..•**WILL THE PARTY** who removed a double cooler horse blanket from the sleigh of Mr. John Gay, while said sleigh was in shed, kindly return immediately as party was seen from MacLean's Forge Shop.

..•Mrs. Clifford Floyd, Cambridge, Mass., accompanied by her young daughter, Christina, is at present visiting her parents, Mr. John A. Campbell, M.L.A., and Mrs. Campbell, Heatherdale. On Thursday Mrs. Floyd was a visitor to Montague where she renewed many old acquaintances.

..•**ACME REBEKAH LODGE** — At the close of the regular session of the Acme Rebekah Lodge, Montague, on Thursday evening, the members and their guests from Hillside Lodge, I.O.O.F., enjoyed a social evening. A very entertaining, as well as profitable, feature of the program was an auction sale of articles, with Miss Alberta Martin acting as auctioneer. The sum of $20.15 was realized. Following the sale, the members played auction and bridge, after which a delicious lunch was served by a committee of the ladies.

..•**MONTAGUE CURLING RINK JOURNEYED TO ALBERTON**—On Friday a team representing the Montague Curling Rink journeyed to Alberton to compete in the Regal trophy playdowns. Those comprising the team include C. J. Boudreault, skip; Ralph Beck, mate; Doug Coffin, second stone, and Ernie Carver, third stone. The Boudreault team won the right to play in the Regal playdowns by defeating a team skipped by H. Higginbotham by the scores of 6-10, 12-5, and 13-12. Mr. Boudreault and his team were quite confident that they would give a very good account of themselves, and expressed high hopes of coming home with the trophy. Should such happen, they will receive every welcome from the club. On Thursday night the competition of the Clarkson Shield playdowns took place with A. E. Sullivan defeating F. G. MacIntyre by the score of 9-8. In the semi-finals which took place at 7 p.m., F. G. MacIntyre defeated R. W. Beck 11-9 for the right to meet A. E. Sullivan who drew the by. At 9 p.m. the two teams met on the ice before a crowded clubroom of spectators who were to witness a thrilling game. Both teams curled superbly with each acquiring either one or two points so that at the end of the 8th end, they were tied at 7-all. On the 9th end MacIntyre laid one on the button, but Sullivan came down to knock it out to lay one in on the side, after which his second also laid on the inner circle to put him two up. MacIntyre, now out to win, played clever curling, and was laying one when the skips went down to shoot. Sullivan placed one on the inner circle. MacIntyre missed. Sullivan then placed his second beside the first with about four inches between the stones, thus laying a perfect set-up for MacIntyre to tie the game. At this point argumentation was rife in the clubroom as to where the broom should be placed. On a fast inturn MacIntyre laid down the stone. Groans came forth from all as the rock just barely missed one stone and took out the other leaving his stone at the centre but counting only one. Congratulations were extended to Sullivan on his winning of the Clarkson Shield for the first time.

..•**YOUNG PEOPLE'S SOCIETY MEETS** — The regular meeting of the Young People's Society of the Presbyterian Church, Montague, was held at the home of Miss Janet Dewar on Tuesday evening. The president, Miss Anne MacEachern, presided. The devotional period was conducted by the president, assisted by Miss Dewar. The Bible Study was conducted by Rev. F. N. Young. The minutes of the last meeting were read and approved. Roll call was answered with a verse of scripture. A short business period followed, after which the meeting adjourned.

Georgetown and Vicinity

Friends of Mr. Russell White are sorry to hear that he has been confined to home for the past few weeks with illness and all hope his recovery will be in the very near future.

What might have been a more serious accident happened on Friday morning when Miss Darling, Public Health Nurse, was proceeding by car near Georgetown. In the vicinity of the Stone Arch, on the main highway, Miss Darling's car, encountering an icy portion of the road, rolled over into the deep ditch. Workmen in the nearby woods on hearing the noise made haste to the scene and found the car overturned, with the motor still running. The extremely fortunate part of the incident was that Miss Darling escaped with little more than a bad shaking up. The car was towed to a garage in Georgetown later in the day. It had sustained considerable damage.

On Thursday night the Town Council held a special meeting at which Mayor P. L. Boudreault presided. The various committees to govern the different phases of Town management were appointed. The Council, with the exception of one member, are new to their duties, and the Mayor spoke at some length on Council procedure. Mayor Boudreault has previously inspected the Fire Hall in company with Councillor H. Martell and reported finding equipment in excellent condition. The Council instructed the clerk to post notices calling for applicants for the position of Fire Chief. The following is a list of the various committees appointed:

Finance Committee: Councillor Richard Dougan, chairman; Coun. Thomas Rexton, Coun. Walter MacLean.

Streets and Sidewalks Committee: Councillor Thomas Renton, chairman; Coun. Henry Martell, Coun. Guy Hemphill.

Public Property Committee: Councillor Richard Dougan, chairman; Coun. Guy Hemphill; Coun. Emerson Llewellyn.

Police and Lights: Councillor Walter MacLean, chairman; Coun. Guy Hemphill, Coun. Thomas Renton.

Fire Engine and Equipment: Councillor Henry Martell, chairman; Coun. Emerson Llewellyn, Coun. Guy Hemphill.

While enjoying a sail on his ice boat over the glass-like surface of the harbour on Friday afternoon, Mr. Fenwick Lavers had an encounter with the icy waters, in an experience he will long remember. With the wind blowing quite strongly from a northerly direction his ice boat refused to come about despite his most persistent efforts and he was forced to abandon ship. The speed at which the boat was travelling at the time sent him spinning over the glib surface, finally landing in the frigid open waters. Fortunately it was close to shore, but the water was shoulder deep, through which he made his way to land, at a point in the vicinity of Westaway's Light House. From there he proceeded on foot to the Lower Montague Ferry Wharf, thence over the ice in the direction of Georgetown. By this time his clothing were in such a frozen state that after falling on the slippery surface, it would have been with extreme difficulty, if at all, that he could have made the crossing, but fortunately Mr. William Fouchere happened along with a horse and sleigh and he drove Mr. Lavers to his home in Georgetown. His many friends are congratulating Mr. Lavers on his good fortune in surmounting the rigors of his harrowing experience.

Murray Harbor Down Cornwall

The Murray Harbor Blackhawks and the Cornwall C.C.'s tested their mettle at Murray Harbor on Saturday night in a splendid game of hockey which resulted in a 5-2 score in favor of the Blackhawks.

Both teams were in top shape, well matched, and staged a fast, clean game all the way through.

The Cornwall players want to thank the Eastern team and the people of Murray Harbor for the fine hand they received at Saturday night's game, and are looking forward to a return match to be played at Cornwall in the near future.

The Cornwall team chartered a bus to transport them to the scene of battle, and were accompanied by some 30 local fans.

Murray Harbor and Vicinity

Miss Annie Harris of Ottawa is visiting her home in Murray Harbor.

Mr. and Mrs. Don MacGregor of Montague were visitors to Murray Harbor over the week-end.

Mr. and Mrs Sandy MacDonald of Montague were visitors to Murray Harbor on Sunday.

Mr. and Mrs. Carl Johnstone of Montague were visitors over the week-end.

Ice is being cut and stored these days. The ice is of a fine quality about fourteen inches thick and clear of any snow.

Not so much ice is being stored by fishermen as in former winters. Perhaps they are depending on the government freezer for their bait.

Skating is good on the river now and quite a number were skating Sunday, some of the older folk getting limbered up before they make their appearance on the rink ice.

Ev. Robertson, our capable boat builder, has about completed a new boat for Wendall Robertson of East Point. All feel sure that Wendall will like this boat built on fine lines and out of well seasoned plank. Ev. has two more to build for other parties.

Two games of hockey were played at the Murray Harbor rink on Saturday night. The first one was a game between the juniors of Murray Harbor and the juniors of White Sands resulting in a score of 8-3 for Murray Harbor.

The second game was a nice one to watch, between the Cornwall team and the Black Hawks of Murray Harbor. The Cornwall team is a squad of fine looking young men with a nice uniform, but they lacked the ability to cope with the home team and bowed to a score of 5-2 for Murray Harbor. A return game is to be played at Cornwall on their open air rink.

SEARLETOWN W. I.

The February meeting of the "Willing Workers' Institute was held at the home of Mrs. Frank Bell. The meeting opened in the usual way. Roll call was responded to by each member reading a Valentine verse. One visitor was present. Minutes of last meeting were read and adopted. Reports of committees were heard. Mrs. Neil Bradshaw thanked the members for fruit sent to her mother during her illness. School committee reported need of dustbane and paper towels for school, and the buying committee was instructed to get same. New committees for next three months are as follows:

Sick: Mrs. A. Palmer and Mrs. K. Muttart.

School: Mrs. W. Wright and Mrs. J. Blackmore.

Buying Committee: Mrs. Frank Bell and Mrs. T. Newsome.

It was decided to pack a box of clothing for Britain. This box is to be packed at the home of the president.

A group of four was appointed to arrange a shower for a girl in the district. A discussion followed on the purchasing of a new teacher's desk for the school and it was decided to interview a party in a nearby locality about the building of one.

Those wishing to subscribe for the Institute News are asked to pass their subscriptions to the secretary before the middle of the month. A program on Founder's Day was carried out. Collection amounting to 85c, and a bazaar donation from Mrs. Palmer were received.

For next meeting each member is asked to bring sewing or knitting for next fall's bazaar. Roll call is to be answered with a donation of "Get Well and "Sympathy" Cards for Institute use. Place of meeting undecided. A delicious lunch served by the hostess, assisted by Miss Mae Bradshaw brought the evening to a close.
