Discussion is at present underway to reform the Montague Tennis Club which was so successful last year. During that period the tennis court was completely fenced around and the courts levelled off. The club also placed a volleyball court adjacent to the tennis court where many of the club members enjoyed themselves while waiting for a free court. This year the club hopes to put a new layer of top soil on the courts so as to acquire a better packing surface, and to prevent dust accumulation. Negotiations for this soil was made last year, and every attempt will be made to have it placed here this year. The club expects to have an increased membership this year owing to the avid interest which was so apparent last year. Particular attention was placed last year in having the school children enter the club so that they might learn the rudiments of the game at an early age. This year it is expected that a special program will be inaugurated for this younger group so that they will have more opportunity to play in an organized schedule. It is also hoped that the club will renew the tournament series with the other clubs which were formerly so popular in years past, and which were always accompanied by a tennis dance. Besides the placing of new top soil the club has the intention of eventually erecting a club house which would be a most welcome adjunct to the club and provide a meeting place for the members. It is possible that this will be an important year for the local club, and they are wished every success in their activities.

Mrs. P. H. Doyle and two children, Helen and Howard, visited Mrs. Doyle's former home in Alberton South on Wednesday.

Mr. and Mrs. Allison England were recent guests here at the home of Mr. and Mrs. Erskine Campbell.

Mrs. Billie Callaghan recently enjoyed a short visit in Alberton with her parents, Mr. and Mrs. Austin Murphy.

Mr. Albert Bernard spent the greater part of the week in Alberton, the guest of his brother, Mr. A. J. Bernard, and Mrs. Bernard.

The many friends of Miss Beth Clarke will be glad to hear that she has been in the Western Hospital for the past week, the result of a severe cold.

Mrs. G. H. Hardy recently enjoyed a brief but pleasant stay in Charlottetown with her daughter, Miss Margaret Hardy, who is training at the Prince Edward Island Hospital.

Messrs. Kell Campbell and Robert Campbell, accompanied by Mrs. Ross Campbell motored to Charlottetown the earlier part of last week, where they visited Mr. Ross Campbell who is a patient in the veterans' wing of the P. E. Island Hospital.

The Aketa O.G.I.T. of the Montague United Church held their meeting at the home of Mrs. David Hutcheson on Thursday evening. The meeting opened with the O.G.I.T. purpose and prayer followed by the devotional period led by Miss Jane Lake, the theme being "Serve Him Alone", with scripture reading by Miss Barbara Mabon. Miss Violet Hutcheson led in prayer. The vice-president then took over and the Secretary read the minutes of the last meeting which were approved. A list of articles needed for the coming social evening was made out. The O.G.I.T. quilt square has been started. The group name, the leader's name, and Montague have been embroidered on the square. Each girl in turn will also complete her name on the square. The remainder of the evening was spent in making invitations for the social evening. The meeting closed with taps.

On Wednesday evening a special meeting of the Montague Boy Scout troop committee was held at the Legion Hall with the President, Archie Hume presiding. The secretary, W.R. Gilbert read the minutes of the last meeting which were approved. Mr. Eric Duvar, Scoutmaster, reported on the troop activities and gave a brief resume on the different projects accomplished by the troop. Mr. Hume outlined the various classes of Boy Scouts and explained in some detail the respective duties of each class. There followed some discussion regarding sending four boys to the Jamboree to be held in Ottawa in July. Mr. D. Samson inquired as to probable funds required to do this, and to maintain the annual summer camp. The secretary then read the financial report which showed a bank balance of \$128.79. It was moved by Mr. Samson and seconded by R. MacDonald that approval be given for bills paid totalling \$82.86. Motion

carried. Scoutmaster Dewar requested that some action be taken regarding having Mr. R.C. Parent visit Montague accompanied by an expert on Scouting, particularly in connection with Cub work, who is now in Charlottetown. On discussion it was estimated that approximately \$100. to \$200. would be required to send the boys to Ottawa and to carry on the summer camp. It was moved by Mr. W.R. Gilbert, seconded by R. MacDonald that an apple day be held in the near future to raise the necessary funds. A committee to arrange these details and to carry out the work of Apple Day was formed and includes A. Hume, V. Pepler, C. Beck and Mrs. Katherine Mabon. The Cub master, Alister Currie, reported on the activities of the Cub pack and stated that he had twenty boys in the pack, and he would be pleased to have some assistance from the committee members which would be much appreciated, especially on Cub nights. It was moved by Rev. A.S. Adams, seconded by Cecil Beck that a vote of thanks be extended to Scoutmaster and Cubmaster for their splendid work. Certainly the training of the youth in honesty, industry and in community spirit is no small task, and requires diligence and patience on the part of Scoutmaster and Cubmaster, and also the executive. However, the general public can also do much in furthering the work of the Boy Scouts by offering every assistance in this most valuable work. It is a fine training for any young boy or girl to go to summer camp where they may learn under expert guidance the true meaning of citizenship. Every assistance on such a project is well worth while and it is hoped

that the citizens will support the Guides, Scouts, and Cubs in their fine work.

MacDONALD - BRADLEY
