SUSPENDED SENTENCE—A drunk appeared before Stipendiary Wyt in the Police Court at Summerside on Tuesday morning. He was given a severe lecture by His Honor, who inflicted a fine of \$20 and costs, which was suspended during his good behaviour.—S.

VALUABLE HORSE INJURED—A very valuable trotting horse, belonging to Councillor Kelly, of Summerside, was very seriously injured in an unusual manner early Monday morning. Mr. Kelly was awakened by the banging of the horse against the stable door and on going to investigate the cause, found that the horse had caught one of his shoes in his halter and in trying to free himself, had severely cut his throat. Before the Veterinary Surgeon, Dr. W. G. Church, arrived on the scene the animal had lost nearly a bucket of blood and was in a very weakened condition. Under the skillful hands of Dr. Church, the horse is now doing very nicely.—S.

FUR SALES—E. H. Rayner, Ltd., Montreal, reporting on their sale of February 21st, advise that "Silver Fox" sold very well, about 80% of the offering having changed hands. One very fine blue black pel, which is almost as rare as snowstorms in Florida, after most spirited bidding, was knocked down at \$455.00. There were a number of other good skins that realized from \$185.00 to \$250.00. Red Fox was mostly bid in as this article has been pushed to high in the recent buying flurry of Red Foxes for Manufacturers' samples. A small offering of Cross Foxes sold well, as well as fine Fisher. The demand continues poor for rats, weasels and skunks, none of which were sold at prices offered. March Sale, March 20th, until sold.

DEATH OF MRS. THOMAS CARRUTHERS—Much sympathy is felt for Mr. Thomas Carruthers and family of Summerside in the death of Mrs. Carruthers at her home on Monday, after a long and trying illness. Last October Mrs. Carruthers entered the institution of Mayo Brothers, at Rochester, N. Y., for treatment, but in spite of the best of medical attention, she did not improve and returned to her home shortly before Christmas, where she gradually sank until the end. The deceased, who was 53 years of age, was the daughter of the late Neil H. MacFadyen, of Augustine Cove, and Mrs. MacFadyen, who has resided with her daughter for some time. Mrs. Carruthers was a member of the Church of Scotland and was before her illness a constant attendant at the Kirk Church. She was of a quiet and unassuming disposition, and had a large circle of friends and neighbors. There are left to cherish her memory besides her husband and mother, two daughters and one son, namely, Mrs. Ernest Walker, of Summerside and Marian and John at home; also one sister, Mrs. Hugh Morrison, of Kensington, to whom The Guardian extends sincere sympathy. The funeral takes place today. The services will be held at the home at eleven a. m. Interment will be in the Cemetery at Cape Traverse.—S.

DOING NICELY—Mr. Norman McLeod, of Summerside, has received encouraging news from Montreal that his mother, Mrs. Nell McLeod, who was operated on in the Royal Victoria Hospital on Saturday last, has stood the ordeal very well. Mrs. McLeod is progressing so satisfactorily that her husband, Mr. Neil McLeod, K. C., will most likely return to Summerside at the end of the week.—S.

LEFT FOR MONTREAL—Mrs. W. G. Schurman, of Summerside, left on Tuesday morning for Montreal. She was accompanied by her daughter, Mrs. William Steeves, and little daughter, Miss Betty, who are returning home to Montreal, after being on a visit home during the illness and death of Mrs. Steeves' father, the late Mr. W. G. Schurman. Mrs. Schurman has let her house on Belmont Street to Mr. and Mrs. Jock McLeod, of Messrs. Vassie and Brock, Summerside. Mrs. Schurman will remain away for about one year and will visit relatives in New York and other towns.—S.

SAD BEREAVEMENT—The death occurred in the Prince County Hospital on Monday morning of Mrs. Louis O'Connor, of Clinton, at an early age, under most distressing circumstances. Mrs. O'Connor was the daughter of the late Mr. and Mrs. John Malone, of Freetown, and was the mother of nine small children, all under ten years of age. She had many estimable qualities and was a devoted wife and mother. She will be deeply missed, not only in her home, but by her friends and neighbors. To her bereaved husband and family, The Guardian extends sincere sympathy.—S.

ANOTHER HOCKEY TROPHY—O'Leary already has one of the best skating rinks on the Island, and a large number of very enthusiastic hockey players and fans, besides a team that has made the Alberton boys step in the A. E. MacLean League. They have now received further encouragement through the generosity of Dr. J. B. Champion, himself a good hockeyist and all round sport, who has donated to the rink a handsome cup, to be played for by the Knutsford and the Mill River hockey boys and the O'Leary second team. The first game of the schedule of contests for this trophy will be played in the rink at O'Leary between the Knutsford and Mill River teams on Friday, starting at eight o'clock sharp. The boys of the teams mentioned certainly think that "He, (Dr. Champion) is a Jolly Good Fellow."—S.

SERIOUS LOSS—Wide-spread sympathy is expressed for Mr. Jas. Butler of Glengarry, Lot 7, in the loss which he sustained when his two large barns and almost their entire contents, including 14 head of cattle and a large quantity of wheat and oats, were totally destroyed by fire in the early morning of Feb. 21st. Mr. Butler was absent from home at the time, having taken a trip to Charlottetown. Considerable headway had been made by the fire when it was discovered between one and two a. m. By strenuous efforts the neighbors succeeded in rescuing the horses, sheep and hogs from the flames, but their most earnest attempt to save the cattle proved unavailing. The origin of the fire is unknown. It is reported that only a very small amount of insurance was carried by Mr. Butler, consequently his loss, including as it does the greater part of last season's grain crop is particularly severe.—O.

ENJOYABLE CONCERT—The Junior W. A. of St. Mary's Church put on a delightful concert on Friday night in St. Mary's Hall. Ven Archdeacon White presided in his usual happy manner and expressed his hearty thanks and appreciation, not only to the audience, who had turned out so well to see the children, but to Mrs. George Hogg, Mrs. Major Small and Mrs. T. H. S. Jackson, for the time and energy that they had devoted to the arranging of the program. The children all acquitted themselves very well indeed and were given a great reception. The programme was as follows: Piano Solo by Beryl Milligan; Recitation, by Doreen Jackson;

Missionary Pageant; Recitation, by Douglas Downing, Vocal Solo, by Dorothy Simmonds; Recitation by Beatrice Vincent; First Act of Play, "The Wonderful Window"; Sale of Candy; Second act of play; Recitation, Marion McLeLlan; Piano Solo, Betty White; Recitation, Ruth McLeLlan; Recitation, Rena Keys; Piano Solo, Blanche Hogg; Recitation, Betty Jackson; Dialogue, Edith Williams and Ross McKenzie; God Save the King.—S.

C. Y. M. L. OF SUMMERSIDE WIN ONE AND TIE ONE—The C. Y. M. L. of Summerside went west on Thursday last and that night crossed sticks with the Alberton Regals, last year's champions and this season's winners of the western section in the contest for the A. E. McLean Trophy. Owing to a mishap to the engine on the way, at Muddy Creek, the boys did not get there until 10:30 and went on the ice without any nourishment. The game was exciting from start to finish and kept the spectators on tip toes all the evening. The first period D. Gallant scored for the C. Y. M. L. The third period opened up more lively and Gallant again scored for the C. Y. M. L. This made Alberton sit up and take notice and Jeffrey made their first score ten minutes before the bell and got in their second goal two minutes before the close down, making the score 2-2. Chick Gallant, of the Crystals and Oswald Lefurcy refereed the game. On Friday evening the C. Y. M. L. Cubs met the O'Leary Maroons on the O'Leary rink. There was a record crowd from the surrounding districts and a thoroughly good clean game was enjoyed. One minute after the face-off Johnnie Chu Chu for the C. Y. M. L. scored on a pass from Peters. The play was rugged all through this period and ended 1-0. Kennedy scored for the Maroons in the second period, and seven minutes before the bell, Peters made a splendid solo run for his team. Chu Chu got in two long shots in succession for which made the score 4-1 in favour of the Summerside boys. The third period went scoreless, although O'Leary worked hard to even things up. The penalties were evenly divided, Chu Chu drawing the most for the C. Y. M. L. Chick Gallant refereed the game very satisfactorily. The boys were very nicely entertained by Mrs. Vernon Matthews after the match.—S.
