NOON COMMENT. The market has regained some equilibrium and a few of the leading Ralls and Utilities appear to have some rallying power.

BANON AFTERNOON LETTER. The rally in New York this morning is not particularly vigorous, since stocks, however, are still oversold and additional recovery would now be followed by a break.

MORNING MARKET LETTER. The decline in the market was extended yesterday in virtually all sections of the list including the Utilities which until yesterday had shown a high degree of resistance.

BANON MORNING LETTER. While yesterday's reaction was sharper than I thought possible at the present time, I would like to point out that it is precisely when stocks are declining rapidly on bearish news that prices have a habit of recording their lows.
