Undigested material, waste products, poisonous substances, must be daily removed from the body or there will be trouble, and often serious trouble, too. Ayer's Pills aid nature, that is all. J. C. Is Life Worth Living?

The punster, when asked this question, replies, "It depends upon the liver." He is about right. The largest gland in the body is the liver. Through its pores and cells the blood is continually circulating. If the liver doesn't work right the blood gets tainted. Poisons accumulate, cause headache, weariness and biliousness. For speedy relief take Dr. Hamilton's Pills, their action on the liver is marvelous. They stimulate just like nature and restore health and tone to the liver in one night. By morning headache, biliousness and the tiredness is gone. Dr. Hamilton's Pills are unequalled for bowels, stomach, and liver. 25c. per box or five for \$1.00, all dealers, or Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
