## BEARCATS TO REPRESENT CANADA AT GAMES

### Port Arthur Team Wires Acceptance

(By Arthur Merkel Canadian Press Staff Writer)  
**HALIFAX, Nov. 22**—(C.P.)—Port Arthur Bearcats, the light speed demons of the West that were beaten in the Allan Cup finals last spring by Halifax Wolverines, will represent Canada at the 1936 Olympics in Berlin, President E. A. Gilroy of the Canadian Amateur Hockey Association announced today.

The Bearcats wired prompt acceptance to an invitation this afternoon to go to Berlin and he immediately declared they would compose the Canadian team with the possible addition of four Wolverines remaining in Halifax after a breakup of the club had forced officials to announce the Allan Cup champions would not go on the ice this season.

In a statement reviewing negotiations that led to Port Arthur being asked to go to the Olympics President Gilroy said:

"On Wednesday afternoon representatives of the C. A. H. A. President Gilroy, secretary and executive member George Dudley, with P. J. Mulqueen, chairman of the Olympic committee met with J. E. Wry, President of the Halifax Wolverines.

"It was agreed that further time be given the Wolverines before giving their final word as to whether they could send their Allan Cup team.

"Today Mr. Wry and Mr. Conn advised me officially they would be unable to send a Halifax team. On receipt of same I invited the Port Arthur team to replace them. Their acceptance was wired immediately.

"The Port Arthur Bearcats will be strengthened by the C. A. H. A. and I will personally recommend to that body they give players, Mosher, Ferguson, Lawlor and Bubar, still residing in Halifax, first consideration."

### Plays Tonight

BILL MILLER

**MONTREAL, Nov. 22**—Bill Miller who was a star on both Moncton's two-time winners of the Allan Cup, will be in action in National Hockey League wars for the first time this season over the weekend with Montreal Maroons at Toronto Saturday night.

Tommy Gorman decided Dave Trotter needed rest for an injured ankle incurred in the game with Canadiens last night and moved Joe Lamb, former Sussex amateur, into the vacant spot with Russ Binco and Earl Robinson.

Miller will be used as utility man to fill in where the pressure is heaviest. He witnessed both Maroons' previous games from the bench.

### Giants Trade Parmelee For Whitehead

**DAYTON, O., Nov. 22** (A.P.)—The auctioneer's hammer fell for the last time at the Minor League Baseball mart today and the customers hustled back home for final conferences in preparation for the major league market in Chicago next month.

Deals involving at least a score of important big league players are certain to be announced at the Chicago mart, which opens Dec. 12.

As the Minor League meeting closed, it was announced the 1936 meeting would be held at Montreal, Nov. 18 to 20.

Baseball managers were offering odds with no takers that Philadelphia Athletics had sold shortstop Eric McNair and out-fielder Roger Cramer to Boston and third baseman Pinky Higgins to the Yankees, and that first baseman Jimmy Fox would stay with the A's.

"It's a cinch Jimmy will stay there," said Jimmy Dykes, White Sox manager and a close friend of the Athletic home run hitter.

Dykes also said the White Sox had given Detroit a final "take it or leave it" chance to get Al Simmons.

Cincinnati picked up four minor leaguers and St. Louis Cardinals released "Fidgety" Collins, veteran pitcher, to their Columbus farm in the American Association.

The Reds bought George McQuinn, southpaw first baseman, from New York; Lee Stine, right-handed pitcher, from the White Sox via the St. Paul club; Bill Raymond, catching prospect, from Oakland, and Herb Walker, outfielder and brother of Gerald Walker, from Detroit. In the Stine deal, the Reds gave up infielder Joe Morrissey, who in turn, was sold to New York Giants.

Only two important deals involving major league talent were officially announced. Pittsburgh sent catcher Earl Grace, pitcher Claude Baseau, and cash to Philadelphia for catcher Al Todd.

New York Giants traded pitcher Roy Parmelee to St. Louis Cardinals for second baseman Burgess Whitehead.

### ALL BLACKS IMPROVE

**LONDON**—The defeat inflicted on the New Zealand touring rugby team by Swansea late in October acted as a real tonic and pessimistic critics who could see only defeat for the famous All Blacks in the forthcoming international matches are beginning to change their tune. In recent games in Wales the tourists played like a side transformed and many observers predict they will not be beaten again on the present tour.

### Sharkey Easy Winner In Opening Comeback Bout

**BOSTON, Nov. 22**—Jack Sharkey, a most unusual brawler in his prime, tonight launched his comeback campaign against Eddie "Unknown" Winston, Hartford, negro, under the most unusual circumstances.

The former heavyweight champion registered two separate and distinct knockouts over his frightened opponent in three minutes and 10 seconds of fighting, but the first knockout for the full count was ruled out by Referee Johnny Martin, who, supported by one of the judges, accused Winston of not trying.

Martin declared the fray a no-contest and the crowd of 12,470, the largest a Boston Garden bout has attracted in years, roared a mighty protest.

Sharkey, pale and unnerved by this ending, slowly gathered his senses as a noisy throng surged about the ring. He ordered Johnny Buckley, his robust manager, to make a personal appeal to the members of the State Boxing Commission that Winston be permitted to make a fresh start. After five minutes of wild excitement, Commissioner Daniel Kelly granted Sharkey's plea.

Winston was a bit more aggressive the second time and he managed to land two or three light left jabs during the no. two first round, and about the same quota before being dropped twice, under heavy barrages to the head, in the second session.

The first barrage sent Winston down for nine and, after he suiled

### "A CANADIAN TEAM"

**HALIFAX, Nov. 22**—(C.P.)—"The more money the branches can raise, the more entries can be sent to the Olympic Games," Fred Marples of Winnipeg, treasurer of the Olympic Committee of the Canadian Amateur Athletic Union told delegates at the committee meeting here today.

The athletes were in a financial position they had never before been in, and every sport intending to participate in the Olympic Games will have to raise money to help finance the expenses.

President R. J. Mulqueen told the committee that no sporting team would be distinguished but the entire body of athletes would be sent just as "A Canadian Team."

himself upright and started reeling, Sharkey nailed him in the centre of the ring and sent him back to take the 10-count with an uninterrupted series of lefts and rights to the head.

### Not For Sale

CONNIE MACK

**PHILADELPHIA, Nov. 22**—Connie Mack, manager of the Philadelphia American League baseball club, laughed today at a report that the Athletics are to be sold.

"No, the club isn't for sale," he said. "I never heard about it, any how. And it would seem that I would, wouldn't it?"

The report gained circulation after a report Jimmy Foss, Eric McNair, Pinky Higgins and Roger Cramer, four Athletic stars, had been sold.

#### THREATEN SUSPENSION

**HALIFAX, Nov. 22**—Fearlessly meeting the third major problem of its 48th annual meeting, the Amateur Athletic Union of Canada decided tonight to suspend its Eastern Ontario Thunder Bay and British Columbia branches unless their dues and arrears were paid up within three months or satisfactory arrangements made.

#### BEAVERS 3, MONCTON 2

**SAINTE JOHN, N. B., Nov. 22**—Saint John Beavers, re-organized for the Southern New Brunswick Hockey League, squeezed a 3-2 win tonight out of a hard-fought exhibition battle with a fast-skating Moncton team coached by "Dud" James, who formerly played for the late Moncton Hawks with Bill Walker, Beavers' manager.

All three Saint John goals came in the third period when Beavers hit a fast clip and outplayed the youthful hub sextet centred on one line of Ken Carroll, veteran of Maritime hockey wars.

Saint John's gang attack began soon after Gould, Moncton centre, made it 2-0 for the visitors. Nadeau, Murphy and Gulliver scored in succession, the latter breaking the deadlock from the Moncton blue line with less than 30 seconds to go.

Malenfant scored Moncton's first goal early in the opening period when he capitalized on Bell's pass-out.

### ALONG THE SIDELINES

After eight years of earnest effort a Queen Square School football team finally achieved its goal by recapturing the Inter-scholastic title—a crown they last held in 1927. Today they will be congratulated on all sides and they richly deserve the plaudits.

They proved to be one of the gamest teams ever to wear the purple and white colors and it was their unconquerable spirit that played the major role in their unexpected victory. Many times during the bitterly waged series spirit alone carried them through and when it came to the final showdown they displayed the necessary punch to carry them to the heights.

And to the vanquished West Kent team commendation in a large measure, is also due. As the final minutes ticked by in yesterday's game it became more apparent that the title was slipping from their grasp but rather than become disheartened they fought back all the harder and were rewarded by their converted try. It wasn't enough but it can be said of them they went down like real champions, fighting to the last.

The series just finished was probably the hardest fought since the McMillan Trophy was first put up for competition. Every game was a battle royal and this is well borne out by the fact that in the four games played the points scored read: West Kent 14, Queen Square 15, the new champs gaining the advantage by their deciding 6-5 victory yesterday. Close battling that should prove hard to equal.

### Klick Earns Decision Over Roth

(By Eddie Briefs)  
**NEW YORK, Nov. 22**—Frankie Klick, San Francisco lightweight star, flung another challenge at Champion Tony Canzone tonight by cutting young Al Roth in the New York all around the ring in the 10 round main bout of an all lightweight card in Madison Square Garden.

The weights were 133 1-4 for Klick and 134 1-2 for Roth.

Old Frankie lay back for four rounds while Roth shot his bolt, then stepped in and won the decision pretty much as he pleased. It was unanimous.

A disappointing crowd of less than 8,500 customers paid approximately \$15,000 to see the popular Klick demonstrate that he still can step with the best of them. The Associated Press score card gave Roth four rounds and Klick six. Roth didn't win a round from the
