## "Welcome, Evil, If Thou Comest Alone."

One evil that cannot come alone is impure blood. If this is allowed, it is attended by kindred ailments galore. This condition means that every vein and artery of the body, instead of carrying to the organs a health-giving flow of life, is laden with a slow and impure fluid that is harming instead of healing.

It is unfortunate when there is "bad blood" between people. It is worse when it is inside of you. Hood's Sarsaparilla will not make enemies friends, but it will make "bad blood" good blood, and blood should be of the best quality. Hood's never disappoints.

Pimples—"My face was covered with pimples and blackheads but after taking Hood's Sarsaparilla a short time, I was entirely cured, and my skin left smooth and clear. I recommend Hood's Sarsaparilla very highly." MRS. RYAN, North Street, Chatham, Ont.

Erysipelas—"I would strongly urge the use of Hood's Sarsaparilla for erysipelas or any serious disease. I have received great benefit from Hood's Sarsaparilla for the former complaint. It is an excellent blood purifier." MRS. H. D. WEST, Church Street, Cornwallis, Nova Scotia.

Tired Feeling—"I had no appetite and experienced a tired feeling. Different medicines did not help me. I tried Hood's Sarsaparilla and in a short time I was enjoying perfect health. Since then we always take Hood's Sarsaparilla when we need a blood purifier or tonic." MRS. S. KINCH, Beatrice, Ont.

Stomach Trouble—"I had pains in my sides and kidneys. Stomach and liver troubles caused my distress. I had doctored without avail and used many medicines unsuccessfully. My sister advised Hood's Sarsaparilla and in a short time it cured me. I am now stronger and sleep better. I shall never be without Hood's Sarsaparilla in the house." MRS. FRANKS, 209 Ossington Avenue, Toronto, Ont.

## Around The Question

### Dodging ?

Is often practised. We won't do it. We don't need to say our lumber is as good as you require—the BEST THAT GROWS. No need to tell you our Shingles are as good as going—they're cut to our order—can't be equalled.

There's no question about it—every customer will back it, each buyer advises it—THE BEE HIVE IS THE PLACE for Lumber.

## FOR BUSINESS WEAR.

Our made to order Suits make any ready made imitation seem ridiculous by comparison. To be sure, counterfeits pass for genuine coin and brass for gold at a distance, because both are yellow but the difference will out; brass isn't gold and ready made isn't Tailor made. The two are easily distinguished, one is cheap the other isn't cheap, one fits the other doesn't fit; we fit perfectly and invariably. Our large stock of Suitings gives every customer an ample field of choice in materials, Vicunas Cheviots, Broad Cloths, Serges, Worsted, Scotch and Irish tweeds, West of England Trouserings and Canadian tweeds.
