ADAMSON'S BOTANIC BALSAM is the most deadly of all diseases of children. It gives very little time in which to seek remedies. A little tiredness—a cough—feverishness—stifled coughing—weakened voice—feeble pulse—delirium—convulsions—and even at this critical period **LIFE IS SAVED** if this wonderful balsam is administered. It should be always on hand and given at the first symptom but it will nearly perform miracles whenever used.

LOCAL BRIEFS

Latest News of the City
and Province.

Everywhere.

THE dredge Prince Edward will this week be laid up for the winter. The crew are expected in the city on Friday.

EMPIRE League, K. of P. meets in Mechanics' Hall, this evening at 8 o'clock. Members are requested to attend without further notice.

ADVERTISERS are asked to remember that all "change" and "business-local" must be in this office no later than 1 p. m. to insure insertion following morning.

SONS OF TEMPERANCE AT MOUNT HERBERT.—The ninth anniversary of Ever Onward division will be held in the hall at Mount Herbert on Tuesday evening, December 26. As these yearly meetings are always interesting the usual large attendance is expected. In this society are found excellent musicians and rare talent, so that a treat is in store for those who attend. Mr. Boyyar's Gramophone will furnish selections at intervals during the evening. Abundance of fruit and confectionery free. A small admission fee will be charged. Concert to commence at 7:30.

Do not forget the Toboggan Slide. The arrangements are under way and it is proposed to build the slide on perfectly safe and careful lines and while making a daring and high run for all who are fond of excitement to also have a shorter and lower run for the more timid ones so that all interests will be consulted. The slide would be under careful management, would be well lighted with arc lights and will be open every afternoon and evening. Special arrangements could be made by clubs of ladies and gentlemen for certain afternoons or evenings. All other winter sports are tame compared with the excitement of tobogganing. So bear this in mind when making your arrangements for winter sport.

The Pownal pastor on paying a pastoral visit to Mr. Thomas Burhoe, one of the oldest and most respected members of the Church on that circuit, was told of the long life of the members of his family. It is very unusual to find a family, at such an advanced age, so strong and active in their physical and mental powers. Their respective ages are as follows: Thomas Burhoe, Village Green, 86 years; James Burhoe, A. Nandaie, 85 years; William Burhoe, Annapolis, 80 years; Robert Burhoe, Kinross, 77 years; Jane Burhoe, (Mrs. Wood) New Bedford, 74 years. Total years of the five of them 405. The members of his family have always been industrious hard-working men and women. They have raised large and respectable families. They are all closely identified with the church of Christ, and never think it a burden, but a great privilege to devote a portion of their time and means of the establishing and extending the interests of the Redeemer's Kingdom. They have surely enjoyed the blessings of God as promised by the Psalmist to the one who calls upon Him: "I will be with him in trouble; I will deliver him, and I will honor him. With long life will I satisfy him, and show him my salvation."
