CITY AND COUNTRY

Guardian Correspondents Everywhere.

ANY girl desiring to learn type-setting should apply at this office at once.

ADVERTISERS are again asked to remember that all "changes" must be in not later than one p. m. each day to insure insertion following morning.

Mr. Murdoch D. McLeod of New York is visiting friends at his old home at Valleyfield. Mr. McLeod returns in September to resume his studies at Cornell Medical College.

Mr. George Bell of Murray Harbor, South, was in the city yesterday after many years absence. Mr. Bell sees many improvements since he removed from this city some sixty five years ago.

THE P. E. I. Hospital wishes to thank Mr. William Acorn of this City for kindly donating a swing chair, Miss P. McKinnon Royalty, for vegetables and flowers; also Mrs. W. Andrew and Mrs. Compton, for gooseberries.

THE Baptist Sunday School of Tryon intend holding their annual picnic at the parsonage grounds on Wednesday, August 7th. A visitors' table and refreshments will be provided and games will be the order of the day. All should attend.

THE GUARDIAN has received a book descriptive of the Dunvegan and the Montrose apartment hotels erected some time ago on the corner of Massachusetts Avenue and Shepard St., Cambridge, with sundry pictures and plans. The buildings are owned by William G. McLeod, a brother of Mr. Hector McLeod, Royalty. Mr. Fred Cameron of this city is in charge and particulars may be had on the premises.

Mr. George A. Mollett of Little York, who has been teaching the Cumberland Hill school, Dundas, for the past year, has lately resigned his position and intends leaving for Alberta, N. W. T., in the course of a few days. Mr. Mollett is a young man of sterling character, possessed of more than ordinary intelligence, and will no doubt be successful in the land of the west. Although only a citizen of Dundas for a little over a year, he made himself very popular, and will be much missed in church and social circles. He is succeeded by Miss Ada G. McDonald of Dundas.

YESTERDAY THE GUARDIAN had a short conversation with Mr. G. D. Longworth in reference to the new electric light company which it is alleged had been formed. Mr. Longworth said the different lighting companies are running under the one management. The details have not all been arranged but as soon as they are a meeting of the stockholders will be called to elect directors. It is expected that the whole thing will be completed by Sept. 1st. It has been arranged that at the expiration of a year the plants will be removed to the grounds of the Gas Works.

SALVATION ARMY NOTES.—The welcome meeting takes place on Wednesday night when Brigadier Sharp, the Eastern, Provincial Officer and Adj. and Mrs. Do well the Klondyke Pioneer, as well as Capt. T. Urquhart will make their start on the three days campaign. Thursday the corps and their visitors and friends will go for an excursion to Red Point. Here meetings will be held under the leadership of the Brigadier. Bring your basket. A lunch counter will be there for those who can't do so. Refreshments will also be on hand. The grove is in nice condition and the beach is one of the best if not the best on the Island. Come and spend a good day with the Army. Friday the Klondyke Lecture will be given by Adjutant Dowell, the pioneer of the home in the gold region. Don't fail to take this in.

NORTH TRYON.—Hay-making is practically over in this vicinity and the mower-lain aside for this season. The crop, which was a satisfactory one, has been housed in good condition owing to the excellent drying weather this season. Dry weather continues though we have a few rain showers occasionally, but this is only a little of what is very much needed. The potato bug has been in the sunshine on the potato stalk, thanking Providence for the hot dry weather and laughing at the poor farmer diligently searching for Paris green, which is scarce. —Mr. S. N. Dawson, returned on Saturday from Maine, where he was attending the races in which his famous trotting horse, Leewood, was contesting. —Miss Lizzie Hinton, Summerside, is rusticating in Tryon, while here she is the guest of Mrs. Geo. Ives. —Mrs. Jackson, of Boston as visiting relatives and friends in Tryon as the guest of Mr. and Mrs. Matthew Callbeck and family. —Mr. Geo. Ives and son Bruce, are on a tour to the City. —Mr. John Reid, was in Tryon a day or two ago visiting Hon. S. E. Reid, Speaker of the House of Assembly.

THE EDITOR'S MAIL

Civic Affairs.

Sir.—What is the matter with our Street Lights and our City Inspector? Lights are allowed to be out or almost out for days at a time—that too in places having sidewalks not safe to tread upon in the dark. As a result a prominent citizen was injured a few nights ago, yet the Electric Light Co. and the City Surveyor would seem to be awaiting a more serious injury before taking action. One of our streets and not a very short one, having a sidewalk dangerous to walk upon even at mid day, can boast of one lamp only—and even that one for many weeks had been exceedingly dim but for the past week it has shed no ray at all. Where is our city luminary?

CONGRATULATES THE DISCOVERER.

Famous Dodd's Kidney Pills have Won Further Testimony in Hamilton.
HAMILTON, Ont., Aug. 5.—(Special)—William Widdicombe, of 79 Aurora St. Hamilton, is a delighted man these days. He writes: "I would like to congratulate the discoverer of Dodd's Kidney Pills on the wonderful merits of that remedy. "I have been in ill health for the past year and of late unable to attend to my work, suffering with severe pains in my back and loins. I was indeed so crippled as to be unable to walk, and was continuously in agony. "My family physician failed to relieve me pronouncing my trouble Rheumatism. I rapidly grew worse, and was finally persuaded by several friends to try Dodd's Kidney Pills and did so. Today I am a well man, and thanks to Dodd's Kidney Pills, never felt better in my life."
