MR. W. CHESTER S. MCLURE  
Conservative Candidate for Queen's

Mr. W. Chester S. McLure, Charlottetown are household words wherever foxes are bred or furs sold. He is as well known and popular in the fur trade of London, England, New York, Chicago, Philadelphia, Montreal and Toronto as he is in his native Province. "Chester," as he is popularly known, has risen to preeminence in business and public life by means of sheer ability, determination and enlightened vision. He always has seen beyond the present and worked for the future. Educated at the far-famed Prince of Wales College, he taught school for a while and then entered business as a dry-goods clerk, speedily blossoming into an ambassador of trade on his own account, in which he developed a remunerative business. He was one of the first to see the great possibilities of domestic breeding of silver foxes, and entered upon that industry with zest and enterprise in 1912, at a time when most people were looking upon it as a bubble soon to be pricked. Today he is still in that business, known far and wide as the "dean of the fur trade."

In addition to being interested in the Vimy Ranch along with his equally enterprising partner, Col. D. A. MacKinnon, D. S. O., and the Hudson's Bay Company, he is along with the Colonel representative of the Hudson's Bay Company for which Messrs. McLure and MacKinnon have built up a most lucrative and steadily growing business in the Maritimes. Mr. McLure is in public life not so much because he sought it but because it sought him. In 1917 when he was in New York on a business trip, the Conservative Party of Queen's County, wired him offering to submit his name for nomination at the then forthcoming convention. At that time he could not see his way clear to accept this flattering offer, but later consented to run for the Provincial Legislature for the city, and was elected. In 1927, when the Liberal sweep of the Province occurred, Mr. McLure was one of the few survivors retaining his seat along with Hon. Dr. W. J. MacMillan. At the last Queen's County Conservative Convention, he along with Hon. John H. Myers, was unanimously chosen to carry the party colors at this general election.

Mrs. L. E. Prowse, Hillsboro Square, and also of Mr. Jos. K. Stanley, While in the city he is a guest of the former.

**CIRCUS MAN HERE**—One of the oldest and most highly esteemed circus newspaper men on the Continent, Mr. Eddie Jackson, is here in connection with the advent of Al G. Barnes Circus. Mr. Jackson was here with Spark's Circus in 1925, and has been on the road with the leading circuses since "before time." He says Barnes Circus is one of the largest and best on the Continent, bigger than Sparks, which was the largest ever to visit here. Barnes takes 30 cars to convey it, while Sparks takes 20. In addition to this, the wild beast show and the circus performances are away ahead of anything ever seen in this part of Canada. Mr. Jackson is most favourably impressed with the prosperous, happy conditions prevailing here—the best place he has visited since leaving the Southern States.
