

Your Best Defence When Winter Comes

Build up your strength for Stormy Days—with Ovaltine!

BUILD a bountiful store of reserve vitality before winter, with its days of bitter cold, of wind, snow and ice, takes its toll of your health. Make Ovaltine your daily beverage—for glowing health.

Ovaltine nourishes your entire system—brain, nerves and body. Repairs worn tissues—quickly. One cupful of Ovaltine actually supplies more nourishment than 3 eggs or 12 cups of beef tea. Even the weakest digestions are not burdened by Ovaltine. Indeed it actually aids in digesting several times its weight of other foods.

By every conceivable test Ovaltine has proven a complete and perfectly balanced food for people of all ages. You will find in it a source of energy and vitality which will protect you against winter's ravages.

Ovaltine is not a mere haphazard mixture of its several ingredients but is manufactured by an exclusive scientific process. Ovaltine retains, unimpaired, all the essential elements of its valuable ingredients—ripe barley malt, fresh eggs and creamy milk from England's richest pastures.

There is nothing in the world so excellent as Ovaltine for overcoming sleeplessness, restoring worn nerves, for aged folks' diet, for nursing mothers and for keeping children full of life and energy. Made in England. Sold at 50c, 75c, \$1.25 and special \$4.50 family size. Purchase the larger tins for economy.

And why not? ... just get a can of this soup and open it. That delicious meaty aroma is just a sample of what it tastes like. A carefully-cooked, perfectly seasoned soup—a boon to any lapsed appetite—a blessing to a healthy one. If you haven't tasted it yet ... Oh! what you are missing! After tasting Clark's Oxtail Soup you too will murmur "Dee-e-licious" ... for when you get near enough to a plate of soup like this ... your appetite has a way of asserting itself! At your grocer's.
