BEDEQUE

Miss Kathleen Logan of Halifax, N. S., has been the guest of her friend, Miss Violet Richardson at her parents' summer cottage at Stavert's Beach, North Bedeque.

Potato crops in these districts are looking fine and give every promise of an abundant yield. The beetle has not shown up to the extent of former years although it has not abandoned its activities. There is a report of a fly trying to ruin the tops but several have got relief by spraying.

The turnip and mangle crops are splendid; the rain which comes so frequently has greatly aided the advancement of these crops.

"Soft ball" is the sport that has given the boys and girls of these districts splendid entertainment. There are several teams organized and have about completed their schedule of games.

Miss Hester Inman of Central Bedeque has been spending a very enjoyable camping holiday with friends at York Point.

Miss Norma Johnson of Boston recently arrived home to spend her vacation with her grandfather, Mr. William Ramsay, Centreville Bedeque.

Mrs. Louis Muttart entertained the nurses of the Prince County Hospital on Tuesday evening, July 19th at her lovely home near the beach at Cape Traverse. After all had enjoyed a good old "swim" in the bay the hostess served delicious refreshments of strawberries and cream and a large variety of cake. Mrs. Muttart was assisted in serving by her sister, Miss Mary Bag, hall of the Prince County Hospital. The remainder of the evening was pleasantly spent with vocal and instrumental musical selections, and others joining in social discourse. The nurses were conveyed to Mrs. Muttart's home in motor cars and this jolly evening was brought to a close all too soon. The nurses extended thanks and a fond "good night" to Mr. and Mrs. Muttart for their kindness and hospitality before departing for their home in Summerside.

The many friends in the community will regret to hear that Mrs. Marjorie Blackmore of Ross' Corner had the misfortune of falling down stairs last week while visiting her daughter, Mrs. N. Woods at North Tryon. Mrs. Blackmore suffered injuries to her shoulder, but was able to return home Monday.

Mr. and Mrs. George Stavert and daughter, Miss Ruth and Miss Edith, have returned to Milton, Massachusetts, after a very pleasant holiday with relatives in WIL, not Valley and other parts of the Island.—B.

Wins Canadian Tennis Title

OTTAWA, Aug. 2.—(By The Canadian Press)—Frankie Parker, nonchalant youth from Milwaukee, rules the roost in the Canadian tennis world for the next year. The 16-year-old boy defeated the second ranking United States star, George Lott, of Chicago, in four sets here Saturday by 2-6, 6-1, 7-6, 6-2 to take the national title and the Meldrum Trophy.

He succeeds Dr. Jack Wright, of Montreal and Vancouver, who did not defend his title. Lott made a disappointing showing against the smiling lad from Milwaukee, angering the gallery in the last two sets by making little effort to win. He fell heavily to the court in the third set and thereafter didn't exert himself.

Olive Wade, of Toronto, became women's singles champion for the third time when she won from Marjorie Leeming, of Victoria, twice champion, in a well contested match by 4-6, 6-4, 6-1.

The finalists in the women's singles opposed each other again in the doubles, and this time Miss Leeming came out on top. Paired with her sister, Mrs. K. J. Galmond, of Toronto, the Victoria girl won the doubles 6-1, 6-0 from Miss Wade and her sister Mrs. O. E. Gray, of Toronto. The Toronto pair were never able to get started.

Colin Milne, of Vancouver, won the junior men's singles, defeating Bobby Murray, Montreal, in the longest and hardest fought match of the tournament, by 6-4, 5-7, 6-4, 6-7, 6-4. Helen Fulton, of Chicago, was much too good for Claire Walsh, Toronto, and won 6-0, 6-1, in the junior women's singles.

Miss Wade became a double champion when she and Grant McLean, of Toronto, won the mixed doubles title from Gladys Hutchings, of Bermuda, and Keith Werner, Philadelphia, after a stirring three-set battle. The scores were 4-6, 7-5, 6-4.

The veterans' singles went to N. Dudkoff, of Montreal, who beat A. S. Milne, of Vancouver, 6-4, 6-1. Mr. Dudkoff, paired with O. H. Day, of Ottawa, took the veterans' doubles downing W. L. C. Richardson and H. Nunn, of Toronto, in three sets, 6-8, 7-5, 7-5.

SEE BENNETT TO HEAD EMPIRE TRADE COUNCIL

OTTAWA, Aug. 2.—A report circulated from a reliable source yesterday states that Premier Bennett will likely head an empire trade council, expected to be created during the Imperial Conference for the purpose of co-ordinating or arbitrating the working of trade agreements between the nations of the commonwealth.

Premier Bennett desires trade agreements made at the conference to run for seven years. Others believe they could endure for three or four years. It is believed that the proposed council is in the form of a compromise. Agreements could then be made for an indefinite period, with the council deciding their duration.

JUNIOR CLUB WORK GROWS

A. E. McLaurin, Secretary of the Canadian Council on Boys' and Girls' Club Work, announces that a review of preliminary reports from all provinces indicates that the total enrolment in Boys' and Girls' Club Work this year is slightly ahead of 1931 when there were 1,877 clubs operating. With conditions what they are, he observes, the fact that club organization has been well maintained indicates that the constructive value of junior agricultural club work is receiving recognition.

PREMIER ADDS TO HIS STAFF

LONDON, Aug. 2.—Prime Minister Ramsay MacDonald has had to increase the size of his secretariat, until it is now the largest on record.

Ten private secretaries now assist the Prime Minister. Because of the impairment of his eyesight, the 65-year-old Scotlman more than ever requires secretarial assistance.

The Prime Minister's friends often have reproached him with his extreme reluctance to assign detailed work to his secretaries. Two additional appointments, however, have been made and his secretariat

Amateurs Face Tough Course

TORONTO, Aug. 2.—(By The Canadian Press)—New version of the storied struggle of youth versus age will be on exhibit here when aspirants to the Canadian Amateur golf throne swing into action in August's second week.
