Order To Cease Fire Given On Fronts

SHANGHAI, Friday, March 4.—
(A.P.)—The order to cease firing
went up and down the whole
Shanghai battlefield today from
both the Japanese and Chinese
commanders. After thirty-five days
of warfare there was quiet.
Japan's military operation ap-
peared finally to have been com-
pleted, with the victorious troops oc-
cupying a zone about the city much
deeper than the 12½ mile area from
which Tokyo originally demanded

that the Chinese withdraw.
Only an occasional rifle barked
this morning on the 20-mile front
running from the southern bank of
the Yangtze River down to Nan-
ziang, on the Shanghai-Nanking
railway.
There was no formal armistice,
but both the Japanese and Chinese
commanders instructed their troops
to cease hostilities unless the enemy
attacked. The Chinese charged that
early this morning, after the Jap-
anese order had gone out, there was
fighting—initiated by the Japanese

the charges alleged to have been
made in Hamilton last January by
G. N. Gordon, K. C., former Deputy
Speaker of the House of Commons.
Premier R. B. Bennett also denied
charges, allegedly made at the same
time by Mr. Gordon, that when he
assumed office as Prime Minister he
secured a new private railway car
at a cost to the public of \$125,000.
The committee of seven, under the
chairmanship of G. R. Geary, K.C.,

NEW TARIFF GREAT BENEFIT TO CANADA

Producers Should
Benefit From The
Increased Demand
Likely To Be Made
For Canadian
Goods.

MONTREAL, Que., March 3. (By
the Canadian Press)—Great Brit-
ain's recent new tariff enactment
affords excellent opportunities to
Canadian exporters, declares the
monthly letter of the Royal Bank
of Canada issued today. Producers
should benefit, the letter states, from
the increased demand likely to be
made for Canadian wheat flour,
dairy products, apples, tobacco,
canned salmon, lumber, leather and
base metals. Canned lobster, fresh
and frozen fish, base metals such
as lead, zinc and aluminum, rub-
ber manufactures, canvas boots and
shoes, are products which although al-
ready well established in British
markets might be shipped in larger
quantities. The letter states that
although per capita imports into
the United Kingdom amount to
\$110 only \$4 of this came from
Canada.

OTTAWA, Ont., March 3. (By
the Canadian Press)—Between
\$600,000 and \$700,000 had been con-
tributed by himself to the campaign
funds of the Liberal party prior to
the general election of 1930, Robert
A. Sweezy, former President of
the Beauharnois Power Com-
pany, told the Senate investigating com-
mittee here today. Senator Hay-
don, then federal organizer for that
party, had received the money al-
though some had been given to
Senator Raymond. (Earlier in the
proceedings today Senator Raymond
stated that as a trustee of the party
funds he had received some of Mr.
Sweezy's contributions and had
turned them over to the treasurer.)
To the Conservative party Mr.
Sweezy said, he had given \$10,000
the alleged recipient being General

SNOWSTORM TIES UP RY. TRAFFIC

It Is Hoped To Re- open All Lines To- day.

Owing to yesterday's severe snow-
storm the Borden train made no

The regular train which left
Charlottetown for Borden yesterday

N.B. MEMBERS ADVOCATE MORATORIUM

OTTAWA, Ont., March 3.—(By
The Canadian Press)—New Brun-
swick Conservative members in the
Dominion Parliament are strongly
in favor of a moratorium on all
mortgages on farm lands in their
Province from March 1, 1932 to
March 1 of next year.
At a meeting called at the in-
stance of B. Frank Smith, (Cons.
Victoria-Carleton) in the House of
Commons today, farm conditions in
New Brunswick were discussed and
a petition for a moratorium is being
sent forward tonight to Premier
C. D. Richards at Fredericton. The
action taken is in line with a meas-
ure brought down in the Ontario
Legislature.
The text of the petition which is
being forwarded by Mr. Smith,
signed by all New Brunswick Con-
servative members reads:
"We, the undersigned members
of the Conservative party, repre-

Sir Malcolm Introduced In Ontario House

TORONTO, Ont., March 3. (By
the Canadian Press)—With almost
unprecedented enthusiasm, the On-
tario Legislature briefly adjourned
this afternoon when Premier George
S. Henry announced Sir Malcolm
Campbell, British automobile ace,
was in the Chamber. W. E. N. Sin-
clair, Liberal leader, was speaking
at the time. Sir Malcolm was cal-
led to Premier Henry's side as mem-
bers rose in a body. Desks were
pounded and hands clapped.
Sir Malcolm spoke briefly. "The
reason Great Britain holds super-
riority in the air, on land and
water," he declared, "is due en-
tirely to the supremacy of British en-
gineering. All honor should be paid
to our country for the supremacy
of our workmanship." He thanked
Mr. Henry for the courtesy accord-
ed him, and left the House amid
other outbursts of cheering and

Reduction Of Duty On Fish Going Into U.S.

OTTAWA, Ont., Mar. 3.—(By
the Canadian Press)—Negotia-
tions are being proceeded with be-
tween the United States Govern-
ment and the Canadian Govern-
ment concerning the reduction of
duty on Canadian caught fish go-
ing into the United States, Prem-
ier R. B. Bennett told the House
of Commons this afternoon, in
answer to a question of Mitchell
Heppburn, (Lib. Elgin West). No
details could be disclosed at the
present time.

LETHBRIDGE, Alta., Mar. 3.—
Transfer to Moncton, N. B., of Su-
perintendent H. Junket of "K" Di-

was understood the appointment

Buying Orders For C. P. R. Stock

(Special To The Guardian)
OTTAWA, Ont., Mar. 3.—Buy-
ing orders for Canadian Pacific
Railway stock are coming from
Paris and London, according to
information reaching the Domini-
on Government from Montreal
stock brokers, but members of
the Cabinet have no idea what is
prompting purchases.
The suggestion that the demand
for C. P. R. stock is based upon
expectations of better shipping
business as a result of the Im-
perial Economic Conference is con-
sidered not unreasonable.
"If we made trade arrange-
ments at the Ottawa Conference
that resulted in increased com-
merce between the United King-
dom and Canada, undoubtedly it
would mean increased shipping
business for the Canadian Pacific
Railway," declared a member of
the Cabinet.

FLASH

(Special To The Guardian)
LONDON, Mar. 3.—The
Canadian Trade Commissioner
here has drawn attention to
the fact a considerable quan-
tity of Canadian goods are be-
ing shipped to England with-
out a certificate of origin,
which is required before ex-
emption from the British im-
port duties can be obtained.

Approval Of Cut Voiced In The Senate

(Canadian Press)
OTTAWA, Ont., Mar. 3.—Appro-
val of a cut in civil service salaries
was voiced in the Senate today by
Senator J. J. Hughes. He thought,
however, that the reduction should
be extended to Lieutenant-Govern-
ors and Judges, and also that it
should be on a sliding scale instead
of on a horizontal basis. As far as
the lower salaries were concerned,
the cut might be smaller than that
proposed by the government, and it
might well run to twelve or fifteen
per cent of the higher.
