Local Juniors Give Impressive Display In 11-2 Victory

Charlie Ryan's junior baseball team gave an impressive display in their first appearance before local fans at the Park last night drubbing Summerside's junior entry, guided by Charlie Hogan, 11 to 2 in an eight innings exhibition struggle.

Well fortified in all positions the local juniors backed the seven-hit pitching of Jackie Cairns with good support in the field and after they disposed of Summerside's early 2-1 lead with a six-run rally in the third innings, were never headed.

The western juniors scored their only two runs in the opening frame when Bernard walked and Schurman got a life on an error, scoring on singles by Deighan and McKay. Moe Goodwin scored Nicholson with the first Charlottetown run with a lusty double. White striking out to end the innings. The City squad put a walk and four hits together in the third for six runs to establish a 6-2 lead which they held for the remainder of the game, adding a single tally in the fifth and three more in the last of the seventh.

Gay and Bernard were the Summerside battery, Gay giving up nine hits and whiffing three batters in the seven innings he worked.

Mike Hennessey and Jimmy Grady, rival third basemen contributed the fielding gems, both making nice running catches in foul territory behind third base.

Besides turning in a nice pitching chore, Jackie Cairns stroked out two singles and a double in four trips to the plate to lead the hitters.

Judging by comments heard from fans who witnessed the teams in action, Summerside and Charlottetown Juniors put on quite a baseball display last night in their exhibition game at the Park diamond and the same fans figure that the Island champions-it is a straight battle between here and Summerside — will give a good account of themselves in the Maritime playdowns.

✦ ✦ ✦ ✦

The score of last night's game gave little indication of the play. The two squads waged a close-knit struggle all the way with the winners showing a tendency to cash in on scoring chances and at the same time taking full advantage of any lapse by their opponents.

✦ ✦ ✦ ✦

To some, results of the game will probably mean that the Charlottetown team will be a "shoo in" when they enter the playdowns next week but this is furtherest from the minds of the players who are under Charlie Ryan's guidance.

✦ ✦ ✦ ✦

Although winners last night the local juniors still hold a high regard for the Hogan-coached outfit. They are capable of playing better ball than they showed several times during last night's encounter and when batting on all fours our own yourwsters are fully aware of the fact that they will have their hands full trying to handle the Summerside outfit.

✦ ✦ ✦ ✦

But it was pleasant to have the juniors back into action once more. It is the only way in which to build up players if the Island is ever to be preserved in senior baseball playoffs again and if the fans will only get behind the juniors now and show them that they are really interested, the youngsters themselves will do the rest.

✦ ✦ ✦ ✦

And who knows but this year's team might still bring home a Maritime baseball title, something that in this writer's memory has never been achieved before in Island baseball history. We stand open for correction on that one.

✦ ✦ ✦ ✦

And speaking of possible titles the Intermediates—incidentally one doesn't hear a word about them these days—providing they can show the same brand of ball in the playoffs as they did in exhibition encounters will prove to be the toughest kind of opposition.

✦ ✦ ✦ ✦

They showed that quite plainly in their win over the Tatamagouche Senators, at present intermediate title holders and several ball followers from Nova Scotia who watched the All Stars perform this season are of the opinion that they will be strong factors in the intermediate finals for the tri-province title.

✦ ✦ ✦ ✦

Junior golfers held the spotlight on the Belvedere links yesterday as play got underway for the junior club championship Although the entry list is small the competition is none the less keen and the progress of the tournament is being followed with interest.

✦ ✦ ✦ ✦

Co-medalists in the Qualifying Round were Skip Sear and Doug Pierce who carded scores for the nine holes of competition which would make them a potent threat in senior play, especially the "Rookie" tournament recently concluded.

✦ ✦ ✦ ✦

The way some of the younger fry weild the clubs there just doesn't seem to be anything to it but there are many a club member of greater years who would like to reach the even 50 strokes in touring the first nine holes. In staging the tournament the club hopes to promote interest among juniors and encourage their development later as top-notch senior competitors.

Williams Wins In Ninth

CARDIFF, Wales, Sept. 4—(CP)—Undisturbed by threatening rain Ike Williams successfully defended his world lightweight title, National Boxing Association version, tonight by knocking out the Welsh challenger and British champion, Ronnie James, in the ninth round of a scheduled 15-round bout.

The Trenton, N. J., negro, a 3-1 betting favorite, kept James at bay with a stiff left jab and floored him six times with a two-fisted attack before sending the Welshman down for keeps after two minutes and 41 seconds of the ninth round.

It was the first time the 29-year-old James had been kayoed in more than 70 fights.

Rain threatened during the contest but the thorough mastery Williams displayed was more disturbing to the 40,000 fans who jammed open-air Ninian Park for the first world title bout in Wales.

Many of the fans were Welsh miners who left the pits in the hope of seeing James win a crown last held by a Welshman—Freddie Welsh—in 1914.

The finish came when a sharp right hook to the head sent James into the ropes. He made a vain attempt to get back to his feet before Referee Moss Deyong finished the count.

James was badly cut about the face. Body blows felled the Welshman in the seventh and eighth and he was down twice in the ninth for a nine-count before the final blow.

The nationalistic followers of the challenger sang their national anthem, "Land of My Fathers" before the bout began, one section of the stadium almost drowning out a band's playing of "The Star Spangled Banner."

British promoter Jack Solomons, staging his second world title fight in Britain with American champions within four months, estimated gate receipts at £25,000 ($100,000.)

Kiddies Frolic At Victoria Park

Special prizes are being awarded and officials of the Commission feel that the kiddies will have a lot of sport as they in their competition help prepare our athletic field for our future athletes.

Recovering From Bout

NORWALK, Conn., Sept. 4 —(AP)—Welterweight Ronnie MacDonald of Edmonton and Vancouver, B. C., who was taken to Norwalk hospital last night after having been kayoed in the 10th and final round of a boxing bout by Joe Demartino of Bridgeport, was described today as being in "very good condition."

X-rays were to be taken during the day for possible rib fracture and concussion of the brain.

Thirty-five hundred spectators at the Crystal Arena saw MacDonalds handlers work for 20 minutes in an attempt to revive the boxer before the welterweight had to be carried from the ring.
