## FOR YOUR FOX WIRE

The oldest dealers in ranching supplies. We have had years of experience in using ranchers needs. Our Netting is used exclusively by many of the largest and oldest ranchers in P. E. I. and, what is more significant, when extending their ranches.

### They Always Ask For "PEERLESS"

This is an ENGLISH NETTING of very superior quality, galvanized before and after weaving. It is very strong and durable. It is also easily handled as it lays flat—does not sag or stretch even when hung by an amateur.

WE WILL BE GLAD TO GIVE YOU PRICES OR INFORMATION AT ANY TIME.
