C. Lyons & Co

Dustbane

Every house keeper knows that sweeping dust is an awful bother and causes lots of extra work. Some know that when this dust is inhaled it often causes sickness. One cannot afford to do without Dustbane.

It is not only a great labor saver but it kills germs and often prevents sickness.

Dustbane

from your grocer today. Dustbane is packed in bbls and kegs for large users

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save your hair! Double its beauty in a few minutes—try this.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fashish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe regardless of everything else advertised, that if you desire soft lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. It eventually—why not now.

***** IF YOUR EARS RING WITH HEAD NOISES ***** If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Parming (double strength), and add to it 1/4 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful, four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing became easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial. *****
