"NERVES" SHE CALLED IT

Losing interest—losing friends—she never went out—she never wore—she was too tired—she thought—she thought—but it was her kidneys, the filters of her blood, that needed attention. Delay meant danger.

She took Dodd's Kidney Pills at once. The improved action of her kidneys helped to clear away blood impurities and excess acids. Fatigue, headache, backache, lack of energy, disappeared.

The name of every person who has been granted a licence or who has already applied for a licence is being placed on the Board's mailing list. Your name will be added when your application is received.

To Get Your Licence

1. Get an application form at your nearest post office.

2. employees of a person or firm which is itself subject to licence.
3. operators of private boarding houses.

NOTE: Persons who have already applied for or obtained a Wartime Prices and Trade Board licence should not apply again.

WHAT THE LAW REQUIRES YOU TO DO

After March 31, 1942, any official, representative, or investigator of the Wartime Prices and Trade Board may require you to produce your Licence Identification Card if you are subject to this licensing order.

After March 31, 1942, you must notify the Director of Licensing of the Wartime Prices and Trade Board, Ottawa, in writing, quoting your licence number, of any change in the name, address, or character of your business within 10 days of such change.

You must retain your Licence Identification Card as it will remain in effect, unless suspended or cancelled, as long as the Maximum Prices Regulations continue. If you are already licensed, a Licence Identification Card, valid for the duration of these Regulations, will be automatically mailed to you before March 31, 1942. You need not apply for a renewal and there is no licence fee.
