How You Can Best Keep Your Butter Fresh and Clean

BUTTER, like any other dairy product can't be exposed to the air for any length of time without becoming stale and tainted.

EDDY'S FIBEWARE BUTTERTUBS will keep butter in its original fresh state for an indefinite period of time because not only can they be made air tight, but the material from which it is made is such as to keep it always clean and free from taint. INDURATED FIBREWARE is light and strong, made into one solid-hardened mass of heavy hydraulic pressure. FOR the farmer there is nothing better than Eddy's Fibreware Buttertubs, pails, etc., because of their endurance and light weight.

SUNDAY SCHOOL LESSON LESSON XIII. MARCH 31. REVIEW GOLDEN TEXT "The people which sat in darkness saw a great light, and to them which sat in the region and shadow of death, to them did light spring up."—Matt. 4: 16.

FOUNDED SUGGESTIONS By Rev. D. W. Snider. Join the Baptist was the child of promise and of prayer. Blessed are the children with such an inheritance, but tremendous also is their responsibility. Obedience is the most clear-cut expression and proof of faith. And it must utter its voice, for the matters of faith are those of song. Doubt could never frame a Benedictus. Your tribute to the Bethlehem Babe is the measure of your faith in the revelation which Jesus brings from God to men and of the manner in which He reveals the Father. Faithful men, like Simeon, righteous and devout, approach their graves with calmness and serenity. Their satisfaction and rest in God. They see the tokens of His love to men and the fulfillment of His promise where others are blinded by their worldliness and filled with fear because of their sins. Unusual ministries gave welcome to the birth of Jesus. It was fitting. God does not permit the true worshiper to be wrongly guided. Where there are those who are willing to bring their homage and to offer their choicest gifts to Jesus there is also a star of guidance that will not fail them. It will shine in the heaven of their souls if nowhere else. Loyalty to one's parents is the one true mark of worthy childhood. The wisdom of Jesus among the doctors was indicative. His coming greatness, but His obedience to Joseph and Mary was the sure mark of His goodness. Had He failed there it would have been failure everywhere. The pioneer preacher has a hard task, but his heraldry is glorious. If, however, his message be not decisive and true or his spirit humble, none can build upon his labors. Interest in the story of the temptation of Jesus is never wanting, for men know what temptation means. When they will learn as well how to meet the tempter, interest in the Word of God and belief in its power will increase and abound. Discipleship carries with it, when faithful, all the prestige and honor of the One who is Teacher and Master. Jesus exalted those whom He called. They were the gainers, and through them the world has gained. There is no calling which can ever outrank that of a disciple of Jesus. Infirmities are dealt with in the economy of grace as burdens are lifted from the lives of men. When Jesus sees them He is moved with compassion. "Himself took our infirmities and bore our diseases." Nothing is too hard for faith to attempt and nothing is too hard for God to accomplish. He can save to the uttermost. God is no respecter of persons, and it follows that the business of a man creates no barrier against His mercy. Wherever there is one who will cease to do evil and learn to do well and follow Him he may count upon the protection of His love. He seeketh such. Salvation is the great word of the New Testament story. "His name shall be called Jesus. He shall save His people from their sins." Joyful tidings! "Spread the tidings all around. Jesus saves, Jesus saves!"

\$3.50 Recipe Free For Weak Men. Send Name and Address Today—You Can Have it Free and Be Strong and Vigorous. I have in my possession a prescription for nervous debility, lack of vigor, exhausted manhood, failing memory and lame back, brought on by excessive, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes, without any additional help or medicine—that I think every man who wishes to regain his manly power and vitality, quickly and quietly should have a copy. So I have determined to send a copy of the prescription free of charge, to any man, ordinary or aged, who writes to me, and who will write me his name and address. This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of debility, manhood and vigor ever put together. I think I ought to my fellow man to send them a copy in confidence, so that any man who is weak and discouraged with repeated failures, may stop drugging himself with harmful patent medicines, secure what he believes is the quickest-acting restorative, and build up his system with a remedy that is safe, and quick. Just drop me a line, like this: "Dr. A. E. Robinson, 387, Lake Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$200 to \$300 for merely writing out a prescription like this—but I send it entirely free."
