Seedling machine.

A REMARKABLE RECORD.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all druggists.

It is proposed to issue a handsome folder showing tourists and other advantages of the several trips of the City of London next season. It will include a heat map and a general write up of P. E. I. summer resorts and will be placed in the hands of every tourist agent in the New England states and Canada. It is quite evident that the management believe in the full use of printers ink.

MANY friends were pained yesterday to hear of the death which took place during the night of Miss Margaret E. Thomson, second eldest daughter of John L. Thomson, Station Agent P. E. I. R. She deceased some time ago contracted a severe cold which resulted in consumption and her demise at the early age of twenty six. Miss Thomson, formerly taught in the Western part of the Island and later at Summerside. Some time ago she resigned her position and till a few months has been her father's assistant in the Railway ticket office. The deceased was a favorite among all with whom she was acquainted. To the bereaved father, and sisters, Mrs. Campbell, Barney's River N. S. Mrs Herber, Piquette, and Miss Ethel and her brother Willie at home; The Guardian joins in extending its heartfelt sympathy.

MOTHERLY ADVICE.

From One Whose Daughter Was Restored to Health

Had Suffered From Headaches, Dizziness and Faint Spells—Feared at one Time that Consumption Would Follow.

All the freshness of youth, the rosy cheeks and bright eyes of girlhood, the charms of budding womanhood, are due to pure, rich blood and healthy nerves. When the face is pale and the eyes lack lustre, when there are headaches and backaches, shortness of breath and palpitation of the heart the blood is seriously out of condition, and decline and consumption may well be feared. In emergencies of this kind there is no medicine so certain in its beneficial results as Dr. Williams' Pink Pills. Every pill makes new rich blood, strengthens the nerves and puts the sufferer on the road to health. Proof of this is found in the case of Miss Bertha Milloy, Port Dalhousie, Ont. The story of this young lady's restoration to health is told by her mother as follows:—A few years ago my daughter Bertha began to decline in health. Among the early symptoms were loss of appetite, loss of strength and an aversion to exertion. These were followed by severe headaches, and sometimes fainting fits; her color left her and she was greatly reduced in flesh. In fact her condition was such that I feared she would go into consumption. We tried a number of medicines but they did not help her; then a doctor was called in, but there was no improvement, and things looked very hopeless. At this stage acting on the advice of a lady friend (who by the way, was studying medicine and is now practicing in Chicago) I started giving her Dr. Williams' Pink Pills. In the course of a few weeks there was a decided improvement in her condition, and by the time she had taken nine boxes she was again enjoying perfect health. During her illness her weight was reduced to ninety-five pounds and while taking the pills it increased to one hundred and ten pounds. My advice to other mothers who have weak or ailing girls is to lose no time in giving them Dr. Williams' Pink Pills. Nearly all the ills of life are due to bad blood, and they are cured by Dr. Williams' Pink Pills simply because these pills make new, rich blood thus bringing strength to every part of the body. That these pills have cured after other medicines have failed. All medicine dealers sell these pills, but there are some who offer substitutes; see that the full name 'Dr. Williams' Pink Pills for Pale People' is printed on the wrapper around every box. If in doubt send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be sent by mail at 50 cents a box or six boxes for \$2.50.

AGENTS SAFE IN ST JOHN.

ST JOHN, October 14—The ticket agents have had possession of the city this afternoon after the clam bake at Westfield. They are a remarkable jolly crowd and down to midnight had eluded the storm of disasters which has befallen them in other places.

Ordinary Headache Cures.

Contain morphine, opium, and other deadly drugs. They affect the heart and should be avoided. Better have headache than heart disease.

The popular Japanese Headache cure, Zutoo Tablets is surely vegetable, does not affect the heart and will cure Headache in thirty minutes.
